

TABLE OF CONTENTS

1. INTRODUCTION	7
1.1. Nature of the study	7
1.2. Conventions and abbreviations	7
1.21. Symbols	7
1.22. Citations.	8
1.23. List of abbreviations of sources	8
1.24. Abbreviations of grammatical terms	10
1.3. Criteria for the classification of verb phrases.	10
1.31. Distribution	10
1.32. Verb nuclei	11
1.33. The double infinitive	11
1.34. Closure	12
2. THE AUXILIARY MODIFICATIONS	13
2.1. Minimum forms of predication	13
2.11. Non-finite verb forms	13
2.12. Analysis of the subject-predicate construction.	13
2.2. Complex verb phrases	14
2.21. The tense auxiliaries.	14
2.22. The modal auxiliaries	15
2.23. The passive auxiliaries	17
2.24. Composition and analysis	20
2.25. Word order	30
3. VERB CONSTRUCTIONS NOT IN THE AUXILIARY SYSTEMS	33
3.1. Finite verb + past participle	33
3.11. Predicate attributes to the subject	33
3.12. Predicate attributes to the object	34
3.13. Past participles used as verb modifiers	35
3.2. Finite verb + infinitive	41
3.21. Constructions without the double infinitive	41
3.22. Constructions with the double infinitive	47

3.3. Finite verb + marked infinitive	54
3.31. Enclosed constructions	54
3.32. Unenclosed constructions	61
4. SUBSTANTIVE SATELLITES TO THE FINITE VERB	66
4.01. Definition of an object.	66
4.02. Predicate modifiers	68
4.1. Constructions with one object	70
4.12. Accusative objects	70
4.13. Dative substitute objects	74
4.14. Genitive substitute objects	76
4.15. Satellites in the nominative case (predicate nominatives)	76
4.2. Constructions with two objects	79
4.21. Two accusative objects	80
4.22. Accusative object + dative object.	84
4.23. Accusative object + genitive object	86
4.3. Object + predicate nominative	87
4.31. Accusative object + predicate nominative	87
4.32. Dative substitute object + predicate nominative	87
4.4. Constructions with three objects	87
5. SUMMARY	88
5.1. Auxiliary verbs	88
5.2. Secondary verb nuclei	89
5.3. Objects	89
5.4. Predicate attributes.	90
5.5. Verb modifiers.	90
5.6. Unassigned	90
6. CONCLUSIONS	91
