### INTRODUCTION:

### SPATIAL ORGANISATION AND SETTLEMENT PATTERNS

1. RESEARCH TOPIC	1
2. QUESTIONS ADDRESSED IN THE LITERATURE	3
2.i. Distribution of Settlement in the Region	3
a. Sedentism versus mobility	4
b. Village: site and resources	6
c. Campsites	7
Resources	7
Personnel	8
Pottery and ethnicity	9
2.ii. Intra-village Spatial Organisation	10
a. Kinship and dwellings	10
b. Unit of analysis: house or household?	11
c. Function of a dwelling: social or material?	11
d. Dwellings and population estimates	13
2.iii. Individual Structures	15
a. House design and sedentism	15
b. Social organisation	16
c. Technology and construction	17
3. ISSUES RELEVANT TO THE PRESENT STUDY	17
3.i. Macro-level: Regional Distribution of Village Camps	17
3.ii. Micro-level: Intra-village Spatial Organisation, and Individual Structures	19
4. COMMENT ON THE FIELDWORK	22
5. THE PLAN	24

## **CHAPTER ONE**

<b><u>THE AREA AND THE PEOPLE</u></b>	26
1. THE AREA	27
1.i. Sudan: the Country, Climate, and Population	27
1.ii. Darfur Province	29
1.iii. Kebkebiya District	31
2. THE PEOPLE	32
2.i. Zaghawa Society	32
2.ii. Zaghawa Blacksmiths: Subsistence and Craft Economies	34
a. Agriculture	36
b. Animals	39
c. Crafts	41
Blacksmithing	41
Leatherworking	44
Pottery manufacture	46
d. Alternative economic activity	51
3. SUMMARY	52

## **CHAPTER TWO**

<b><u>SEASONAL SETTLEMENT AND CERAMIC PRODUCTION</u></b>	53
Types of Seasonal Settlement	54
1. POTTERY PRODUCTION AND ETHNICITY	56
1.i. Pottery, Ethnicity, and Migration	57
1.ii. Ethnicity of Potters in relation to Host Population	58
1.iii. Ethnic Identity and System of Pottery Production	59
1.iv. Pottery Technology, Manufacture and Firing	62
a. The technique	62
b. Tools used in pottery making	63
c. Fabric and filler	65
d. Surface decoration	65
1.v. Pottery as a Means of Determining Ethnic Identity	67
2. LOCATION OF POTTERY-MAKING CAMPS IN THE REGION	69
2.i. Market Centres and Pottery Manufacture	69
2.ii. Camp Position in relation to Settlement	74
2.iii. Summary	78

3. INFORMATION NETWORKS AND CAMP PERSONNEL	79
3.i. Camp Personnel	80
4. THE ARCHAEOLOGIST AND THE POTTERY CAMP	85
4.i. Pottery and Ethnic Identity	85
4.ii. Pottery Distribution	86
4.iii. Camp Site	88
The abandonment of Kebkebiya camp 1984	90
5. SUMMARY	93

### **CHAPTER THREE**

<b><u>VILLAGE SETTLEMENT</u></b>	95
1. KIREYKA VILLAGE IN REGIONAL CONTEXT	97
1.i. Resources	97
1.ii. History of the Village's Formation	100
a. 1960's migration to Kireyka	100
b. 1980's migration away from Kireyka	101
2. DEFINITION OF TERMS USED IN THE TEXT	102
2.i. Definition of Terms	102
a. The house	102
b. The compound	103
c. The occupants	103
2.ii. The numbering system	106
3. STRUCTURES WITHIN KIREYKA VILLAGE	110
3.i. Population of the Village	110
3.ii. Effect of Kinship on Settlement	111
Main sibling relationships	111
a. Sibling ties	112
b. Woman and offspring	112
c. Polygamous marriage	113
3.iii. Abandoned Dwellings	119
3.iv. Compound Formation in 1974	124
Summary	126
4. BUILDING TECHNIQUES AND ARCHAEOLOGICAL REMAINS	127
4.i. Dwelling Construction	129
a. Materials	129
b. House and compound construction	130
c. Roof building	132

