<i>Acknowledgments</i>	page x
1 Fiscal Decentralization: Benefits and Problems	1
1.1 Assignment of Government Functions and Mobility	1
1.1.1 <i>Assignment of Government Functions</i>	1
1.1.2 <i>Mobility and Taxation: Empirical Facts</i>	3
1.2 Purpose, Justification, and Limits of the Study	9
1.2.1 <i>Purpose of the Book</i>	9
1.2.2 <i>Justification of the Study</i>	10
1.2.3 <i>Limits of the Study</i>	13
1.3 Benefits of Fiscal Decentralization	14
1.3.1 <i>Sensitivity to Diverse Regional Preferences</i>	14
1.3.2 <i>Preference Revelation by Household Mobility</i>	15
1.3.3 <i>Protecting the Interests of Future Generations</i>	15
1.3.4 <i>Restraining the Leviathan</i>	16
1.4 Problems of Fiscal Decentralization	17
1.4.1 <i>Inefficient Interregional Resource Allocation</i>	17
1.4.2 <i>Destructive Tax Competition for Mobile Factors</i>	18
1.4.3 <i>Tax Export and Spillover Effects</i>	19
1.4.4 <i>Suboptimal Income Distribution within Regions</i>	19
1.4.5 <i>Suboptimal Income Distribution across Regions</i>	20
1.4.6 <i>Suboptimal Stabilization Policy</i>	21
1.4.7 <i>Optimal Degree of Fiscal Decentralization</i>	22
1.5 Outline of the Book	22
2 Locational Efficiency and Efficiency-Supporting Tax Systems	27
2.1 Efficient Locational Pattern	28
2.1.1 <i>The Model</i>	28
2.1.2 <i>First-Order Conditions</i>	30
2.1.3 <i>Efficient Interregional Resource Distribution</i>	32

2.2	Efficiency-Supporting Tax Systems	35
2.2.1	<i>Private Behavior</i>	35
2.2.2	<i>Efficient Taxation</i>	37
3	Perfect Interregional Competition	40
3.1	Fiscal Decentralization with a Complete Tax Instrument Set	42
3.1.1	<i>Private Behavior</i>	43
3.1.2	<i>Local Government Behavior</i>	45
3.2	Fiscal Decentralization with an Incomplete Tax Instrument Set	46
3.2.1	<i>A Direct Household Tax Is Not Available</i>	47
3.2.2	<i>A Direct Firm Tax Is Not Available</i>	48
3.2.3	<i>An Undistortive Tax Is Not Available</i>	50
3.3	Appendix	53
3.3.1	<i>First-Order Conditions and Migration Responses</i>	53
3.3.2	<i>Distortionary Taxation</i>	55
4	Interregional Tax Competition for Mobile Capital	58
4.1	Underprovision of Local Public Goods	60
4.1.1	<i>Private Behavior</i>	60
4.1.2	<i>Regional Government Behavior</i>	63
4.1.3	<i>Central Government Intervention</i>	66
4.2	Tax Competition and Regional Size	69
4.3	The Advantage of Small Regions	71
4.4	Restraining the Leviathan by Interregional Tax Competition	74
4.4.1	<i>Government Behavior</i>	75
4.4.2	<i>Fiscal Decentralization with Undistortive Taxes</i>	76
4.4.3	<i>Fiscal Decentralization with Interregional Tax Competition</i>	77
4.5	Property Tax Incidence and Land Taxation	79
4.5.1	<i>The Traditional View</i>	79
4.5.2	<i>The New View</i>	81
4.5.3	<i>The Benefit View</i>	82
4.5.4	<i>Land Taxation</i>	85
4.6	Appendix	86
5	Optimal Structure of Local Governments	88
5.1	Tiebout and the Theory of Clubs	90
5.2	The Henry George Theorem	92
5.3	Overlapping Market Areas of Local Public Goods	95

