The logo for Nova Publishers features the word "nova" in a bold, lowercase serif font. The letter "o" is replaced by a stylized globe showing continents and oceans. To the left of the word "nova" is a decorative graphic consisting of a semi-circle of small, dark dots of varying sizes, arranged in a pattern that suggests a starburst or a cluster of particles. Below the word "nova" is the word "publishers" in a smaller, lowercase serif font. At the bottom of the logo is the text "New York" in an italicized, lowercase serif font.
