List of Abbreviations ix
Contributors xiii

SECTION 1

Introduction

- 1.1 Introduction 3
Elizabeth J. Price and Anwar R. Tappuni
 - 1.2 Historical background, classification, and diagnostic criteria 5
Caroline H. Shiboski and Troy E. Daniels
 - 1.3 Epidemiology and genetics of Sjögren's syndrome 13
Simon J. Bowman
-

SECTION 2

Basic science

- 2.1 Biomarkers in primary Sjögren's syndrome 25
Onorina Berardicurti, Charlotte G. Smith, Roberto Giacomelli, Elizabeth J. Price, and Francesca Barone
 - 2.2 Autoantibodies and autoantigens in Sjögren's syndrome 33
Aurélie Ambrosi, Albin Björk, and Marie Wahren-Herlenius
 - 2.3 Stromal cells in Sjögren's syndrome 45
Saba Nayar, Serena Colafrancesco, and Francesca Barone
-

SECTION 3

Diagnostic investigations

- 3.1 Clinical assessment of salivary glands function 53
Anwar R. Tappuni

- 3.2 Salivary gland biopsy—procedure and histopathology 57
Benjamin Fisher

- 3.3 Imaging in Sjögren's syndrome 61
Ashok Adams
-

SECTION 4

Head and neck manifestations and clinical management

- 4.1 Salivary gland manifestations and management 75
Emily Carter
 - 4.2 Oral manifestations and management 81
Anwar R. Tappuni
 - 4.3 Dental-related disease 87
Jennifer Fuller and Shakeel Shahdad
-

SECTION 5

Ocular manifestations and management

- 5.1 Ocular manifestations of Sjögren's syndrome 97
Nicola Kelly, Pasquale Aragona, Maurizio Rolando, and Francisco C. Figueiredo
- 5.2 A therapeutic strategy for Sjögren's syndrome dry eye 109
Maurizio Rolando, Nicola Kelly, Francisco C. Figueiredo, and Pasquale Aragona

SECTION 6

Systemic manifestations

- 6.1 **Cutaneous involvement and management of Sjögren's syndrome** 125
Thomas J. Tull, Emma Benton, and David D'Cruz
- 6.2 **Musculoskeletal disease—presentation and management** 131
Elizabeth J. Price
- 6.3 **Renal involvement in primary Sjögren's syndrome** 137
Rhys D. R. Evans and Stephen B. Walsh
- 6.4 **Gastrointestinal disease in Sjögren's syndrome** 147
Elizabeth J. Price
- 6.5 **Neurological complications of Sjögren's syndrome** 153
Aravind Ganesh, Shane Lyons, and Gabriel Yiin
- 6.6 **Cardiovascular and lung manifestations of Sjögren's syndrome** 167
Sara Carty
- 6.7 **Haematological manifestations of Sjögren's syndrome** 175
Su-Ann Yeoh and Coziana Ciurtin
- 6.8 **Fatigue in Sjögren's syndrome** 181
Su-Ann Yeoh and Coziana Ciurtin
- 6.9 **Nonpharmacological interventions for the management of fatigue and constitutional symptoms in Sjögren's syndrome** 189
Katie L. Hackett and Helen Cartner
- 6.10 **Gynaecologic and obstetric aspects in Sjögren's syndrome** 197
Roberta Priori, Antonina Minniti, and Serena Colafrancesco

- 6.11 **Sjögren's syndrome-associated lymphoma** 205
Saad M. B. Rassam

SECTION 7

Juvenile and young adult

- 7.1 **Juvenile- and young adult-onset Sjögren's syndrome** 223
William D. Renton, Elizabeth J. Price, and A.V. Ramanan

SECTION 8

Sjögren's mimics and overlaps

- 8.1 **Mimics of Sjögren's syndrome** 229
Nurhan Sutcliffe
- 8.2 **Sjögren's syndrome overlaps** 235
Arabella Waller and Nurhan Sutcliffe

SECTION 9

Experimental treatments, emerging therapies, and the future

- 9.1 **Experimental therapies in primary Sjögren's syndrome** 243
Benjamin Fisher
- 9.2 **Sjögren's syndrome—summary of clinical management** 255
Elizabeth J. Price and Alan N. Baer
