Contents

One/**Introduction**† 1

Malcolm L. Diamond/**The challenge of contemporary empiricism,** *3*

The goals and techniques of logical positivism, *5*

The difficulties of verification and its reformulations, *22*

From positivism to analysis, *31*

Theology and analysis, *43*

Two/**The elimination of metaphysics and theology** *55*

Introduction/Problems of confirmation, *57*

Alfred J. Ayer/**The elimination of metaphysics,** *63*

Three/**The thomistic response** *93*

Introduction/Is theology a legitimate language game?, *95*

Alfred J. Ayer and Frederick C. Copleston, S. J./**Logical positivism—a debate,** *98*

† All introductory material by Malcolm L. Diamond.

Four/**The noncognitivist response** *119*

Introduction/Verification as a theory of meaning, *121*

Richard B. Braithwaite/**An empiricist's view of the nature of religious belief,** *127*

Five/**The complexities of arguments between believers and atheists** *149*

Introduction/The facts are not enough, *151*

John Wisdom/**Gods,** *158*

Six/**Eschatological verification** *179*

Introduction/Verification: theoretical and practical, *181*

John Hick/**Theology and verification,** *188*

Kai Nielsen/**Eschatological verification,** *209*

George I. Mavrodes/**God and verification,** *223*

Kai Nielsen/**God and verification again,** *230*

John Hick/**Faith and knowledge,** *239*

Seven/**Theology and falsification** *245*

Introduction/Do theologians take facts seriously?, *247*

Antony Flew, Richard M. Hare, Basil Mitchell/**Theology and falsification,** *257*

Antony Flew*/"Theology and falsification" in retrospect,** *269*

Thomas V. Litzenburg, Jr.*/"Any sort of theism" and the "onus of proof",** *284*

Schubert M. Ogden*/" 'Theology and falsification' in retrospect": a reply,** *290*

Eight/**The complexities of theological contexts** *297*

Introduction/Verification inside the theological language game, *299*

Ian M. Crombie/**Theology and falsification,** *311*

Kai Nielsen/**On fixing the reference range of 'God',** *330*

D. Z. Phillips and J. R. Jones/**Belief and loss of belief,** *341*

* Indicates original contribution.

Nine/**Religion and science** *349*

Introduction/Verification in its wider cultural context, *351*

John F. Miller, III/**Science and religion: their logical similarity,** *356*

Donald D. Evans/**Differences between scientific and religious assertions,** *381*

Andrew C. Robison*/Religious experience,** *409*

Ten/**A fresh approach to verification and theology** *433*

Introduction/Verificationism: difficulties and proposals, *435*

Alvin Plantinga/**Verificationism,** *446*

Wesley C. Salmon/**Verifiability and logic,** *456*

Michael Tooley*/Theological statements and the question of an empiricist criterion of cognitive significance,** *481*
