Foreword – Stone Age parallel societies?	7
Florian Klimscha, Marion Heumüller, Daan C. M. Raemaekers, Hans Peeters and Thomas Terberger	
<i>Grenzgänger, traders and the last hunter-gatherers of the North European Plain</i>	
Some remarks on the origin of Mesolithic pottery in northwestern Europe	11
Erwin Cziesla	
Wetlands settlements and a wooden trackway: Swifterbant sites in the Dümmer basin	25
Marion Heumüller, Mirjam Briel, Florian Klimscha, Andreas Kotula, Hanns Hubert Leuschner, Reinhold Schoon and Tanja Zerl	
Neolithic colonization of the southwestern Dümmer basin (NW Germany) – evidence from palaeobotanical data	45
Andreas Bauerochse and Hanns Hubert Leuschner	
Lipid residue analysis of ceramics from Hüde I (Lower Saxony, Germany): New data to understand the transition to farming	61
Özge Demirci, Alexandre Lucquin, Florian Klimscha, Oliver E. Craig and Daan C. M. Raemaekers	
Two new Swifterbant settlements at Nieuwegein-Het Klooster, the Netherlands: preliminary site interpretation and overview of human remains	85
Helle M. Molthof and Steffen Baetsen	
Niedernstöcken – a settlement of the Linear Pottery culture beyond the loess border in the land of hunters and gatherers	99
Klaus Gerken, Andreas Kotula, Clemens Ludwig, Hildegard Nelson and Alexandra Philippi	
Going north... The Middle Neolithic settlement of Nottuln-Uphoven (Westphalia) and the start of the neolithisation in the lowlands	123
Christian Hülsebusch and Albrecht Jockenhövel	
Early and Middle Neolithic hoards in the area of the northern Mesolithic	135
Michael Müller and Michael Schirren	
Unexpected dimensions of a Swifterbant settlement at Medel-De Roeskamp (the Netherlands)	159
Theo J. ten Anscher and Sebastiaan Knippenberg	
Swifterbant and the Late Mesolithic in Westphalia	177
Bernhard Stapel	
Foraging in a changing landscape – the Late Mesolithic in the coastal area of Lower Saxony	185
Svea Mahlstedt, Martina Karle and Jan F. Kegler	
The Late Mesolithic in Hamburg-Boberg: inter-cultural interactions and impacts	195
Laura Thielen	
Hunter-gatherer pottery from the Baltic Sea coast – some regional examples from Schleswig-Holstein	211
Sönke Hartz	

Paths of innovation – the site Dąbki, Poland, and the early forager pottery in the Baltic Sea region	225
Andreas Kotula	
Long distance contacts in the area of the north European plain: The Late Mesolithic and Early Neolithic in Poland and its relations to neighbouring cultures	249
Jacek Kabaciński and Agnieszka Czekaj-Zastawny	
Crosstown traffic: contemplating mobility, interaction and migration among foragers and early farmers	263
Daniela Hofmann, Hans Peeters and Ann-Katrin Meyer	
<i>Changing Worlds – The Spread of the Neolithic Way of Life in the North</i>	
A singularity in continuity? The transition to farming in northwest Europe (c. 5,000 – 3,500 calBC) re-examined from the perspective of multiculturalism	297
Daan C. M. Raemaekers	
A view from Doggerland – interpreting the Mesolithic-Neolithic transition in the wetlands of the Rhine-Meuse delta (5,500 – 2,500 calBC)	311
Luc Amkreutz	
Supra-regional contacts and the earliest metallurgy in southern Scandinavia during the Mesolithic-Neolithic transition	327
Anne Birgitte Gebauer and Lasse Sørensen	
A biological view on neolithisation	343
Walter Dörfler	
A long lasting transformation: northern Late Mesolithic/Early Neolithic multi-dimensional developments (c. 4,750 – 3,800 BCE)	359
Johannes Müller	
A longue durée perspective on technical innovations in the Late Mesolithic and Early Neolithic of the North European Plain	377
Florian Klimscha and Daniel Neumann	
The Schöningen group and the cultural development around 4,000 calBC	403
Alexandra Philippi	
Some remarks on the expansion of the Younger Neolithic causewayed enclosure phenomenon towards northern Germany	417
Benedikt Knoche	
Subsistence change? Diversification of plant economy during the Neolithic in northern Germany	435
Wibke Kirleis	
Neolithic landscape under the bog – new investigations in the Ahlen-Falkenberger Moor, dist. Cuxhaven, Germany	455
Anja Behrens, Moritz Mennenga, Steffen Wolters and Martina Karle	
List of authors	469
