List of Tables . . . . .	VI
List of Figures . . . . .	VIII
Introduction . . . . .	IX
<b>Chapter I: Patterns of Industrialization and Trade . . . . .</b>	<b>1</b>
1. Introduction . . . . .	1
2. An Industry Classification Scheme . . . . .	3
3. Sources of Possible Bias . . . . .	7
4. Classification Results . . . . .	9
5. Import and Export Performance . . . . .	16
6. The Impact of Population and Capital Flows . . . . .	21
7. Summary . . . . .	25
<b>Chapter II: Market Power and Commodity Concentration . . . . .</b>	<b>27</b>
1. Introduction . . . . .	27
2. Market Power . . . . .	28
3. Market Power - Statistical Evidence . . . . .	30
4. Commodity Concentration . . . . .	36
<b>Chapter III: The Determinants of Trade Patterns . . . . .</b>	<b>42</b>
1. Introduction . . . . .	42
2. Output Patterns and Comparative Advantage . . . . .	43
3. Production Patterns and Comparative Advantage - Em- pirical Evidence . . . . .	45
4. Capital or Technology - A Theoretical Framework . . . . .	50
5. Capital or Technology - The Empirical Evidence . . . . .	56

	Page
<b>Chapter IV: Human Capital, Technological Change and International Trade – Further Analysis . . . . .</b>	64
1. Introduction . . . . .	64
2. Export Policies of the Profit Maximizing Firm . . . . .	65
3. Economies of Scale . . . . .	68
4. Licensing and Sale of Know-how . . . . .	71
5. Integrating Technological Changes into the Heckscher-Ohlin Model . . . . .	75
 <b>Chapter V: Leontief and Kravis Revisited . . . . .</b>	 77
1. Introduction . . . . .	77
2. Endowment, Output and Trade . . . . .	78
3. Leontief's Paradox in a Cross Section Context . . . . .	80
4. Decomposing the Effect of Factor Endowment . . . . .	85
5. Human Capital, Leontief's Paradox and Kravis' Paradox . . . . .	88
6. Summary . . . . .	89
 <b>Chapter VI: Burenstam-Linder's Model and Intra-Industry Trade . . . . .</b>	 91
1. Introduction . . . . .	91
2. Compatibility of Export and Import Capital Intensities . . . . .	93
3. Export and Import Compatibility . . . . .	96
4. Intra-Industry Trade . . . . .	98
5. Conclusions . . . . .	104
 <b>Chapter VII: Policy Implications . . . . .</b>	 105
1. Introduction . . . . .	105
2. The Sequence of Industrialization . . . . .	107

	Page
3. The Sequence of Industrialization, the Product Cycle and Infrastructure . . . . .	111
4. Import Substitution and Export Promotion . . . . .	112
5. Prospects of Expanding Manufactured Exports from Industrializing Countries . . . . .	117
6. Final Remarks . . . . .	120
