|--|----------|
| Introduction: Reasons for Focusing on Corporate Restructuring and Governance to Understand Transition Economies | 1 |
| <i>Bruno Dallago and Ichiro Iwasaki</i> | |

Part I General View

| | |
|--|-----------|
| 1 Corporate Governance in Transformation Economies: A Comparative Perspective | 15 |
| <i>Bruno Dallago</i> | |
| Introduction | 15 |
| Corporate governance paradigms | 17 |
| Reforms under stress | 20 |
| Organic and transplanted institutions | 22 |
| Comparison of three transformation strategies | 25 |
| Corporate governance and transformation strategies: a comparative view | 30 |
| Conclusion | 33 |
| 2 Economic Transformation and Corporate Finance in the Post-Communist World | 40 |
| <i>Fumikazu Sugiura</i> | |
| Introduction | 40 |
| Financial sector development in transition economies | 42 |
| Data analyses | 49 |
| Implications for corporate governance | 56 |
| Conclusion | 58 |

Part II The Czech Republic

| | |
|---|------------|
| 3 Corporate Governance, Ownership Concentration and Foreign Direct Investment in the Czech Republic | 65 |
| <i>Kryštof Mejstřík and Michal Mejstřík</i> | |
| Introduction: the theory of corporate governance and its application in the Czech transitional economic environment | 65 |
| The initial ownership structure as a result of the Czech privatization model | 66 |
| Corporate governance models within the transition environment | 69 |
| Private benefits of control and their drivers | 73 |
| Resulting foreign direct investments and restructuring | 79 |
| Conclusion | 85 |
| 4 The Czech Emerging Financial Markets and Their Roles in Corporate Finance | 91 |
| <i>Zdenek S. Blaha</i> | |
| Introduction | 91 |
| Investment and financing problems of the firms: stylized facts | 94 |
| Data and summary statistics | 95 |
| Examining the liquidity constraints with investment equations | 97 |
| Conclusion | 104 |
| 5 Corporate Restructuring, Foreign Direct Investment, and Japanese Multinationals in the Czech Republic | 107 |
| <i>Shuichi Ikemoto</i> | |
| Introduction | 107 |
| The Czech economy and corporate restructuring | 108 |
| Japanese FDI in the Czech economy: focusing on Toyota Motors and its affiliates | 116 |
| Conclusion | 128 |

Part III Hungary

| | |
|--|------------|
| 6 Corporate Governance and Ownership Concentration on the Budapest Stock Exchange | 135 |
| <i>Zsolt Bedő and Éva Ozsvald</i> | |
| Introduction | 135 |
| Legal arrangements | 137 |
| The capital market | 141 |
| Control by blockholders | 143 |
| Dominant investors on the BSE | 146 |
| The protection of minority shareholders | 149 |
| Conclusion | 150 |
| 7 The Determinants of Capital Structure of Hungarian Firms in Transition | 156 |
| <i>Andrea Balla and Iván Bélyácz</i> | |
| Theoretical approaches to capital structure decisions | 156 |
| The characteristics of capital structure decisions in the economic transition period | 160 |
| Empirical analysis of capital structure decisions in Hungarian manufacturing companies | 164 |
| Conclusion | 172 |
| 8 Corporate Restructuring and the Role of Foreign Direct Investment in Hungary | 178 |
| <i>Ichiro Iwasaki</i> | |
| Introduction | 178 |
| Roles of FDI in the stabilization and growth of the national economy | 179 |
| FDI and corporate restructuring | 181 |
| FDI and R&D/innovation activities | 194 |
| Concluding remarks | 203 |

Part IV The Russian Federation

| | |
|---|------------|
| 9 Corporate Law and Governance Mechanism in Russia | 213 |
| <i>Ichiro Iwasaki</i> | |
| Introduction | 213 |
| Business organization in contemporary Russia | 213 |
| Legislative structure of joint-stock companies | 218 |

| | |
|--|------------|
| The legal specificity of privatized enterprises and workers' joint-stock companies (people's enterprises) | 237 |
| Concluding remarks | 243 |
| 10 Corporate Ownership and Control in Russian Companies: Trends and Patterns | 250 |
| <i>Tatiana Dolgopyatova</i> | |
| Introduction | 250 |
| Emergence of corporations in Russia | 251 |
| Evolution of corporate ownership as the basis for corporate control | 253 |
| Specific patterns of ownership and corporate governance in contemporary Russia | 266 |
| Concluding remarks | 270 |
| 11 Evolution of Corporate Governance in Russia: Governmental Policy vs Real Incentives of Economic Agents | 275 |
| <i>Andrei Yakovlev</i> | |
| Introduction | 275 |
| Russian model of corporate governance in the 1990s: theory and practice | 277 |
| Development of joint-stock companies in Russia and motivation of owners and managers of enterprises | 280 |
| Recent changes in the behavior of Russian corporations and options of corporate governance evolution in Russia | 284 |
| Conclusion | 290 |
| <i>Index</i> | 297 |

List of Tables

| | | |
|-----|--|-----|
