

Introduction

Chapter 1. Historiographical essay

- 1.1. Basic concepts of the cultural - chronological development of Ukrainian Neolithic
- 1.2. Neolithization in Ukraine: basic concepts

Chapter 2. The main stratified Neolithic settlements of Ukraine

- 2.1. The Azov Sea area
- 2.2. The Steppe Dnieper region
- 2.3. The Forrest-Steppe Dnieper region
- 2.4. The Desna region
- 2.5. The South-East Ukrainian Woodlands
- 2.6. The Southern Bug region

Chapter 3. Chronology and periodization of the Neolithic cultures

- 3.1. The Bugo-Dniestrovskaya culture
- 3.2. The Mariupolskaya cultural - historical area
 - 3.2.1. The Azovo-Dnieprovskaya culture
 - 3.2.2. The Nizhnedonskaya culture
- 3.3. The Surskaya culture
- 3.4. The Linear Pottery Culture
- 3.5. The Dniepro-Donetskaya cultural - historical area
 - 3.5.1. The Kievo-Cherkasskaya culture
 - 3.5.2. The Volynskaya culture
 - 3.5.3. The Lisogubovskaya culture
 - 3.5.4. The Donetskaya culture
- 3.6. The Pit-Comb Ware Culture
- 3.7. Synchronization of the Neolithic cultures

Chapter 4. Neolithic agriculture of Ukraine

- 4.1. Natural-climatic conditions of Ukraine in the Neolithic
- 4.2. Agriculture evidence
 - 4.2.1. The Bugo-Dniestrovskaya culture
 - 4.2.2. The Surskaya culture
 - 4.2.3. The Mariupolskaya cultural - historical area
 - 4.2.4. The Linear Pottery Culture
 - 4.2.5. The Dniepro-Donetskaya cultural - historical area
 - 4.2.6. The Pit-Comb Ware Culture
- 4.3. Species of cultivated plants and the time of their appearance in Ukraine
- 4.4. Characteristic of the Neolithic agriculture
 - 4.4.1. Hoe agriculture of the Forrest-Steppe zone
 - 4.4.2. Hoe agriculture of the Steppe zone
 - 4.4.3. Slash-and-burn agriculture

Chapter 5. Animal husbandry of the Neolithic population of Ukraine

- 5.1. Animal husbandry evidence
 - 5.1.1. The Bugo-Dniestrovskaya culture
 - 5.1.2. The Surskaya culture
 - 5.1.3. The Nizhnedonskaya culture
 - 5.1.4. The Azovo-Dneprovskaya culture
 - 5.1.5. The Linear Pottery Culture
 - 5.1.6. The Dniepro-Donetskaya cultural - historical area
 - 5.1.7. The Pit-Comb Ware Culture
- 5.2. Time of appearance of domestic animals in Ukraine

- 5.3. Problem of domestication and borrowing of the first domestic animals in Ukraine
- 5.4. Contribution of animal husbandry in life-maintenance
- 5.5. Variants of herd structure
- 5.6. Varieties of the Neolithic animal husbandry

Chapter 6. Food-gathering branches of economy

- 6.1. Hunting
 - 6.1.1. Contribution to subsistence, objects and implements of hunting
 - 6.1.2. Main objects of hunting activity and possible specialization of the latter
- 6.2. Fishing
 - 6.2.1. Fish species
 - 6.2.2. Methods of fishery
- 6.3. Food-gathering

Chapter 7. Neolithization in Ukraine

- 7.1. Early Neolithic of the Balkan-Carpathian Region
- 7.2. Early Neolithic of the South of European part of Russia
 - 7.2.1. The Neolithic cultures
 - 7.2.2. Neolithization of the South of European part of Russia
- 7.3. Neolithization in Ukraine

Conclusion

- Appendix 1.** Kotova N.S., Kovalyukh N.N. The catalogue of the radiocarbon dates of Neolithic monuments of Ukraine
- Appendix 2.** Kotova N.S., Pashkevich G.A. The catalogue of imprints of the cultural plants on the ceramics of the Neolithic cultures of Ukraine
- Appendix 3.** Zhuravlyev O.P., Kotova N.S. The catalogue of the fauna materials of Neolithic sites of Ukraine
