List of figures

1.1	Mass migration in the context of regional and urban restructuring in Europe	8
1.2	The effects of economic restructuring on mass migrations to and from Western Europe's metropolitan cities and regions	9
2.1	European migrations, 1944–51	21
2.2	European migration flows, <i>circa</i> 1973	24
2.3	Immigration of workers into France and West Germany, 1960, 1970, 1980	25
2.4	The geography of foreign immigration in France, 1975	27
2.5	Gross immigration and unemployment, selected European countries, 1970–87	28
4.1	London, 1981: residents in private households with head born in New Commonwealth or Pakistan	74
4.2	Foreigners in Paris and surrounding <i>départements</i> , 1982	75
4.3	Guestworker nationalities in Düsseldorf, 1982	77
5.1	Foreign employees as percentage of all employees in West Germany, 1991	91
5.2	Foreigners in Duisburg, 1991	93
5.3	Unemployment rates of 'problem groups' in West Germany, 1973–86	95
6.1	Evolution of foreign and naturalized population in France, 1881–1990	104
6.2	Proportion of foreigners in the total population of French departments, 1990	105
6.3	Elements in the make-up of the resident population in France in 1982 and 1990	106
6.4	Annual arrivals of permanent foreign workers in France, 1951–87	112
6.5	Annual arrivals of family members of foreign nationals in France, 1951–87	114
7.1	Turks as a percentage of the neighbourhood population in Amsterdam and Rotterdam in 1990	126
7.2	Pupils in primary education in Amsterdam, 1974–88	129
8.1	Cartoons from an election pamphlet issued by members of the Belgian Liberal Party, 1991	139
8.2	Percentage vote recorded by the extreme Right in the European elections, 1989	140

8.3	Extreme-right vote in Europe compared with respective national average for the election with the best result for the extreme Right during 1971–91	141
8.4	Immigration and naturalization of foreigners in Belgium, 1962–90	144
8.5	Spatial pattern of foreigners in Belgium, 1989	147
8.6	Extreme-right vote in Belgium, 1991	149
8.7	Social and electoral structure of the Brussels region	152
9.1	Turkey: inter-regional net migration, 1970–75	158
9.2	Turkey: population change, 1985–90	160
10.1	Legal emigration from Portugal, 1950–84	174
10.2	Legal and estimated clandestine emigration from Portugal, 1960–84	176
10.3	Population pyramid for Sabúgal, 1981	178
10.4	Spatial impact of emigrants returning to Portugal, 1974–81	180
10.5	Regional impact of <i>retornados</i> , 1974–9	188
11.1	Present population growth in different parts of the world	196
11.2	Global population growth until 2100 according to the UN and IIASA	196
11.3	Population growth until 2100 in Asia, Africa and America according to the UN and IIASA	197
11.4	The demographic transition in Sweden and Mauritius	204
11.5	Fertility and economic development in 140 countries	205
11.6	European share of global population, 1700–2100	207
11.7	Net immigration countries in Europe over the past four decades	209
12.1	Mediterranean region, percentage change in the population in its three components: North, East and South, 1950–2020	214
