

# Contents

## CHAPTER 1: INTRODUCTION

|  |   |
|--|---|
| 1.1 Overview .....                       | 1 |
| 1.2 The Goals of Generative Syntax ..... | 5 |
| 1.3 The Goals of Semantic Theory .....   | 8 |

## CHAPTER 2: EARLIER MODELS OF GENERATIVE GRAMMAR

|  |    |
|--|----|
| 2.1 Introduction .....                                 | 13 |
| 2.2 Transformational Grammar (TG) .....                | 14 |
| 2.3 The Government-Binding Framework (GB) .....        | 25 |
| 2.3.1 The Model .....                                  | 25 |
| 2.3.2 Generating Basic Word Order in GB Theory .....   | 30 |
| 2.3.3 Generating Surface Word Order in GB Theory ..... | 37 |
| 2.3.4 The Level of LF .....                            | 43 |
| 2.4 Conclusion .....                                   | 48 |
| Footnotes .....  | 49 |

## CHAPTER 3: MINIMALIST THEORY

|  |    |
|--|----|
| 3.1 Motivation .....                                   | 51 |
| 3.2 An Overview of Minimalist Theory (MT) .....        | 54 |
| 3.3 A Sample Derivation: The Case of Wh-Movement ..... | 74 |
| Footnotes .....  | 80 |

## CHAPTER 4: AN INTEGRATION OF MODEL-THEORETIC SEMANTICS WITH MINIMALIST SYNTAX

|   |     |
|---|-----|
| 4.1 Introduction .....  | 81  |
| 4.2 The Defining Characteristics of Montague Semantics .....                              | 81  |
| 4.3 Integrating Minimalist Syntactic Theory with Model-Theoretic<br>Semantic Theory ..... | 89  |
| 4.4 The Seven Goals of Semantic Theory .....  | 102 |
| Footnotes .....   | 108 |

## CHAPTER 5: ON THE COMPOSITIONAL ANALYSIS OF PRESUPPOSED MEANING

|     |  |     |
|-----|--|-----|
| 5.1 | The Problem of Presupposed Meaning .....                                     | 109 |
| 5.2 | Karttunen & Peters' Analysis of Presupposed Meaning.....                     | 112 |
| 5.3 | A Compositional Analysis of Syntactically-Triggered<br>Presuppositions ..... | 117 |
|     | Footnotes .....  | 124 |

## CHAPTER 6: ON PRESUPPOSITIONS AND THE SATISFACTION OF BARE OUTPUT CONDITIONS

|     |  |     |
|-----|--|-----|
| 6.1 | Introduction .....   | 127 |
| 6.2 | A Puzzle for Binding Conditions and the Weak Crossover<br>Constraint .....                     | 128 |
| 6.3 | A Puzzle for Positive Polarity Licensing .....   | 131 |
| 6.4 | On the Satisfaction of Noncoreference Bare Output Conditions:<br>The Case of <i>Even</i> ..... | 136 |
| 6.5 | On the Satisfaction of Noncoreference Bare Output Conditions:<br>The Case of <i>Only</i> ..... | 143 |
| 6.6 | Extensions to Quizmaster Questions and Emphatic Pronouns ...                                   | 147 |
| 6.7 | On the Status of Condition A in Minimalist Theory .....  | 151 |
| 6.8 | Conclusions .....  | 152 |
|     | Footnotes .....  | 154 |

## CHAPTER 7: BARE OUTPUT CONDITIONS AND OTHERS: ON THE NOTIONS OF PRIMACY AND ECONOMY IN THE SEMANTIC COMPONENT

|     |   |     |
|-----|---|-----|
| 7.1 | Introduction .....  | 159 |
| 7.2 | Two Semantic Constraints on the French Pronominal System... | 161 |
| 7.3 | On the Notion of Representational Economy .....             | 166 |
| 7.4 | Conclusions .....   | 168 |
|     | Footnotes .....   | 169 |

## BIBLIOGRAPHY .....
