

# Table of Contents

## I Fastener types

Al alloy solid rivet with flush head	1	Visu-Lok blind fastener with flush head	32
Al alloy solid rivet with protruding head	2	Visu-Lok blind fastener with	
Monel or Ti solid rivet with flush head	3	universal head	33
Monel or Ti solid rivet with protruding head	4	MBC blind rivet with countersunk head	34
Solid rivet with flush head and tapered shank	5	MBC blind rivet with snap head	35
Solid rivet with protruding head and tapered shank	6	V-Bolt, Jo-Bolt and Jo-Lok blind fastener with countersunk head	36
Cherrybuck solid rivet with flush head	7	V-Bolt, Jo-Bolt and Jo-Lok blind fastener with hexagon head	37
Cherrybuck solid rivet with protruding head	8	Olympic Bulb-Lok blind rivet with flush head	38
Stress-Pin solid rivet	9	Olympic Bulb-Lok blind rivet with protruding head	39
Rivbolt solid rivet with flush head	10	Cherry Max blind fastener with countersunk head	40
Rivbolt solid rivet with protruding head	11	Cherry Max blind fastener with universal head	41
Fast solid rivet with crowned head	12	Olympic-Lok blind rivet with flush head	42
Solid rivet with red. flush head	13	Olympic-Lok blind rivet with protruding head	43
Hi-Set solid rivet with crowned head	14	Huck blind bolt with flush head	44
Hi-Set solid rivet with protruding head	15	Huck blind bolt with protruding head	45
Huck blind rivet with flush head	16	Huck blind rivet with brazier head	46
Huck blind rivet with protruding head	17	Huck blind rivet with protruding head	47
Avdel blind rivet with countersunk head	18	Aircraft-Chobert blind rivet with countersunk head	48
Avdel blind rivet with snap head	19	Aircraft-Chobert blind rivet with snap head	49
Standard Cherrylock blind rivet with countersunk head	20	Briv blind rivet	50
Standard Cherrylock blind rivet with universal head	21	Pop Standard blind rivet with countersunk head	51
Olympic blind rivet with flush head	22	Pop Standard blind rivet with domed head	52
Olympic blind rivet with protruding head	23	Pop Sealed blind rivet with countersunk head	53
Bulbed Cherrylock blind rivet with countersunk head	24	Pop Sealed blind rivet with domed head	54
Bulbed Cherrylock blind rivet with universal head	25	Hi-Lok fastener with flush head	55
Hi-Kor blind bolt with countersunk head	26	Hi-Lok fastener with protruding head	56
Hi-Kor blind bolt with protruding head	27		
Hi-Shear blind bolt with countersunk head	28		
Hi-Shear blind bolt with protruding head	29		
Cherry MS blind rivet with flush head	30		
Cherry MS blind rivet with protruding head	31		

Hi-Tigue fastener with flush head	57	Eddie-Bolt fastener with protruding head	74
Hi-Tigue fastener with protruding head	58	Acres fastener sleeve with countersunk head	75
Hi-Lite fastener with flush head	59	Acres fastener sleeve with protruding head	76
Hi-Lite fastener with protruding head	60	Titan rivet (tapered shank)	77
Taper-Lok fastener with flush head	61	E-Z-Buck rivet	78
Taper Lok fastener with protruding head	62	Rivbolt rivet	79
Lockbolt fastener with flush head	63	BRDH rivet flush head	80
Lockbolt fastener with protruding head	64	Cherrybuck rivet	81
GP Lockbolt fastener with flush head	65	Composi-Lok blind fastener	82
GP Lockbolt fastener with protruding head	66	Multifoot blind fastener	83
Hi-Shear rivet with flush head	67	Huck blind bolt	84
Hi-Shear rivet with universal head	68	BBC blind bolt	85
Lockbolt-Stump with flush head	69	Comp-Tite blind fastener	86
Lockbolt-Stump with protruding head	70	Hi-Lok fasteners	87
GP Lockbolt-Stump with flush head	71	Lockbolt fastener	88
GP Lockbolt-Stump with protruding head	72	Eddie-Bolt fasteners	89
Eddie-Bolt fastener with countersunk head	73		

## II Product line of fasteners

Introduction	91	Jo-Bolt blind fastener	105
Al alloy and Monel solid rivets	92	MBC blind rivets	105
Titanium and Ti-alloy solid rivets	93	Olympic Bulb-Lok blind rivets	106
Cherrybuck solid rivets	94	V-Bolt blind fasteners	107
Stress-Pin solid rivets	94	Cherry Max blind fasteners	108
Rivbolt solid rivets	94	Olympic-Lok blind rivets	109
E-Z-Buck solid rivets	95	Jo-Lok blind bolts	110
Fast solid rivets	95	Huck blind rivets	110
Hi-Set solid rivets	95	Aircraft-Chobert blind rivets	111
Solid rivets with red. flush head	96	Briv blind rivets	112
Huck blind rivets	97	Pop Standard blind rivets	123
Huck blind bolts	97	Pop Sealed blind rivets	114
Avdel blind rivets	98	Hi-Lok pins	115
Standard Cherrylock blind rivets	99	Hi-Tigue pins	116
Olympic blind rivets	100	Hi-Lite pins	117
Bulbed Cherrylock blind rivets	101	Lockbolt pins	118
Hi-Kor blind bolts	102	Huck SL pins	119
Hi-Shear blind bolts	103	GPL Lockbolt pins	120
Cherry MS blind rivets	103	GPS Lockbolt-Stumps	121
Visu-Lok blind fasteners	104	LGPL Lockbolt pins	122

