LIST OF ILLUSTRATIONS	7
1 THE INDUSTRY OF INDUSTRIES	11
Development of the motor vehicle — defining the industry — classes, makes and models — growth — economic position — geography of the industry	
2 THE PRODUCTION PROCESS AND THE PLANT	32
Contemporary production process—innovations in produc- tion methods — motor manufacturing plants — the multi- plant corporation	
3 MARKETING THE MOTOR VEHICLE	56
Promotion by the pioneers — adoption of the automobile — the necessary infrastructure — characteristics of demand — structure of the motor vehicle market — organisation of marketing — geographical aspects of markets	
4 ECONOMICS AND MANAGEMENT OF THE AUTOMOTIVE INDUSTRY	79
Elements of the cost structure — scale of operations — con- centration in the industry — management — government and the motor industry	
5 ELEMENTS IN THE LOCATION OF MOTOR VEHICLE PRODUCTION	108
Locational decision making — location factors — location theory — case studies of location selection	
6 INDUSTRIAL CORES AND THE PERIPHERY	142
The world pattern — core regions — measures of regional concentration — diffusion of automotive manufacturing — implications of the development process	

7	NORTH AMERICA	158
	The Great Lakes region — motor assembly in the rest of North America	
8	WESTERN EUROPE	182
	France — Germany — Britain — Italy — Belgium — Northern Europe — Southern Europe	
9	JAPAN	226
10	SOVIET UNION AND EASTERN EUROPE	235
11	LATIN AMERICA	245
	Brazil — Argentina — Mexico — Venezuela — Peru — Colombia — Chile — Uruguay and others	
12	AUSTRALIA, NEW ZEALAND AND SOUTH AFRICA	255
13	THE UNDERDEVELOPED PERIPHERY	265
	Asia and Africa (excluding Japan and South Africa) — other fringe areas	
14	THE INTERNATIONAL MOTOR CORPORATION	280
	General survey — Ford Motor Company — Fiat SpA — Daimler-Benz AG	
15	TRADE AND TRENDS	313
	Growth of world automotive trade — characteristics of trade — direction of trade — some implications of trade patterns — trends since the oil crisis	
	GLOSSARY	335
	NOTES AND SOURCES	337
	APPENDICES: 1 Motor Vehicle Production by Company 1973	356
	2 Motor Vehicle Output by Country 1973	359
	3 Largest Motor Vehicle Markets	361
	ACKNOWLEDGEMENTS	363
	INDEX	365
