1. Semantic Paradox 1
   1.1 Three Paradoxes 1
   1.2 Ramsey's Division 3
   1.3 Universality 6
   1.4 The Plan of This Book 8
2. Paradox and Context 10
   2.1 Introduction 10
   2.2 Repetition, Rehabilitation, Iteration 10
   2.3 Context-change and Discourse Analysis 12
   2.4 Context-change and *Repetition* 16
   2.5 The Action of Context on Content 17
   2.6 *Reflective Status* as a Contextual Coordinate 25
   2.7 Four Tests for Context-sensitivity 27
   2.8 A Simple Russell 30
   2.9 A Simple Liar 34
3. Singularities 37
   3.1 Minimality and Singularities 37
   3.2 Reflective Status 40
   3.3 More on Singularities 44
4. Identifying Singularities 51
   4.1 Primary Trees 51
   4.2 Singularities and Semantic Universality 62
   4.3 Comparisons 64
5. Paradoxes of Definability, Russell's Paradox, the Liar 68
   5.1 Paradoxes of Definability 68
      5.1.1 Richard's Paradox 69
      5.1.2 Berry and König 75
   5.2 Russell's Paradox 77
      5.2.1 Sets and Classes 77
      5.2.2 Extensions 85
      5.2.3 Extensions and Paradox 88
   5.3 The Liar Paradox 91
      5.3.1 The Strengthened Liar 91
      5.3.2 More Liars 98
6. A General Theory of Singularities 100
   6.1 Preliminaries 100
      6.1.1 Explicitly Reflective Contexts 100
      6.1.2 Determination Sets and Values 105

6.2 Basic Notions 106
6.3 The 0-expressions 109
6.4 The Reflective Hierarchy 110
6.5 Reflection-free Expressions and Singularities 112
6.6 Higher Levels of the Reflective Hierarchy 117
6.7 Summary 124

7. The Theory at Work 126
7.1 A Transfinite Paradox of Denotation 126
7.2 The Truth-Teller, a Curry Sentence, Loops 128
7.2.1 The Truth-Teller and the Curry Paradox 128
7.2.2 Loops 131
7.3 New Paradoxes without Circularity 133
7.3.1 A Definability Paradox without Circularity 133
7.3.2 A Russell without Circularity 138
7.3.3 Truth Paradoxes without Circularity 141

8. Revenge, I 145
8.1 Forms of Revenge 145
8.2 Kripke's Theory of Truth 147
8.3 Field's Theory of Truth 151
8.3.1 Kripke and Non-classical Logic 151
8.3.2 Field's Theory of Truth 153
8.3.3 Field's Conditional 156
8.3.4 Determinate Truth 159
8.3.5 Field's Theory and Natural Language 164
8.4 Dialetheism and Revenge 173

9. Revenge, II 182
9.1 Contextual Theories and Direct Revenge 182
9.2 Contextual Theories and Second-order Revenge 186
9.3 The Singularity Theory and Revenge 189
9.4 Summary 201

10. Consequences for Deflationism 203
10.1 Deflationary Truth 203
10.2 Deflationism Extended 207
10.3 Deflationism and Semantic Paradox 209
10.4 Three Deflationist Responses 211
10.4.1 Pathology as Meaningless? 211
10.4.2 An Unrestricted Truth Schema? 212
10.4.3 A Restricted Truth Schema? 213
10.5 The Expressive Role of Truth 218
10.6 The Prosentential Theory and Horwich's Minimalism 226
10.6.1 The Prosentential Theory 226
10.6.2 Horwich's Minimalism 227
10.7 Concluding Remarks 232