Contents	vii
5.3.1 <i>The Optimal Allocation</i>	95
5.3.2 <i>Private Behavior</i>	98
5.3.3 <i>Decentralization through Competing Metropolitan Governments</i>	99
5.3.4 <i>Decentralization with Smaller Jurisdictions</i>	100
5.4 Appendix	102
5.4.1 <i>Optimal Allocation with Overlapping Market Areas</i>	102
5.4.2 <i>Optimal Decentralization through Metropolitan Governments</i>	103
6 Incentive Equivalence through Perfect Household Mobility	105
6.1 Tax Export and Spillover Effects with Household Mobility	106
6.1.1 <i>Private Behavior</i>	106
6.1.2 <i>Regional Government Behavior</i>	108
6.2 Tax Competition and Household Mobility	111
6.2.1 <i>Private Behavior</i>	111
6.2.2 <i>Regional Government Behavior</i>	113
6.3 Appendix	115
6.3.1 <i>Tax Export and Spillover Effects</i>	115
6.3.2 <i>Tax Competition</i>	116
7 Efficiency and the Degree of Household Mobility	118
7.1 Efficient Allocation	120
7.1.1 <i>The Model</i>	120
7.1.2 <i>First-Order Conditions</i>	122
7.2 Decentralized Nash Equilibrium	124
7.2.1 <i>Private Behavior</i>	124
7.2.2 <i>Regional Government Behavior</i>	126
7.2.3 <i>Transfer-Constrained Region</i>	127
7.3 Different Degrees of Household Mobility	129
7.3.1 <i>Perfect Household Mobility</i>	129
7.3.2 <i>Perfect Immobility of Households</i>	130
7.3.3 <i>Imperfect Household Mobility</i>	131
7.4 Appendix	133
7.4.1 <i>First-Order Conditions</i>	133
7.4.2 <i>Expressions of a Transfer-Constrained Region</i>	136
8 Decentralized Redistribution Policy	137
8.1 Uncoordinated Regional Redistribution Policy	139
8.1.1 <i>Private Behavior</i>	139
8.1.2 <i>Socially Optimal Allocation</i>	141
8.1.3 <i>Regional Government Policy</i>	142

8.2	Internalizing Fiscal Externalities	146
8.2.1	<i>Central Government Intervention</i>	146
8.2.2	<i>Corrected Equilibrium</i>	148
8.3	Appendix	149
8.3.1	<i>Derivation of Welfare Effects</i>	149
8.3.2	<i>Central Government Intervention</i>	150
9	Decentralization and Intergenerational Problems	152
9.1	Efficient Allocation	155
9.1.1	<i>The Model</i>	155
9.1.2	<i>First-Order Conditions</i>	156
9.2	Decentralized Environmental Policy	158
9.2.1	<i>Private Behavior</i>	158
9.2.2	<i>Local Government Behavior</i>	160
9.3	Local Public Debt	162
9.3.1	<i>Private Behavior</i>	163
9.3.2	<i>Local Government Behavior</i>	164
9.4	Appendix	166
9.4.1	<i>Decentralized Environmental Policy</i>	166
9.4.2	<i>Nonneutrality of Local Public Debt</i>	168
10	Informational Asymmetry between the Regions and the Center	170
10.1	Optimal Redistribution with Complete Information	172
10.1.1	<i>Private Behavior</i>	172
10.1.2	<i>Regional Government Behavior</i>	175
10.1.3	<i>Socially Optimal Allocation</i>	176
10.2	Incomplete Information, Adverse Selection, and Optimal Redistribution	177
10.2.1	<i>Incentive Compatibility Constraints</i>	177
10.2.2	<i>Central Government Policy</i>	179
10.3	Incomplete Information and Moral Hazard	181
10.3.1	<i>Private Behavior</i>	181
10.3.2	<i>Regional Government Behavior</i>	183
10.3.3	<i>Optimal Policy with Incomplete Information</i>	183
10.4	Appendix	187
10.4.1	<i>First-Order Conditions of the Central Government Problem</i>	187
10.4.2	<i>First-Best Optimum</i>	188
10.4.3	<i>Optimum with Incomplete Information and Adverse Selection</i>	188

Contents	ix
10.4.4 <i>Optimum with Incomplete Information and Moral Hazard</i>	188
11 Conclusions	191
11.1 Efficiency and Decentralization	191
11.2 Redistribution and Decentralization	193
11.3 Policy Applications	194
11.3.1 <i>Tax Autonomy of Local Governments</i>	195
11.3.2 <i>Interregional Tax Competition</i>	195
11.3.3 <i>Restructuring of Jurisdictional Boundaries</i>	196
11.3.4 <i>Degree of Higher Governmental Intervention</i>	197
11.3.5 <i>Redistribution Policy within the Regions of a Federal State</i>	198
11.3.6 <i>Redistribution Policy across the Regions of a Federal State</i>	198
11.3.7 <i>Harmonization of Debt and Pension Policies in the EU</i>	199
