Table of Contents

Preface i

By Dr. Douglas R. White

Acknowledgments iii

Introduction

Part 1 1

Notions and Definitions:

"Evolution, "Development", "Progress", "Antiprogress"

Part 2 9

Social Evolutionism: Idealism *vs.* Materialism

Chapter 1 13

World Religions as a Factor of Social Evolution of the Old World Oikumene:

A Discriminant Analysis

Chapter 2 33

World Religions as a Factor of Social Evolution of the Old World Oikumene:

Islam and Christianity

Chapter 3 65
Parallel Cousin (FBD) Marriage, Islamization, and Arabization

Chapter 4 79
Islam in Sub-Saharan Africa and Southeast Asia

Chapter 5 89
Unilineal Descent Organization and Deep Christianization

Chapter 6 109
Unilineal Descent Organization and Religions of Non-Violence

Chapter 7 119
Christianity and Democracy: A Cross-Cultural Study

Conclusion 139
Beyond Materialism and Idealism

Appendix 1 153
Discriminant Scores from Functions 1–5 for Discriminant Analysis

Appendix 2 157
New "Matricentricity/Patricentricity" and "Unilinearity/Bilaterality" Scores for Cultures Analyzed in this Monograph

Appendix 3 **159**

An Apologia for Comparative Evolutionary Method of Anthropology

By Andrey Korotayev, Alexander Kazankov,

Leonid Dreier, and Natalia Dmitrieva

Appendix 4 **185**

"Galton's Asset" and "Flower's Problem":

Cultural Networks and Cultural Units in Cross-Cultural Research

By Andrey Korotayev and Victor de Munck

Bibliography **211**

Index **235**

List of Figures

Figure 1 14

Regions of Africa, Eurasia, and the Pacific

Figure 2 15

Regions of the Americas

Figure 3 16

Relationships among the Regions

Figure 4 18

Southeast Asia and the Insular Pacific (with the Hinayana Cultures' Cluster)

Figure 5 19

Middle Old World Region

Figure 6 20

Christian Cultures of M. Burton *et al.* Sample

Figure 7 21

Islamic *vs.* Non-Islamic Cultures of the "Middle Old World"

Figure 8 30

Complex Cultures of the Old World Oikumene

Figure 9 41
Islamic *vs.* Christian Cultures of the "Middle Old World"

Figure 10 44
Hierarchical Cluster Analysis.
Dendrogram using Average Linkage (Between Groups)

Figure 11 49
Ranking of the Cultures of the Western Part of the Old World Oikumene
along the Axis of Islamic *vs.* Christian Social Structure Index

Figure 12 52
Derived Stimulus Configuration: Euclidean distance model

Figure 13 58
Cluster Means for the Old World Oikumene Cultures

Figure 14 81
Female Contribution to Subsistence:
Islamic *vs.* Non-Islamic Cultures of Sub-Saharan Africa

Figure 15 84
Islamic Middle East *vs.* Islamic Southeast Asia

Figure 16 85
Islamic Middle East – Islamic Southeast Asia – Non-Islamic Southeast Asia
and Insular Pacific (cluster means)

Figure 17 110

Islamic Middle East – Christian World – Hinayana Buddhist Cultures

Figure 18 137

Relationship between Christianization and Democratization

List of Tables

Table 1 27

Social Structure Matrix

Table 2 29

Wilks' Test of Functions

Table 3 29

Functions at Group Centroids

Table 4 31

Classification Results

Table 5 34

Factor Analysis (1) First Dimension: Matricentric *vs.* Patricentric

Table 6 35

Factor Analysis (2) First Dimension: Unilineal *vs.* Bilateral

Table 7 42

Hierarchical Cluster Analysis: Proximity Matrix

Table 8 45

K-Means Cluster Analysis: Cluster Membership

Table 9 47

Factor Analysis: Component Matrix

Table 10 51

Multidimensional Scaling. Configuration derived in 2 dimensions.
Stimulus Coordinates

Table 11 59

Group statistics (Matricentrity Index, t-tests)

Table 12 59

Group statistics (Unilinearity Index, t-tests)

Table 13 60

Male Genital Mutilations * Polygyny (cross-tabulation)

Table 14 60

Male Genital Mutilations * Polygyny
(for the Circum-Mediterranean region; version 1)

Table 15 62

Male Genital Mutilations * Polygyny (for Circum-Mediterranean region;
version 2 [omitting Christian cultures])

Table 16 67

Parallel Cousin (FBD) Marriage * Islamization

Table 17 69

Presence of Parallel Cousin (FBD) Marriage * Area's Islamization

Table 18 70

Area Islamization * Parallel Cousin (FBD) Marriage

Table 19 70

Area Inclusion into the 8th Century Arab-Islamic Khalifate (with Remaining in Islamic World Afterwards) * Parallel Cousin (FBD) Marriage (version 1)

Table 20 72

Area Inclusion into the 8th Century Arab-Islamic Khalifate (with Remaining in Islamic World Afterwards) * Parallel Cousin (FBD) Marriage (version 2)

