F. RIEDE & M. TALLAVAARA

1. The Lateglacial and postglacial pioneer colonisation of northern Europe – an introduction.....3

M.F. MORTENSEN, J. OLSEN, J. HOLM & C. CHRISTENSEN

2. Right time, right place  
– dating the Havelte phase in Slotseng, Denmark..... 11

K.B. PEDERSEN

3. On dating the Late Palaeolithic – a comment.....23

F. RIEDE

4. Success and failure during the Lateglacial pioneer human re-colonisation of southern Scandinavia.....33

I. SOBKOWIAK-TABAKA

5. The recolonisation of the Polish Lowland  
– new ideas and discoveries.....53

K. PYŻEWICZ, W. MIGAL & W. GRUŹDŹ

6. Magdalenian blade technology from the north-eastern European perspective.....67

P. GUSTAFSSON

7. It is not all about quartz  
– raw material use as a mean to understand colonization processes during early post glacial time in Eastern Central Sweden.....79

F. MOLIN, G. GRUBER & L. HAGBERG

8. Motala – a North European Focal Point?.....91

M. PETTERSSON & R. WIKELL

9. Where sky and sea are one. Close encounters with early seafarers and seal-hunters off the Swedish Baltic coast.....103

J.I. KLEPPE

10. Desolate landscapes or shifting landscapes?  
Late glacial/early post-glacial settlement of northernmost Norway in the light of new data from Eastern Finnmark.....121

J. KANKAANPÄÄ & T. RANKAMA	
11. Fast or Slow Pioneers? A View from Northern Lapland.....	147
M. TALLAVAARA, M.A. MANNINEN, P. PESONEN & E. HERTELL	
12. Radiocarbon dates and postglacial colonisation dynamics in eastern Fennoscandia.....	161
P. PESONEN, E. HERTELL, L. SIMPONEN, K. MANNERMAA, M.A. MANNINEN, T. ROSTEDT, N. TAIPALE & M. TALLAVAARA	
13. Postglacial pioneer settlement in the Lake Sarvinki area, eastern Finland.....	176
H. TAKALA	
14. Recent Archaeological Research in the Northern Parts of the Lake Ladoga Region in Karelia, Russia.....	193
