<b>Preface</b> . . . . .	v
<b>1. Social security</b> . . . . .	1
The historical problem . . . . .	1
Alternative remedies . . . . .	2
Social security: A definition . . . . .	2
Social insurance . . . . .	3
Social assistance . . . . .	4
Benefits financed by general revenue . . . . .	5
Family benefits . . . . .	5
Provident funds . . . . .	6
Provision made by employers . . . . .	6
Social services . . . . .	7
International labour Conventions . . . . .	8
Relevant Conventions and Recommendations . . . . .	8
The spread of social security . . . . .	9
<b>2. The persons protected</b> . . . . .	11
The aim is total and uniform cover . . . . .	11
The Convention pattern . . . . .	12
The effect of administrative procedures . . . . .	12
Identification . . . . .	12
Concentration on the employed sector . . . . .	13
Other causes of unequal coverage . . . . .	14
Higher paid employees . . . . .	14
Occupational pension plans . . . . .	14
Government and parastatal workers . . . . .	15
Rural areas and agriculture . . . . .	15
<b>3. Some broader aspects of benefit</b> . . . . .	19
The general structure . . . . .	19
The progressive development of benefit groups . . . . .	21

## Introduction to social security

Social insurance and social assistance . . . . .	21
Qualifying conditions . . . . .	22
The level of benefits . . . . .	23
Maintenance of the value of benefits . . . . .	26
<b>4. Medical care . . . . .</b>	<b>27</b>
Medical care benefit . . . . .	27
Medical care systems . . . . .	28
Qualifying conditions and duration of benefit . . . . .	29
Hospitalisation . . . . .	30
Cost sharing . . . . .	30
The situation in developing countries . . . . .	31
The role of social security . . . . .	32
Primary health care . . . . .	33
The role of social security . . . . .	34
The rising cost of medical care under social security . . . . .	34
<b>5. Sickness and maternity benefit. Funeral benefit . . . . .</b>	<b>37</b>
Short-term benefits . . . . .	37
Sickness benefit . . . . .	38
Maternity benefit . . . . .	41
Funeral benefit . . . . .	42
<b>6. Employment injury benefit . . . . .</b>	<b>43</b>
The problem and the principle . . . . .	43
Employers' liability; workmen's compensation . . . . .	44
Full coverage of employers and workers . . . . .	45
Employment injury insurance contingencies and benefits . . . . .	46
The industrial accident . . . . .	46
Occupational diseases . . . . .	47
Medical care . . . . .	48
Interruption of earnings . . . . .	49
Residual loss of faculty . . . . .	49
Survivors' benefit . . . . .	50
Rehabilitation of disabled persons . . . . .	51
Rehabilitation and benefit — a dilemma . . . . .	52
Prevention of employment injury . . . . .	52
<b>7. Old-age benefit . . . . .</b>	<b>55</b>
A variety of provisions . . . . .	55
Development of benefit schemes . . . . .	56
Contingencies and pensionable age . . . . .	56
Retirement . . . . .	57
Normal pensionable age . . . . .	58
Health and employability . . . . .	59
Length of service . . . . .	60
Voluntary early retirement . . . . .	60

Deferred retirement . . . . .	60
Progressive retirement . . . . .	61
Qualifying periods . . . . .	62
Benefit . . . . .	63
Maintenance of the value of the pension . . . . .	64
Some demographic considerations . . . . .	65
<b>8. Survivors' benefit . . . . .</b>	<b>67</b>
Dependency and the family . . . . .	67
Qualifying periods . . . . .	68
The widow beneficiary . . . . .	68
The child beneficiary . . . . .	70
The rates of benefit . . . . .	71
Other beneficiaries . . . . .	71
<b>9. Invalidity benefit . . . . .</b>	<b>73</b>
Affinity between sickness, invalidity and old age . . . . .	73
Definition of invalidity . . . . .	74
Assessment of invalidity . . . . .	76
Qualifying periods . . . . .	77
Benefits . . . . .	78
Rehabilitation . . . . .	80
<b>10. Unemployment benefit . . . . .</b>	<b>83</b>
The contingency . . . . .	83
Forerunners . . . . .	83
Variety of national approaches . . . . .	85
Who is protected? . . . . .	86
Conditions for payment of benefit . . . . .	87
Qualifying period . . . . .	87
"Leaving voluntarily" . . . . .	88
Misconduct . . . . .	88
Industrial action . . . . .	88
"Capable, available and willing" . . . . .	89
Suitability of job . . . . .	90
Benefit rates and duration . . . . .	91
Functions of an employment exchange service . . . . .	92
Recent trends and problems . . . . .	92
Developing countries . . . . .	94
<b>11. Family benefit . . . . .</b>	<b>95</b>
Wages and families . . . . .	95
The ILO and family benefit . . . . .	96
Employment-related family allowances . . . . .	97
Public service family allowances . . . . .	97
Composition of the family . . . . .	98
Children . . . . .	98

