<i>Select Bibliography</i>	283
<i>Notes on Contributors</i>	286
<i>Acknowledgements</i>	288
<i>Index</i>	290

System of Titling: here and in the Selection, exterior quotemarks are used for editorially devised captions. In other cases, the caption employs the original title of the writer's book, chapter or section of a book, article of essay (in some instances abbreviated from that), and it is displayed without exterior quotemarks.
