Introduction	3
1. Toward a Contextual Psychology of Later Life	13
<i>A Tripartite Understanding of Contexts in Psychological Aging:</i>	
<i>Foundational Concepts From Human Developmental Research</i>	14
<i>A Tripartite Contextual Approach: Lifespan Developmental Context</i>	19
<i>A Tripartite Contextual Approach: Social–Physical–Technological Context</i>	27
<i>A Tripartite Contextual Approach: Historical–Cultural Context</i>	29
<i>Additional Key Issues of Psychological Aging Research</i>	29
<i>Some Methodological Issues</i>	31
2. Normal Cognitive Development Into Old Age and Competencies in Everyday Life	37
<i>Theoretical Perspectives</i>	38
<i>Empirical Findings</i>	42
<i>Toward a Broader View: Cognitive Aging in Relation to Other Systems</i>	49
<i>The Tripartite Contextual Approach in Cognitive Aging</i>	53
<i>Conclusion</i>	57
<i>Dialogue With Dr. Walter Boot</i>	58
3. Personality Development in Adulthood and Aging	61
<i>Defining Personality</i>	62
<i>Major Theoretical Approaches to Adult Personality</i>	63
<i>Key Issues and Findings Regarding Adult Personality Development</i>	70
<i>The Tripartite Contextual Approach in Adult Personality Development</i>	79
<i>Conclusion</i>	85
<i>Dialogue With Dr. Patrick L. Hill</i>	86

4. Motivation, Emotion, and Well-Being in Later Life	91
<i>What Are Individuals' Motivational and Emotional Needs as They Grow Old?</i>	92
<i>The Need for a Multifaceted Approach to Well-Being in Later Life</i>	95
<i>Empirical Findings on Well-Being in Later Life: A Multidimensional and Multidirectional View and a Paradox</i>	98
<i>Explaining Paradoxes of Well-Being in Old Age: The Power of Developmental Regulation</i>	103
<i>The Tripartite Contextual Approach in Motivation, Emotion, and Well-Being in Old Age</i>	107
<i>Conclusion</i>	111
<i>Dialogue With Dr. Susanne Scheibe</i>	112
5. Subjective Awareness of Aging Processes and Self-Perceptions of Aging	117
<i>Major Concepts in Subjective Aging Research</i>	118
<i>Review of Study Findings</i>	128
<i>The Tripartite Contextual Approach in Subjective Aging Research</i>	139
<i>Conclusion</i>	147
<i>Dialogue With Dr. Dana Kotter-Grühn</i>	148
6. Risks and Potentials of Adult Development and Aging: Understanding the Challenges and Opportunities of Successful Aging	153
<i>Developmental Challenges in Midlife Versus Old Age</i>	154
<i>Opportunities of Adult Development and Aging</i>	162
<i>The Tripartite Contextual Approach in Successful Aging</i>	169
<i>Conclusion</i>	177
<i>Dialogue With Dr. Gerben Westerhof</i>	178
7. Behavioral Interventions in Adult Development and Aging	181
<i>Enduring Questions in Behavioral Intervention Research in Aging</i>	182
<i>Cognitive Interventions</i>	183
<i>Psychotherapeutic Interventions</i>	191
<i>Changing Older Adults' Health Behavior via Engagement in Physical Activity</i>	196
<i>Intervention and Prevention: The Need for a Synergistic View</i>	200
<i>How Can Change Due to Behavioral Interventions Be Maintained?</i>	201
<i>The Tripartite Contextual Approach in Behavioral Intervention Research</i>	202
<i>Conclusion</i>	207
<i>Dialogue With Dr. Silvia Sörensen</i>	208
8. Putting Behavioral Aging Research in Context: A Critical Review and Remaining Challenges	211
<i>Can Individuals Control Their Own Development and Aging?</i>	212
<i>Multidimensionality and Multidirectionality of Adult Development and Aging</i>	213
<i>Plasticity of Human Aging and Its Limitations</i>	214
<i>The Role of a Tripartite Contextual Approach in Adult Development and Aging</i>	215
<i>A Look at Aging in the Future: The Role of Psychological Aging Research</i>	218
