CONTENTS

Index of Tables, Figures and Plates Х PART I THE ISSUE OF DARK FACED BURNISHED WARE **CHAPTER 1** FOCUSSING ON A HISTORICAL CONTROVERSY AND THE RESEARCH DESIGN FOR ITS POSSIBLE SOLUTIONS 1.1 Dark Faced Burnished Ware. A Neolithic Pottery Production of Cilicia and Northern Syria 1 1.1.1 The First Recognition of DFBW: its Historic and Cultural Significance 1 1.1.2 The Dark Faced Burnished Ware as seen today 2 The Ceramic Neolithic in the Near East 2 1.2 1.2.1 Regional Relations in the Pottery Neolithic 2 1.2.2 Pottery in the Neolithic Levant 4 1.3 Amuq and Cilicia. Is their a Regional Culture? 5 Theoretical and Methodological Premises 5 1.4 Material Culture as an Active Expression of Social Practice 5 1.4.1 1.4.2 The Recognition of Culturally Significant Attributes in Material Culture 6 The definition of Culture and Society 1.4.3 7 1.4.4 How does Material Culture underline interaction between groups? 8 PART II THE DFBW REGION **CHAPTER 2** MERSIN - YUMUKTEPE 11 2.1 Yumuktepe. The "First" Neolithic Site of Anatolia 11 2.2 The Garstang Excavations. Stratigraphy and Relative Chronology 11 2.2.1The General Stratigraphy of the site 11 2.2.2 DFBW at the Height of its Splendour. Which are the levels? 12 2.3 The Turkish-Italian Excavations. Stratigraphy and Relative Chronology 13 2.4 Architectural Features of the Neolithic Levels 14 2.5 Absolute Chronology 15 2.5.1 Radiocarbon Samples from Mersin 15 2.6 Pottery Analysis 16 2.7 Technical - Technological Classification 17 2.7.1The Influence of Culture on the Techniques of Manufacture 17 2.7.2The Classes 18 2.7.3Broad Vessel Shapes within the Technological Classification 23 2.7.4 Cultural, Technical or Functional Choices? 24 2.8 The Morphological Typology 25 2.8.1 Methodology and Theoretical Issues 25 The "Red" Wares 27 2.8.228 2.8.3 The Dark Burnished Ware - Class 3 2.8.4The Gritty Dark Ware – Class 4 30 2.8.5 The Fine Dark Burnished Ware - Class 5 31 Recapitulation of the Typology of Dark Wares 2.8.6 34 Decoration on the Yumuktepe Pottery 37 2.9 2.10 The Pottery Production of Levels XXXIII - XXVIII 39

2.10.1	The Assemblage Analysed	39
2.10.2	Trench H1	39
2.10.3	Trench F2 – level 3	40
2.10.4	Deep Sounding SA - WA	40
2.11	Garstang's Ceramic Finds and the New Materials. A Comparison and Tentative of Coming u	ıp
2.11	with a Proper Stratigraphical Correlation	41
2.12	Elucidations on the Mersin DFBW	43
2.12	Dark Faced Burnished Ware in the Later Neolithic Levels at Yumuktepe	43
2.13.1	The Appearance of Painted Pottery	41
2.13.2	The Dark Ware from Levels XXV and XXIV	44
2.13.2		
2.13.3	Late Neolithic Transformations of the Dark Ware	44
2.13.5	Considerations on the organisation of production as testified by the Pottery of the Early an	
2,14	Middle Neolithic Levels	45
	Wildle Neonthie Eddels	
CUADEDD 2	A DOLLAROMETRIC ANALYCES OF THE DOTTEDY	
CHAPTER 3	ARCHAEOMETRIC ANALYSES OF THE POTTERY	91
3.1	Science and Archaeology	91 92
3.2	The Analysis. Experimental Methods, Data Processing and Statistical Issues	
3.2.1	Which are the pottery characters that can answer the questions?	92
3.2.2	Experimental Methods: Chemical, Mineralogical and Petrographic Analysis.	92
3.2.3	Sample Choice	93
3.3	Geological Setting	93
3.4	Results	94
3.4.1	Petrographic Analysis	94
3.4.2	X-Ray Powder Diffraction	95
3.4.3	Inductively Coupled Plasma - Atomic Emission Spectrometry (ICP-AES)	99
3.5	Experimentation on the Firing. Reduced or Oxised?	102
3.6	Discussion on the Archaeometric Results	103
CHAPTER 4	THE REST OF CILICIA	
4.1	A Poorly Known Region For Prehistoric Occupation	107
4.2	Tarsus – Gözlükule	107 107
4.2 4.2.1	Tarsus – Gözlükule Women excavating in the 1930s	107 107
4.2	Tarsus – Gözlükule	107
4.2 4.2.1 4.2.2	Tarsus – Gözlükule Women excavating in the 1930s The Pottery Production of Neolithic Gözlükule	107 107
4.2 4.2.1 4.2.2 CHAPTER 5	Tarsus – Gözlükule Women excavating in the 1930s The Pottery Production of Neolithic Gözlükule JUDAIDAH AND THE AMUQ REGION	107 107
4.2 4.2.1 4.2.2 CHAPTER 5 5.1	Tarsus – Gözlükule Women excavating in the 1930s The Pottery Production of Neolithic Gözlükule JUDAIDAH AND THE AMUQ REGION The Oriental Institute of Chicago and Research in the Amuq Plain	107 107 108 111
4.2 4.2.1 4.2.2 CHAPTER 5 5.1 5.1.1	Tarsus – Gözlükule Women excavating in the 1930s The Pottery Production of Neolithic Gözlükule JUDAIDAH AND THE AMUQ REGION The Oriental Institute of Chicago and Research in the Amuq Plain Looking for Monumental Sites	107 107 108
