Financial Services for Multinational and Large National Corporations	27
Some General Trends in Enterprise Financing	28
Risk Capital for Small- and Medium-Sized Enterprises	29
Increasing Needs for Merchant Banking Facilities .	30
2.4 The Markets for Securities-Related Services	31
Main Features of Competition in the New Issuing Business	34
Competitive Changes in the Securities Trading and Brokerage Business	35
Portfolio Management and Investment Advisory and Information Services	37
2.5 The Markets for Interbank Financial Services	38
2.6 The Markets for International Financial Services ..	39
Notes and References	44

Chapter 3

POLICIES TOWARDS EFFICIENT FINANCIAL SYSTEMS: THE ROLE OF COMPETITION POLICY

3.1 Introduction	47
3.2 Financial Policy in Retrospect	48

3.3 Widening the Scope for Price Competition	50
3.3.1 Interest Rate Deregulation and the Strengthening of Market Elements in the Financial System	50
3.3.2 Deregulation of Fees and Commissions in Financial Services	56
3.4 Removal of Direct Lending Controls and Mandatory Investment Regulations	58
3.5 Strengthening the Competitive Structure of the Financial System and the Competitiveness of Financial Institutions	58
3.5.1 An Overview	58
3.5.2 Diversification of Financial Activities and Products and the "Levelling of the Playing Field"	60
— Savings Institutions	60
— Post Office Systems	61
— Commercial Banks and Securities Firms	62
— Creation of New Financial Instruments .	63
3.5.3 Promoting the Entry of New Competitors ...	64
— Decentralisation	64
— Branching	65
— Foreign Bank Entry	66
3.5.4 Merger and Ownership Policies	67
3.5.5 Strengthening the International Competitiveness of Financial Systems	68
3.6 Improving Information and Market Visibility	70
3.7 Reviewing the Methods of Financial Assistance to Specific Sectors	70
3.8 Streamlining the Payment System	71
Notes and References	74

Chapter 4

MAIN ISSUES FOR POLICIES TOWARDS EFFICIENT FINANCIAL SYSTEMS

4.1 Introduction	77
4.2 The Problem of an Adequate Level of Competition	79
4.2.1 Introduction	79
4.2.2 Free Price Competition versus Regulated Interest Rates, Fees and Commissions	79
4.2.3 Freedom of Diversification for Financial Institutions and Conglomerates versus Legally Imposed Specialisation	80
4.2.4 Conflicts of Interest	82
4.3 Conditions for the Proper Working of Market Forces	84
4.3.1 Introduction	84

4.3.2 "Levelling the Playing Field"	84	IV. Deregulation and Diversification of Financial Service Activities	167
4.3.3 Organisation of Markets	86	A. Deregulation and Diversification of Financial Service Activities of Commercial Banks ...	168
— Standardisation	86	B. Deregulation and Diversification of Financial Service Activities of Savings Institutions ...	174
— Depth, Liquidity and Visibility	87	C. Deregulation and Diversification of Financial Service Activities of Post Office Systems ...	179
— Orderly Markets	88	D. Deregulation of Separation of Functions between Banks and Securities Firms and Access by Banks to Stock Exchange Membership	181
— Safety and Soundness	88	V. Creation and Diversification of Marketable Financial Instruments	184
4.3.4 Supervising Club Arrangements	89	VI. Remaining Restrictions on Financial Service and Related Activities of Commercial Banks ...	189
4.3.5 Concentration	89	VII. Restrictions on Bank Ownership	191
4.4 The Role of Co-operation	91	VIII. Deregulation of Branch Banking	194
4.5 The Transition to a Market-oriented System	92	IX. Deregulation of Foreign Bank Entry	195
4.6 International Competition	93	X. Abolition of Credit Ceilings and Deregulation of Mandatory Investment Requirements	197
4.7 Efficiency, Stability and Investor Protection	95	XI. Concentration in Banking	199

4.9 A Need for a Global View	98	XIII. The Treatment of the Banking Sector under Competition Laws with regard to Interbank Agreements on Interest Rates, Fees and Commissions	203
Notes and References	101	Notes and References	204

Annex I

CONCEPTS AND DEFINITIONS

1. Scope, Characteristics and Structural Features of the Markets for Financial Services	105
Financial Services: A Multitude of Markets	105
Examples of Special Market Situations	106
Overview of the Markets for Financial Services ...	107
Functional Classification of Financial Service Markets	107
Financial Service Markets and Financial Systems ..	108
The Impact of Regulation	109
A Pragmatic Approach	109
2. The Concept of Functional Efficiency	110
3. Competition Policy	114
4. Financial Regulation	117
5. Financial Policy and Financial System Management	118

Annex II

STATISTICAL TABLES ON GROWTH OF FINANCIAL INSTITUTIONS AND MARKETS AND STRUCTURAL CHANGES IN FINANCIAL SYSTEMS

1. Introduction	121
2. Increasing Importance of the Financial Service Sector	121
3. Growth of Financial Institutions and Banking Networks	121
4. Expansion of Securities Markets	121
5. Growth of Financial Assets and Liabilities of Non-financial Sectors	121
6. Internationalisation of Financial Markets	121

Annex III

DOCUMENTATION ON MEASURES AFFECTING COMPETITION IN BANKING AND ON DIVERSIFICATION OF FINANCIAL SERVICE ACTIVITIES

I. Interest-Rate Deregulation	153
II. Creation and Development of Money Markets ..	162
III. Introduction of Auction Techniques for Selling Government Debt Instruments	166

IV. Deregulation and Diversification of Financial Service Activities	167
A. Deregulation and Diversification of Financial Service Activities of Commercial Banks ...	168
B. Deregulation and Diversification of Financial Service Activities of Savings Institutions ...	174
C. Deregulation and Diversification of Financial Service Activities of Post Office Systems ...	179
D. Deregulation of Separation of Functions between Banks and Securities Firms and Access by Banks to Stock Exchange Membership	181
V. Creation and Diversification of Marketable Financial Instruments	184
VI. Remaining Restrictions on Financial Service and Related Activities of Commercial Banks ...	189
VII. Restrictions on Bank Ownership	191
VIII. Deregulation of Branch Banking	194
IX. Deregulation of Foreign Bank Entry	195
X. Abolition of Credit Ceilings and Deregulation of Mandatory Investment Requirements	197
XI. Concentration in Banking	199
XII. Entry and Exit of Banks	200
XIII. The Treatment of the Banking Sector under Competition Laws with regard to Interbank Agreements on Interest Rates, Fees and Commissions	203
Notes and References	204

Annex IV

THE APPLICATION OF COMPETITION LAWS AND POLICIES TO THE BANKING SECTOR

The Application of Competition Laws and Policies to the Banking Sector	205
a) Introduction	205
b) Agreements between Banks	206
c) Mergers	206
d) Abuses of Dominant Positions	206
Statistical Data on Mergers and Concentration in the Banking Sector	206
Country Notes on the Treatment of the Banking Sector under Restrictive Business Practices Legislation	207

Annex V

CONFLICTS OF INTEREST IN BANKING AND FINANCE AND THEIR CONTROL AND MANAGEMENT

I. Introduction	227
II. Definition and Practical Examples	228
Definition	228
Practical Examples and Related Concerns	228
Conflict of Interest Situations considered as Typical of Universal Banks combining both Banking and Securities-related Activities	228
Conflicts of Interest between Different Types of Securities-related Activities	229
III. Overview of Basic Concerns	229
IV. Control and Management of Conflicts of Interest ..	230
V. Selected Bibliography	231

Annex VI

BIBLIOGRAPHY	233
