

TABLE OF CONTENTS

Preface	9
<i>Chapter I</i>	
THE PLACE OF AGRICULTURE IN THE GENERAL ECONOMY	11
Notes and references	13
<i>Chapter II</i>	
AGRICULTURAL PRODUCTION	15
I. A brief history of agricultural production and policy in China – 1952-1982	15
i) 1953 to 1957: Formation of agricultural producer co-operatives	17
ii) 1958 to 1962: Formation of People's Communes and subsequent decline in agricultural production	17
iii) 1963 to 1965: Recovery of production through policy adjustments	18
iv) 1966 to 1978: Strengthening of the collective economy by the Cultural Revolution	18
v) 1979 to 1982: Transition to private management of agricultural policy of Third CCCP Plenary Session	19
II. Crop Production	21
III. Livestock Production	30
Notes and references	37
<i>Chapter III</i>	
CONDITIONS GOVERNING AGRICULTURAL PRODUCTION	38
I. Agricultural Policy	38
A. Recognition of the production team's right to self-determination	38
B. Changes in the distribution policy and resultant changes in the organisation of production	39
C. Proposed reform of the structure of agriculture	43
D. Price policies	44
II. Agricultural Investment	47
III. Agricultural Inputs	51
A. Irrigation	51
B. Chemical fertilizers	52
C. Agricultural machinery	55
D. Plant breeding	56
Notes and references	58

Chapter IV

OUTLOOK FOR AGRICULTURAL PRODUCTION	59
I. Summary of Basic Conditions	59
II. Agricultural Production under the Sixth Five-Year Plan and the Long-Term Plan	60
Notes and references	63

Chapter V

FOOD CONSUMPTION	64
I. Trends in Food Consumption	64
II. Outlook for food Consumption	68
Notes and references	71

Chapter VI

TRADE IN AGRICULTURAL PRODUCTS	72
I. Agricultural Trade as Part of Overall Trade	72
1. Trade in key agricultural commodities	73
A. Grain	73
a) Wheat	74
b) Maize	75
c) Rice	75
d) Barley	75
e) Soybeans	76
B. Cotton	76
C. Sugar	78
II. Outlook on Future Grain Trade	79
III. Outlook on Agricultural Commodities other than grain	80
A. Oil-bearing crops	82
B. Sugar-bearing crops	82
C. Meat	82
D. Cotton	83

LIST OF TABLES

1. Trends in agricultural production and grain production	16
2. Changes in average annual rate of growth of agricultural production and grain production	16
3. Breakdown of crop land	21
4. Area sown and production of major crops	22
5. Area cropped by grains and total sowings in hectares	23
6. Sown area, yield and production of grains, 1978-83	28
7. Trends in numbers of draught animals	30
8. Livestock production	31
9. Pig raising and meat production	33
10. Trends in slaughter rate	34
11. Trends in amount of meat produced in pig	34
12. Pigs raised by individual farmers	35
13. Farmland development	43
14. Material and labour input per 50kgs of product	45

15.	Increase of procurement prices 1978-82 for key agricultural products	45
16.	Net return per unit area (1/5 hectare)	46
17.	National Budgetary appropriation for agricultural investment	48
18.	Investment in the construction of hydraulic facilities	49
19.	People's communes savings	49
20.	Production and application of chemical fertilizers	52
21.	Share of chemical fertilizer output accounted for by small-scale plants	52
22.	Investment in agro-chemical industry	53
23.	Chemical fertilizer application and grain yields	54
24.	Application of plant nutrients through organic and chemical fertilizer	54
25.	Inventory and production of agricultural machinery	55
26.	Investment in agricultural machinery production	56
27.	Use of cross-bred varieties	57
28.	Agricultural production under the Sixth Five-Year Plan	61
29.	Production targets for key agricultural products in the Sixth Five-Year Plan and the long-term plan	62
30.	Planned growth rates for agricultural products	62
31.	Per capita yearly consumption of key foods	65
32.	Trends in per capita expenditure	65
33.	Average annual rate of increase in per capita expenditure	66
34.	Per capita yearly consumption of key foods in urban and rural areas	66
35.	Trends in food consumption of farmers - annual per capita consumption	67
36.	Food consumption under the Sixth Five-Year Plan and the long term plan	69
37.	Projections of per capita yearly consumption	70
38.	Planned production and production based on consumption projections	70
39.	Agricultural trade as part of China's total foreign trade	72
40.	Long-term grain agreements	73
41.	Grain trade by trading partners	74
42.	Trade in some major agricultural commodities	76
43.	Feed grain utilisation: 1980 to 1982	77
44.	Grain supply and utilisation: 1980 to 1982	77
45.	Grain balance in 1985 to 1990	80
46.	Projection of supply and demand for major agricultural commodities other than grain to 1985 and 1990	81
47.	Projection and consumption of raw cotton and cotton products	83

GRAPHS

Administrative map of China	14
1. Trends in per capita national grain production and supply	20
2. Grain production	23
3. Cotton production	24
4. Production of oil bearing crops	25
5. Production of sugar cane and sugarbeet	26
6. Pig numbers and meat production	32