4.ii. Patterns of Decay	133
4.iii. Visible Remains	134
a. Houses and compounds	134
b. Artefacts and features	140
5. SUMMARY	141

## **CHAPTER FOUR**

<b><u>LIFE CYCLE AND DOMESTIC STRUCTURES</u></b>	144
1. FAMILY ORGANISATION AND LIFE CYCLE	145
Material Culture Changes that Occur at Different Stages.	145
1.i. Birth	145
1.ii. Childhood	146
1.iii. MARRIAGE: Stages of Marriage	147
The Bride-price	148
Payment of two thirds of bride-price	148
Payment of 5/6ths bride price	149
Payment of the full bride-price	150
1.iv. Maturity, Menopause, and Old Age	150
1.v. Death and Associated Beliefs	152
2. DIVISIONS OF THE VILLAGE INHABITANTS	153
3. THE RELATIONSHIP OF STRUCTURES TO THE SOCIAL UNIT	156
3.i. Daily activity in relationship to village space	156
a. Proscriptions	157
b. Division of space in a compound	158
3.ii. Compounds	161
a. Compound shape	161
b. Compound size	164
c. Compound modification	165
d. Summary	168
3.iii. Houses	169
a. House size and function	170
b. Bride houses	174
3.iv. House contents as an indicator of life cycle	178
a. The Hearth	178
b. Grindstone	183
c. Granaries	185
d. Beds	187
e. Wall Decoration	190
4. ARCHAEOLOGICAL IMPLICATIONS OF THE DATA	192
4.i. Fixtures and Fittings of Abandoned but Standing Houses	192
5. SUMMARY	197

## **CHAPTER FIVE**

<b><u>MOBILITY, STABILITY, AND FLUIDITY</u></b>	201
1. FACTORS AFFECTING CAMP LOCATION	201
i. Camp Location within the Region	202
ii. Camp location in relation to a Settled Community	204
2. INDIVIDUAL MOBILITY versus GROUP STABILITY	205
i. Long-distance endogamy	206
ii. Group Fluidity	206
iii. Village Fission	208
3. MATERIAL CULTURE AS AN INDEX OF LIFE CYCLE	209
i. Residence, Mobility, and Life Cycle	209
ii. Artefacts as an Index of Change	213
4. IMPLICATIONS OF THE DATA FOR ARCHAEOLOGY	215
4.i. Macro-level: Archaeological Analysis of Pottery	215
a. The study of pottery	215
b. The production site	217
c. The potters	218
4.ii. Micro-level	220
a. Effect of Mobility on Population Estimates	220
Intra-village mobility	221
Population estimates based on the single residential unit	222
b. Round houses: an index of sedentism or mobility	223
c. Dwellings as an index of social organisation	224
5. SUMMARY	225

## APPENDIX

### Appendix A: SEASONAL SETTLEMENT

1. POSITION OF POTTERY-MAKING CAMPS RELATIVE TO THE HOST SETTLEMENT	227
i. Primary Centres	227
ii. Secondary Centres	228
iii. Tertiary Centres	229
iv. Quaternary Centres	231
2. CONSTRUCTION OF SHELTERS (KEBKEBIYA CAMP)	232
i. Typology of shelters	232
ii. Interior features	232
3. CAMP ABANDONMENT AT KEBKEBIYA	234

### Appendix B: PERMANENT SETTLEMENT

1. FACTORS AFFECTING SETTLEMENT WITHIN THE VILLAGE	238
i. Kinship relating to occupied and abandoned compounds	238
ii. Kinship of past occupants of ruined house sites	241

### Appendix C: LIFE CYCLE

1. BIRTH	244
2. 'COMING OUT' CEREMONY	245
- note on material culture and ritual	246
3. MARRIAGE	247
i. Animals and artefacts used during the marriage agreement	247
ii. 6 - 8 <u>tenaiya</u> celebration (2/3 paid)	247
iii. 10 <u>tenaiya</u> paid (5/6 paid)	248
4. DEATH	249
i. at a village	249
ii. at a pottery making camp	249