## Introduction to social security

Adults . . . . .	99
Income tax . . . . .	99
Other family benefits . . . . .	100
Benefits in kind . . . . .	102
Rate of allowances: Some comparisons . . . . .	102
<b>12. Financing of social security schemes . . . . .</b>	<b>105</b>
Ends and means . . . . .	105
Factors affecting the cost and its trend . . . . .	106
Short-term benefits . . . . .	106
Long-term benefits . . . . .	108
Normal pensionable age . . . . .	109
Methodical raising of resources . . . . .	110
Annual assessment system . . . . .	110
Assessment of constituent capitals system . . . . .	112
Systems of capital accumulation . . . . .	112
General average premium . . . . .	113
Scaled premium system . . . . .	114
Distribution among population sectors . . . . .	115
Tripartite financing . . . . .	115
Financing by the State and by employers . . . . .	117
Statistical comparison . . . . .	118
Methods of fixing contributions . . . . .	118
Investment of reserve funds . . . . .	120
Actuarial valuations . . . . .	121
<b>13. Social security and the national economy . . . . .</b>	<b>123</b>
A personal service and its repercussions . . . . .	123
Social security and economic development . . . . .	123
Social security and social development . . . . .	126
Social security and income redistribution . . . . .	127
The effect of social security contributions . . . . .	129
Effect on consumption . . . . .	129
Effect on production, wages and employment . . . . .	130
Social security, savings and investment . . . . .	131
Social security in times of economic pressure . . . . .	134
<b>14. Administration of social security . . . . .</b>	<b>137</b>
Administrative structures . . . . .	137
Collection and recording of contributions . . . . .	138
Administering social security — the view from the top . . . . .	139
Policy formation . . . . .	139
Top direction . . . . .	140
Headquarters organisation . . . . .	142
Administering social security at the local level . . . . .	143
The local office . . . . .	143
Medical benefits . . . . .	145

Compliance . . . . .	145
Unemployment benefit . . . . .	146
Co-ordination and communication within a unified administration . . . . .	146
Staff aspects . . . . .	147
Management aspects . . . . .	147
Contributions aspects . . . . .	147
Benefit aspects . . . . .	148
Assistance schemes, public service or universal schemes . . . . .	148
Appeals; automation . . . . .	149
<b>15. Special arrangements for migrant workers . . . . .</b>	<b>151</b>
Across the frontiers . . . . .	151
Basic principles of social security for migrant workers . . . . .	152
Equality of treatment . . . . .	153
Determination of the applicable legislation . . . . .	154
Maintenance of acquired rights . . . . .	155
Maintenance of rights in course of acquisition . . . . .	156
Payment of benefits abroad . . . . .	158
Extension of scope . . . . .	159
International and multilateral co-ordination of social security . . . . .	160
<b>16. The role of the ILO in social security . . . . .</b>	<b>163</b>
The ILO and social security . . . . .	163
The setting of standards . . . . .	164
Studies and research . . . . .	165
Policy and standards . . . . .	166
Specific subjects . . . . .	166
Training-oriented publications . . . . .	167
Dissemination of information . . . . .	168
Workers' education . . . . .	168
Technical co-operation . . . . .	168
United Nations Development Programme . . . . .	169
Regular programme . . . . .	169
Multi-bilateral and trust funds . . . . .	170
Operating technical assistance . . . . .	170
Expert advice . . . . .	170
Fellowships . . . . .	171
Seminars and training courses . . . . .	172
The scope of technical assistance . . . . .	172
Co-operation with the International Social Security Association . . . . .	173
Co-operation with the Inter-American Committee on Social Security . . . . .	174
Social security organisation in Africa . . . . .	174
<b>Appendix 1. The Social Security (Minimum Standards) Convention, 1952 (No. 102), of the ILO . . . . .</b>	<b>177</b>
General . . . . .	177
Minimum standards for coverage of protected persons . . . . .	178

## Introduction to social security

Minimum standards for determining rates of benefit . . . . .	179
Minimum standards for medical care . . . . .	179
Qualifying periods . . . . .	180
Duration of benefit . . . . .	180
Miscellaneous matters . . . . .	181
<b>Appendix 2. Suggestions for further reading . . . . .</b>	<b>182</b>
Publications of the International Labour Office . . . . .	182
Publications of the International Social Security Association . . . . .	182
Other publications . . . . .	183

## List of Tables

Table 1. Number of countries with social security programmes throughout the world in 1949, 1967 and 1981 . . . . .	10
Table 2. Normal pensionable age for men in the member countries of the OECD and in selected countries in the early 1980s . . . . .	59
Table 3. Total social security benefit and unemployment benefit expenditure in selected countries, 1971 to 1977 (in millions of national currency units and indices 1971 = 100) . . . . .	93
Table 4. Progressive rates of family allowances (universal coverage schemes) in selected countries in 1981 . . . . .	103
Table 5. Average value of allowances per child in the family (universal coverage schemes) in selected countries in 1981 . . . . .	103
Table 6. Comparative expectation of life of males in selected countries at various reference years between 1960 and 1980 (in years) . . . . .	110
Table 7. Changing profile of populations, by broad age groups, in Europe and North America (distribution per 1,000 of population) . . . . .	110
Table 8. Receipts of social security systems of selected countries in 1977 distributed according to origin and expressed as percentages of gross domestic product . . . . .	119
Table 9. Receipts, expenditure and benefits under social security schemes expressed as a percentage of gross domestic product at purchaser's value . . . . .	125
Table 10. Savings from social security expressed as a percentage of national savings in selected industrialised and developing countries in 1977 (in millions of national currency) . . . . .	132
