Foreword	vii	3.1.3 Clinical Manifestations	24
Preface	viii	3.1.4 Recognizing Anaphylaxis	24
1 First Steps	1	3.1.5 Immediate Management of Anaphylaxis	25
<i>Jonny Gordon</i>		3.1.6 Biphasic Reactions	25
1.1 Framework for Initial Assessment	2	3.1.7 Referral	25
1.2 Airway	3	3.2 Asthma	27
1.2.1 Airway Assessment and Management	3	3.2.1 Assessment of Acute Asthma	27
1.3 The Cervical Spine	6	3.2.2 Treatment of Acute Asthma	27
1.4 Breathing	7	3.2.3 Asthma and World Anti-Doping Agency	28
1.4.1 Practical Airway and Breathing Management	8	3.3 Seizures	29
1.5 Circulation	8	3.3.1 Classification	29
1.5.1 Assess Abdomen	9	3.3.2 Management Aims	29
1.5.2 Assess Pelvis	10	3.3.3 Secondary Causes of Seizure	29
1.5.3 Assess Long Bones	10	3.3.4 Medications	29
1.6 Disability	10	3.3.5 When to Phone an Ambulance?	29
1.6.1 Conscious Level	10	3.4 Diabetic Emergencies	30
1.6.2 Pupils	12	3.4.1 Diabetes and World Anti-Doping Agency	31
1.6.3 Localizing Signs	12	3.4.2 Hypoglycemia	31
2 Cardiac Arrest and Choking	13	3.4.3 Hyperglycemic Crisis	32
<i>Jonny Gordon</i>		4 Trauma Emergencies	33
2.1 Cardiac Arrest	14	<i>Jonny Gordon</i>	
2.1.1 Adult Basic Life Support	14	4.1 Spinal Injury	34
2.1.2 Automated External Defibrillation	14	4.1.1 Anatomy	34
2.1.3 Airway Management in Cardiac Arrest	16	4.1.2 Classification of Injury	34
2.1.4 Potentially Reversible Causes of Cardiac Arrest	18	4.1.3 Spine Assessment	35
2.1.5 Advanced Adult Life Support	18	4.1.4 Fitting a Hard or Semi-Rigid Collar	36
2.2 Choking	21	4.1.5 Performing a Logroll	37
3 Medical Emergencies	23	4.2 Head and Facial Trauma	39
<i>Jonny Gordon</i>		4.2.1 Anatomy	39
3.1 Anaphylaxis	24	4.2.2 Types of Head/Brain Injury	39
3.1.1 Pathophysiology	24	4.2.3 Pitchside Assessment of Players with Head Injuries	41
3.1.2 Common Allergens	24	4.2.4 Facial Trauma	42
		4.2.5 Soft-Tissue Injuries	43
		4.2.6 Facial Fractures	44
		4.2.7 Dental Injuries	45
		4.3 Chest Trauma	45
		4.3.1 Assessment	45
		4.3.2 Traumatic Thoracic Conditions	46
		4.4 Abdominal Trauma	47
		4.4.1 Anatomy	47
		4.4.2 Assessment	47
		4.4.3 Trauma	48

4.5 Pelvic Trauma	49	6 Head Injuries	69
4.5.1 Anatomy	49	<i>Anna Nordström</i>	
4.5.2 Assessment	49		
4.5.3 Fractures	50	6.1 Introduction	70
4.6 Limb Trauma	51	6.2 Definitions	70
4.6.1 Upper Limb	51	6.3 Symptoms and Signs of Concussion	70
4.6.2 Lower Limb	53	6.4 Causes and Mechanisms of Concussion	71
		6.5 Evaluation and Management of Concussion	71
5 General Management	61	6.5.1 Baseline Testing	71
<i>Jonny Gordon</i>		6.5.2 On-Pitch and Locker Room Acute Assessment and Management	73
		6.5.3 Evaluation in Emergency Room or Doctor's Office	74
5.1 Analgesia and Anesthesia	62	6.5.4 Follow-Up Evaluation and Management	75
5.1.1 Analgesia	62	6.6 Complications during Recovery	76
5.1.2 Anesthesia	63	6.6.1 Symptom Management	76
5.1.3 Nerve Blocks	64	6.6.2 Repetitive Concussions	77
5.2 Wound Management	64		
5.2.1 History	64		
5.2.2 Examination	64		
5.2.3 Immediate Management	65		
5.2.4 Wound Closure	65		
5.2.5 Specific Wounds	66		
5.2.6 Wound Dressings	67		
5.2.7 Tetanus	67		
5.3 Kit	67	Index	83
