

Table of Contents

Foreword	vii
Chapter 1: Introduction and background	1
1.1 Introduction	1
1.2 Theoretical framework	2
1.2.1 Prosodic phonology	2
1.2.2 Hungarian	5
1.2.3 Korean	6
1.2.4 Constituents Relevant to this study	7
1.3 Chapter layout	7
Chapter 2: Nasalization, prefixation and French <i>in</i> -	9
2.1 Introduction	9
2.2 Nasal vowels and nasalization in French	9
2.3 The prefix <i>in</i> -	12
2.4 Scope, compositionality and productivity of <i>in</i> -	14
2.4.1 Scope of the negative	14
2.4.2 Compositionality	15
2.4.3 Productivity	15
2.5 Previous analyses	16
2.5.1 Tranel (1976)	16
2.5.2 Bouchard (1983), Prunet (1986) and Johnson (1987)	17
2.6 <i>in</i> - and synchronic prefixhood	19
2.6.1 Semantic differences	19
2.6.2 Distributional and phonetic differences	20
2.7 <i>in</i> - and Prosodic Phonology	22
2.7.1 Other prefixes	23
2.8 Conclusion	26
Chapter 3: Glide formation, closed syllable adjustment and schwa	28
3.1 Introduction	28
3.2 Glide Formation	28
3.2.1 Prefixation, Compounding and Lexical Levels	29
3.2.2 Prosodic Phonology and Glide Formation	30
3.3 Closed Syllable Adjustment	32
3.3.1 Syllabification and CSA	33
3.3.2 CSA and Prosodic Phonology	35
3.4 Schwa, Level Ordering and Prosodic Phonology	36

3.4.1 Penultimate Schwa Specification	37
3.4.2 Penultimate Schwa and Prosodic Phonology	39
3.5 Conclusion	43
 Chapter 4: Morphophonology and the learned/nonlearned distinction	45
4.1 Introduction	45
4.2 The learned/nonlearned distinction in French	45
4.3 Learned and nonlearned stems and level ordering	48
4.4 Learned Backing	50
4.5 Stem Suppletion	51
4.6 French stems and stem suppletion	53
4.6.1 Representation of Stems and Suffixes	53
4.7 Native/nonnative and lexical levels	56
4.8 Conclusion	58
Appendix to Chapter Four	59
 Chapter 5: Model and interactions	61
5.1 Introduction	61
5.2 The Model	61
5.2.1 Prosodic Phonology and Lexical Phonology	61
5.2.2 Processes and where they fit in	63
5.2.2.1 Nasalization and prefixation	63
5.2.2.2 Glide Formation, CSA, PSS and CG Stress	64
5.2.2.3 Native/nonnative distinction	65
5.2.3 Lexical phonological rules	66
5.3 Lexical levels and language specificity	67
 Chapter 6: Summary and conclusions	70
6.1 Summary and conclusions	70
6.2 Further directions	71
 References	72
