<i>List of Figures and Tables</i>	x
<i>Foreword by Kofi Annan</i>	xv
<i>Preface</i>	xvii
<i>Acknowledgements</i>	xviii
<i>Notes on the Contributors</i>	xx
 Part I Concepts and Issues	
1 Horizontal Inequalities and Conflict: An Introduction and some Hypotheses	3
<i>Frances Stewart</i>	
1.1 Introduction	3
1.2 Groups in conflict	4
1.3 Group formation and mobilization	7
1.4 Horizontal inequalities and mobilization	12
1.5 Horizontal inequalities and conflict: The main hypotheses	18
1.6 Plan of this book	23
2 Who Should be Included? Noncitizens, Conflict and the Constitution of the Citizenry	25
<i>Matthew J. Gibney</i>	
2.1 Introduction	25
2.2 The scope of the analysis	26
2.3 The creation of noncitizenship	28
2.4 The reproduction of noncitizenship	30
2.5 Citizenship as a focus of concern	33
2.6 Just principles for accessing citizenship	35
2.7 Conclusion	38

3 Cultural Status Inequalities: An Important Dimension of Group Mobilization	41
<i>Arnim Langer and Graham K. Brown</i>	
3.1 Introduction	41
3.2 Conceptualizing cultural status inequalities	42
3.3 Three aspects of cultural status inequality	46
3.4 Status anxiety: Linking cultural status inequalities, mobilization and conflict	51
3.5 Conclusions	52
4 Horizontal Inequalities: Explaining Persistence and Change	54
<i>Frances Stewart and Arnim Langer</i>	
4.1 Introduction	54
4.2 A framework for considering the evolution of horizontal inequalities	56
4.3 Evidence for the persistence and change of horizontal inequalities	65
4.4 Conclusions and policy implications	79
 Part II Measurement and Statistical Analysis	
5 Approaches to the Measurement of Horizontal Inequalities	85
<i>Luca Mancini, Frances Stewart, and Graham K. Brown</i>	
5.1 Introduction	85
5.2 Problems of measuring horizontal inequalities	85
5.3 Measuring horizontal inequalities at an aggregate level	87
5.4 Applications of the aggregate measures: South Africa, the United States, and Indonesia	91
5.5 Measuring horizontal inequalities in different segments of the income distribution	97
5.6 Some conclusions	101
Appendix 5A	103
6 Horizontal Inequality and Communal Violence: Evidence from Indonesian Districts	106
<i>Luca Mancini</i>	
6.1 Introduction	106
6.2 Operationalizing ethnicity: Three approaches	107
6.3 Previous quantitative literature on horizontal inequality	111
6.4 The Indonesian context	112
6.5 Methodology	114
6.6 Data	118

6.7	Sample and summary statistics	119
6.8	Results	123
6.9	Conclusions	129
	Appendix 6A	131
7	Inequalities, the Political Environment and Civil Conflict: Evidence from 55 Developing Countries	136
	<i>Gudrun Østby</i>	
7.1	Introduction	136
7.2	Horizontal inequalities and civil conflict	137
7.3	Mediating effects of the political environment on the horizontal inequality–conflict nexus	138
7.4	Data and research design	142
7.5	Results	147
7.6	Concluding remarks	155
	Appendix 7A	157
 Part III Horizontal Inequalities and Conflict in Three Regions		
8	When do Horizontal Inequalities Lead to Conflict? Lessons from a Comparative Study of Ghana and Côte d'Ivoire	163
	<i>Arnim Langer</i>	
8.1	Introduction	163
8.2	From Ivorian 'miracle' to violent conflict	164
8.3	The peaceful management of the north–south divide in Ghana	176
8.4	Conclusions	186
9	Horizontal Inequalities and Ethnic Violence: Evidence from Calabar and Warri, Nigeria	190
	<i>Ukoha Ukiwo</i>	
9.1	Introduction	190
9.2	Same starting line: The origins of horizontal inequalities	190
9.3	All roads do not lead to Rome: Different conflict pathways	193
9.4	Concluding remarks	203
10	Ethnicity, Religion and the State in Ghana and Nigeria: Perceptions from the Street	205
	<i>Arnim Langer and Ukoha Ukiwo</i>	
10.1	Introduction	205
10.2	'Objective' socioeconomic and political inequalities in Ghana and Nigeria	206

