Introduction	1
<i>Dieter CASSEL, Carsten HERRMANN-PILLATH</i>	
A. Greater Competitiveness and Interdependence in the East Asian Regional Economy	13
<i>MARUYAMA Nobuo</i>	
1. The East Asian Miracle	13
2. Changes from the 1980s to the 1990s	14
3. Competition and Coexistence in the East Asian Region	20
4. Conclusion	24
B. Chinese and European Integration: Alternative Patterns and Implications for Growth and Development	27
<i>Carsten HERRMANN-PILLATH</i>	
1. On the Idea of "Integration"	27
2. Comparative Observations on Chinese and European Integration	32
3. Europe and China: Historical Roots and Meaning of Integration	45
C. Agents of Change: Perspectives on the Political Economy of Reform in the People's Republic of China	55
<i>David S.G. GOODMAN</i>	
1. Introduction	55
2. Imploding Communism and Political Disintegration	56
3. Economic Modernisation and Capitalism	58
4. The Transformation of Authoritarianism	61
5. Agents of Change	63
6. Future Prospects	68

D. "Brothers' Competition": Decentralized Public Ownership Economy and Macro-Instability in the People's Republic of China	73
<i>FAN Gang</i>	
1. Reform by Decentralization	74
2. The "Autonomous Local Public Ownership Economy" (LPOE)	75
3. Locally Initiated Monetary Expansion	79
4. Concluding Remarks: Recent Progress and the Need for Ownership Reform	87
E. East-West Regional Income Gap: Problems of Divergent Regional Development in the People's Republic of China	93
<i>Joseph C.H. CHAI</i>	
1. Trends in East-West Income Differentials	93
2. The High Growth Policy	95
3. Export-Led Growth Strategy	97
4. Fiscal Decline of the Central Government and Redistributive Policies	99
5. Inter-Sectoral Productivity Differential and Sectoral Distribution of Employment	102
6. Intra-Sectoral Productivity Differentials Between Regions	105
7. Summary and Conclusions	106
F. Multinational Enterprises and China's Economic Development	109
<i>SONG Xueming</i>	
1. Recent Policy Trends in China	110
2. An MNE-Oriented Policy and the Consequences for China	114
3. MNE-Oriented Policy vs. Export-Oriented Development Strategy	129
4. Conclusions	133
G. Hong Kong and Taiwan Enterprises in Mainland China: Accelerators of Economic Transformation and Development?	139
<i>Peter S.K. CHI, KAO Charng, HSIN Ping-Lung</i>	
1. Introduction	139
2. Data	141
3. Patterns of Direct Foreign Investment in Mainland China	142
4. Performance of Selected Foreign Manufacturers in Mainland China	150
5. Relationships Between DFI and Economic Transformation and Development in Chinese Cities	154
6. Conclusions	159

H. Alternative Export-Oriented Development Strategies in Greater China - Impacts on Intraregional Trade and Foreign Direct Investment	165
<i>KOJIMA Sueo</i>	
1. Development Strategies of East Asia	166
2. Development Strategy of China	170
3. Development Strategy of South China and Other Regions	173
4. Rise in Intraregional Trade	175
5. Surge in Hong Kong and Taiwanese Investment	181
6. Possibilities for Future Growth in the Greater Chinese Economy	184
I. The Dynamics of Political and Social Change in Taiwan and Its Effects on the Relations Across the Straits	187
<i>Hermann HALBEISEN</i>	
1. Introduction	187
2. Social Change and the Emergence of a Civil Society	188
3. Political Reforms	193
4. Taiwan's Identity	198
5. Taiwan's New Foreign and China Policy	200
6. Competing Concepts Domestically	203
7. Conclusion	204
J. Hong Kong and Guangdong: Greater China or Greater Hong Kong?	207
<i>KUAN Hsin-chi</i>	
1. Concepts and Methodology	207
2. Social Base of the Hong Kong-Guangdong Nexus	210
3. The Economic Linkages	214
4. The Political Tensions	219
5. Discussion	227
K. Beijing and the 1997 Takeover of Hong Kong: Centralized Political Control and the Promise of Autonomy	233
<i>Sebastian HEILMANN</i>	
1. Socio-Cultural Hongkongization and Economic Integration in South China	233
2. A Centralized Structure of Political Control	234
3. Neither Greater China Nor Greater Hong Kong	240

L. China and the West: Conflicts and Challenges in the World Trading System	249
<i>Jan S. PRYBYLA</i>	
1. Two Clarifications	249
2. Causes of China's Economic Modernization	249
3. The Sino-American Dispute	266
 M. The Formation of Greater China and the Future of the EC-China-Relations	 281
<i>Rolf J. LANGHAMMER</i>	
1. Introduction	281
2. The Economic and Institutional Background of Emerging Greater China	282
3. Dynamic Elements in Intra-GC Economic Relations	286
4. EU-Greater China Economic Relations	293
5. Trade Policy Relations Between the EU and GC	298
6. The Future of EU-GC Economic Relations	301
 N. GATT and Its Consequences for the Transformation Process in the People's Republic of China	 309
<i>Yak Yeow KUEH</i>	
1. Introduction	309
2. Patterns and Pace of Deregulation	310
3. Prospects of Economic Restructuring	315
4. Disturbance in Aggregate Balances	318
5. Intra-Industrial Readjustment	321
6. Conclusion: Policy Prospects	328

List of Tables

A-1 : The "Chinese Economic Zone" in International Perspective	14
A-2 : Trade of the "Chinese Economic Zone"	14
A-3 : Investment in China	15
A-4 : Target Locations of Foreign Direct Investment in China and Top Ten Investing Countries (as of the End of 1993)	16
A-5 : Shares of Investment in ASEAN	18
D-1 : Priorities of Local Banks	82
D-2 : Excess Reserve Balance by the End of Year (in billion yuan)	84
D-3 : Planned and Actual Money Supply (in billion yuan)	86
E-1 : East-West Per-Capita Income Gap, 1978-91	94
E-2 : Regional Distribution of Total Investment in Fixed Assets	96
E-3 : Regional Distribution of DFI (Realised), 1984 + 1992 (Mill.US\$)	98
E-4 : State Extraction by Province (in %)	101