Table 21 82

General Polygyny * Islamization (for Sub-Saharan Africa)

Table 22 83

General Polygyny * Islamization (for Sub-Saharan African states)

Table 23 86

Group Statistics (Matricentrity Index)

Table 24 86

Group Statistics (Unilinearity Index)

Table 25 92

Deep Christianization * Unilineal Descent Groups

Table 26 93

Deep Christianization * Unilineal Descent Groups

(for cultures relying > 85% on food production)

Table 27 94

Deep Christianization * Number of Supracommunal Levels

(for cultures with > 1 level of political integration above the community)

Table 28 95

Number of Supracommunal Levels * Unilineal Descent Organization

Table 29 96

Number of Supracommunal Levels * Unilineal Descent Organization

(for cultures with > 1 level of political integrationabove the community)

Table 30 97

Deep Christianization * Unilineal Descent Groups (for cultures with

more than one level of political integration above the community)

Table 31 98

Deep Christianization * Unilineal Descent Groups (for medium complex

states, 3 levels of political integration above the community)

Table 32 99

Number of Supracommunal Levels * Unilineal Descent

(for non-Christian cultures with more than one level of political integration

above the community)

Table 33 100

Class Stratification * Unilineal Descent Organization

Table 34 102

Class Stratification * Unilineal Descent Organization (summary table)

Table 35 103

Deep Christianization * Unilineal Descent Groups
(for societies with complex class stratification only)

Table 36 105

Supercomplex *vs.* Less Complex States * Unilineal Descent Groups
(for non-Christian cultures with more than one level of political integration above the community)

Table 37 111

Religion of Non-Violence as State Ideology * Unilineal Descent Organization
(for societies with 3 political integration levels beyond local community)

Table 38 115

Socialization for Aggression * Unilineal Descent Organization

Table 39 116

Socialization for Aggression * Unilineal Descent Organization
(for societies of Eurasia and North Africa)

Table 40 124

Communal Democracy * Unilineal Descent Groups (for all world cultures)

Table 41 125
Communal Democracy * Unilineal Descent Groups
(for complex class societies)

Table 42 126
Communal Democracy * Deep Christianization (for "politically complex" societies [> 2 levels of political integration over community])

Table 43 127
Communal Democracy * Male Genital Mutilations
(for the Circum-Mediterranean region)

Table 44 128
Communal Democracy * Christianization
(for the Circum-Mediterranean region)

Table 45 129
Communal Democracy * Male Genital Mutilations
(for non-Christian cultures of the Circum-Mediterranean region)

Table 46 130
Communal Democracy * Polygyny (for non-Christian cultures of the world)

Table 47 131
Communal Democracy * Unilineal Descent Organization
(for non-Christian cultures of the world)

Table 48 131

Communal Democracy * Large Extended Family

as Predominant Family Type (for non-Christian cultures of the world)

Table 49 133

Deep Christianization * Polygyny (for "politically complex" societies

[> 2 levels of political integration over community])

Table 50 133

Deep Christianization * Large Extended Family

as Predominant Family Type (for "politically complex" societies

[> 2 levels of political integration over community])

Table 51 135

Communal Democracy * Supracommunal Democracy

(for *Standard Cross-Cultural Sample*)

Table 52 166

Kinship Terminology * Unilineal Descent Groups (Crosstabulation)

Table 53 169

Kinship Terminology * Unilineal Descent Groups (Dataset I)

Table 54 175

Kinship Terminology * Unilineal Descent Groups (Dataset II)

Table 55 177

Change in Kinship Terminology * Change in Unilineal Descent Organization

Table 56 191
Communities in Sample 1

Table 57 191
Male Genital Mutilations * Skirt-Wearing by Males (version 1)

Table 58 192
Communities in Sample 2

Table 59 193
Male Genital Mutilations * Skirt-Wearing by Males (version 2)

Table 60 195
Communities in Sample 3

Table 61 195
Dates vs. Wine Consumption * Sexual Intercourse Index
(among Religious Specialists)

Table 62 197
Male Genital Mutilations * Polygyny (for *Ethnographic Atlas*)

Table 63 197
Male Genital Mutilations * Polygyny
(for *Standard Cross-Cultural Sample*; version 1)

Table 64 199
Trait A * Trait B Crosstabulation (version 1)

Table 65 199

Trait A * Trait B Crosstabulation (version 2)

Table 66 200

Trait A * Trait B Crosstabulation (version 3)

Table 67 201

Trait A * Trait B Crosstabulation (version 4;
for *Standard Cross-Cultural Sample*, omitting Christian and Islamic cultures)

Table 68 201

Trait A * Trait B Crosstabulation (version 5;
for *Standard Cross-Cultural Sample*, including Christian and Islamic cultures)

Table 69 202

Male Genital Mutilations * Polygyny
(for *Standard Cross-Cultural Sample*, leaving one culture from
Christian and Islamic historical interaction networks)

Table 70 207

Community Complexity * Level of Effective Sovereignty
