Foreword	ix
<i>Stephen Ludwig, MD</i>	
Preface	xi
Authors' Note	xiii
Acknowledgments	xv

1. Introduction to Abuse and Neglect	1
Definition	3
Scope of the Problem	9
Etiology of Physical Abuse and Neglect	14
Effects	17
In Brief	20

2. Evaluation of Abuse and Neglect	23
Approach to the Medical Evaluation	23
The History and Interview	24
The Physical Examination	37
Indicated Laboratory/Diagnostic Evaluation	41
Photographic Documentation	46
In Brief	49
Appendix 2.1: Child Abuse Program Forms	50

3. Skin: Bruises and Burns	61
Bruises	62
Evaluation for Abuse	64

The Differential Diagnosis of Bruising	70
Burns	74
Burns and Abuse	76
Differential Diagnosis of Burns	89
Treatment: Overview	91
In Brief	95
4. Evaluation of Fractures and Skeletal Injuries	97
General Principles	97
Bone Anatomy and Fracture Description	98
Imaging Techniques	100
Dating of Skeletal Injuries	102
Stages of Fracture Healing	103
Long Bone Fractures	104
The Differential Diagnosis of Inflicted Fractures	120
In Brief	125
5. Abdominal and Thoracic Trauma	127
Abdominal Injuries—General Principles	128
Evaluation of Inflicted Abdominal Trauma	130
Specific Organ Injuries	137
Thoracic Injuries	143
In Brief	145
6. Head Trauma	147
<i>with A. C. Duhaime, MD</i>	
Anatomy and General Principles	148
Shaking Impact Syndrome	156
The Physical Examination	158
Laboratory Evaluation	160
Radiographic Evaluation	161
Dating Head Injuries	163
Physical Abuse in the Older Child	165
Spine Injury Due to Child Abuse	166
Outcome of Head Injuries From Child Abuse	167
In Brief	168

<i>with Trude A. Haecker, MD, and Martha M. Cockerill, MSN, CRNP</i>	
Conceptual Approaches	171
Effects of Neglect	172
Evaluation	172
Neglect and Growth: Failure to Thrive (FTT)	172
FTT Evaluation	174
Treatment	180
Medical Neglect	189
Other Forms of Neglect	192
In Brief	194
8. Other Patterns of Injury	211
The Battered Child Syndrome	211
Oral and Dental Trauma	213

Abuse by Poisoning	219
Munchausen Syndrome by Proxy	221
Death of the Abused Child	227
Sudden Infant Death Syndrome	229
In Brief	232
<hr/>	
9. Psychosocial Assessment	233
<i>with Jennifer Diem Inglis, LSW</i>	
The Psychosocial Assessment	234
Interview of the Child	237
Documentation	239
Child Protective Services	240
The Interdisciplinary Team and the Social Work	
Consult	242
Staff Reaction to Abuse	245
In Brief	245
<hr/>	
10. Legal Issues and Documentation	247
<i>with Susan Perlis Marx, JD</i>	
Reporting Suspected Child Abuse	248
Documentation of Findings	253
Interviewing the Child and Documentation	
Guidelines	255
Interviewing the Caregivers and Documentation	
Guidelines	257
Documentation of Medical Conclusions	261
Health Care Providers in the Courtroom	262
In Brief	268
Appendix 10.1: Pointers for Expert Witnesses	269
<hr/>	
References	275
Index	293
About the Authors	301
About the Contributors	303
