

# Contents

Preface . . . . .	I
-------------------	---

## Introduction

Roman Bleier, Helmut W. Klug Discussing Interfaces in Digital Scholarly Editing . . . . .	V
--	---

## Theorizing the Interface

Tara L. Andrews, Joris J. van Zundert What Are You Trying to Say? The Interface as an Integral Element of Argument	3
Wout Dillen The Editor in the Interface: Guiding the User through Texts and Images . .	35
Shane A. McGarry Bridging the Gap: Exploring Interaction Metaphors to Facilitate Alternative Reading Modalities in Digital Scholarly Editions . . . . .	61
Ginestra Ferraro, Anna-Maria Sichani Design as Part of the Plan: Introducing Agile Methodology in Digital Editing Projects . . . . .	83

## The Interface in Practice

Stefan Dumont Interfaces in Digital Scholarly Editions of Letters . . . . .	109
Chiara Di Pietro, Roberto Rosselli Del Turco Between Innovation and Conservation: The Narrow Path of User Interface Design for Digital Scholarly Editions . . . . .	133
Joshua Schäuble, with Hans Walter Gabler Encodings and Visualisations of Text Processes across Document Borders .	165

Elli Bleeker, Aodhán Kelly Interfacing Literary Genesis . . . . .	193
Jeffrey C. Witt Digital Scholarly Editions and API Consuming Applications . . . . .	219
Hugh A. Cayless Critical Editions and the Data Model as Interface . . . . .	249

## Evaluating the Interface

Federico Caria, Brigitte Mathiak A Hybrid Focus Group for the Evaluation of Digital Scholarly Editions of Literary Authors . . . . .	267
Elina Leblanc Design of a Digital Library Interface from a User Perspective, and its Con- sequences for the Design of Digital Scholarly Editions: Findings of the <i>Fonte Gaia</i> Questionnaire . . . . .	287

## Appendix

Biographical Notes . . . . .	319