LGPS Lockbolt pins	123	BRDH solid rivets	131
Lockbolt-Stumps	124	Cherrybuck solid rivets	131
Hi-Shear pins	125	Composi-Lok blind fasteners	132
Taper Lok pins	126	Comp-Tite blind fasteners	132
Eddie-Bolt pins	127	BBC blind fasteners	133
Grooved Acres fastener sleeves	128	Multifoot blind fasteners	133
Ungrooved Acres fastener sleeves	129	Huck blind bolts	133
Titan solid rivets (tapered shank)	130	LGPL and LGPS Lockbolt pins	134
E-Z-Buck solid rivets	130	Hi-Lok pins	134
Rivbolt solid rivets	130	Eddie-Bolt pins	135

### III Static strength data of fasteners

Introduction	137	MBC blind rivets	153
Static strength values of Al-alloy and Monel solid rivets	138	Huck blind rivets	153
Titanium and Ti-alloy solid rivets	139	Cherry Max blind rivets	154
Cherrybuck solid rivets	140	Jo-Lok blind fasteners	154
Stress-Pin solid rivets	140	Aircraft-Chobert blind rivets	155
Rivbolt solid rivets	140	Aircraft-Chobert with Sealing Pin blind rivets	156
E-Z-Buck solid rivets	141	Pop-Standard blind rivets	157
Hi-Set solid rivets	141	Pop-Sealed blind rivets	158
Huck-blind rivets	142	Briv blind rivets	158
Huck blind bolts	142	Hi-Lok fasteners	159
Avdel blind rivets	143	Hi-Tigue fasteners	160
Standard Cherrylock blind rivets	144	Hi-Lite fasteners	161
Olympic blind rivets	145	Lockbolt fasteners	162
Bulbed Cherrylock blind rivets	146	Huck SL fasteners	163
Hi-Kor blind bolts	147	GPL Lockbolt fasteners	164
Cherry MS blind rivets	148	GPS Lockbolt fasteners	165
Jo-Bolt blind fasteners	148	LGPL Lockbolt fasteners	166
Visu-Lok blind fasteners	149	LGPS Lockbolt fasteners	167
Olympic Bulb-Lok blind rivets	150	Lockbolt Stumps	168
Olympic-Lok blind rivets	151	Eddie-bolt fasteners	169
V-Bolt blind fasteners	152		

## **IV Installation and use of fasteners**

Introduction	171	Olympic-Lok blind rivets	189
Light metal, titanium and Monel solid rivets	172	Aircraft-Chobert blind rivets	190
Cherrybuck solid rivets	173	Briv blind rivets	191
Stress-Pin solid rivets	174	Pop blind rivets	192
Rivbolt solid rivets	175	Hi-Lok, Ti-Tigue and Hi-Lite fasteners	193
Hi-Set solid rivets	176	Lockbolt fasteners	194
Huck-blind rivets and blind bolts	177	Hi-Shear fasteners and Lockbolt-Stumps	195
Avdel blind rivets	178	Taper-Lok fasteners	196
Standard Cherrylock blind rivets	179	Eddie-bolt fasteners	197
Olympic, Cherry MS and Huck blind rivets	180	Acres fastener sleeves	198
Bulbed Cherrylock blind rivets	181	Titanium and Ti-alloy solid rivets	199
Hi-Kor blind bolts	182	Composi-Lok blind fasteners	200
Hi-Shear blind bolts	183	Comp-Tite blind fasteners	201
V-Bolt, Jo-Bolt and Visu-Lok blind fasteners	184	BBC blind bolts	202
MBC blind rivets	185	Multifoot blind fasteners	203
Olympic Bulb-Lok blind rivets	186	Special fasteners	204
Cherry Max blind rivets	187	The use of solid rivets	205
Jo-Lok blind fasteners	188	The use of blind fasteners	206
		The use of special fasteners	207

## **V Purchase costs and installation times of fasteners**

Introduction	209	Installation times of solid rivets	213
Purchase costs of solid rivets	210	Installation times of blind fasteners	214
Purchase costs of blind fasteners	211	Installation times of special fasteners	215
Purchase costs of special fasteners	212	Store-keeping costs of fasteners	216