10.3	Ethnic and religious composition of the survey samples	209
10.4	The salience of different identities	211
10.5	The <i>perceived</i> impact of ethnicity and religion in the public sphere	214
10.6	Perceptions of political horizontal inequalities	220
10.7	Perceptions of government favouritism and discrimination	222
10.8	Conclusions	225
 11	 Inequality, Ethnicity and Political Violence in Latin America: The Cases of Bolivia, Guatemala and Peru	 227
	<i>Corinne Caumartin, George Gray Molina and Rosemary Thorp</i>	
11.1	Introduction	227
11.2	Horizontal inequalities: Preliminary measurements	230
11.3	The history of ethnic mobilization	233
11.4	The generation of political violence – or its absence	243
11.5	Conclusions	246
 12	 Horizontal Inequalities and Separatism in Southeast Asia: A Comparative Perspective	 252
	<i>Graham K. Brown</i>	
12.1	Introduction	252
12.2	The cases	253
12.3	The demographic logic of separatism: State-sponsored migration and minoritization	258
12.4	The economic logic of separatism: Horizontal inequalities	262
12.5	The political logic of separatism: The turn to violent mobilization	277
 	 Part IV Conclusions and Policies	
 13	 Major Findings and Conclusions on the Relationship Between Horizontal Inequalities and Conflict	 285
	<i>Frances Stewart, Graham K. Brown and Arnim Langer</i>	
13.1	Introduction	285
13.2	General findings on the relationship between horizontal inequalities and conflict	286
13.3	Conclusions	299

14 Policies towards Horizontal Inequalities	301
<i>Frances Stewart, Graham K. Brown and Arnim Langer</i>	
14.1 Introduction	301
14.2 Approaches to policy and measurement	303
14.3 Policies towards political horizontal inequalities	306
14.4 Policies towards socioeconomic horizontal inequalities: Affirmative action	311
14.5 Policies towards cultural status horizontal inequalities	318
14.6 Managing change and policy obstacles	321
14.7 Conclusions	323
<i>References</i>	326
<i>Author Index</i>	350
<i>Subject Index</i>	356

List of Figures and Tables

Figures

1.1	Incidence and magnitude of major episodes of political violence, 1946–2004	5
1.2	Refugee trends, 1951–2004	6
1.3	Ethnic violence as a proportion of major political violence, 1946–2004	6
1.4	Ratio of performance of black South Africans to white South Africans	16
4.1	Variations in returns to financial capital according to group discrimination	61
4.2	Interethnic differences in returns to education in Peru	66
4.3	The evolution of horizontal inequalities in Northern Ireland	73
4.4	The evolution of different horizontal inequality indicators in Malaysia, 1970–1990	75
4.5	The evolution of income inequalities in Malaysia, 1970–2002	76
5.1	South Africa – Aggregate measures of horizontal inequality in <i>per capita</i> income by ethnic group, 1970–2000	92
5.2	United States – Aggregate measures of horizontal inequality in <i>per capita</i> income by ethnic group, 1967–2001	93
5.3	Mean incomes of black Africans and whites, by quintile and alpha, (a) 1996 and (b) 2001	99
5.4	White/black income disparity ratios, (a) 1996 and (b) 2001	99
5.5	Growth in real incomes of whites and black Africans, 1996 and 2001	100
5.6	Group population proportion, by quintile of overall income distribution, (a) 1996 and (b) 2001	101
6.1	Number of fatalities	120
6.2	The effect of child mortality horizontal inequality on the probability of violence at different levels of economic development: Ethnic groups	125
6.3	The effect of child mortality horizontal inequality on the probability of violence at different levels of economic development: Religious groups	126
7.1	Regional horizontal inequalities in Peru, various years	144
7.2	Regional horizontal inequalities in Zimbabwe, various years	144

7.3	Horizontal inequalities and conflict risk by regime type, developing countries, 1986–2003	152
7.4	Regional horizontal inequalities (assets) and political exclusion, developing countries, 1986–2003	155
9.1	Survey respondents' perceptions of institutional domination, Warri and Calabar, Nigeria	198
9.2	Survey respondents' perceptions of indigenous domination, Warri and Calabar, Nigeria	199
10.1	Three most important forms of self-identification in Ghana according to survey location	212
10.2	Three most important forms of self-identification in Nigeria according to survey location	212
12.1	Population of Mindanao by religion, 1903–2000	259
12.2	Indonesia – Migrants living in Aceh by year of arrival and place of birth, 1990	260
12.3	Educational attainment of largest two ethnic groups in urban areas, Aceh and North Sumatra, 1990	264
12.4	Indonesia, Aceh and North Sumatra provinces – Educational attainment of rural Acehnese, Batak and Javanese, 1990	265
12.5	Landholding of rural Acehnese, Batak and Javanese in agricultural occupations, Aceh and North Sumatra, 1990	266
12.6	Philippines – Relative GDP <i>per capita</i> by broad geographical zone, 1975–2003	269
12.7	Mindanao, Philippines – Proportion of Christian and Muslim population with no schooling, by age in 1970 and religion	269
12.8	Thailand – Relative GDP <i>per capita</i> in three Malay-Muslim dominated provinces, 1978–2003	272
12.9	Thailand – GDP <i>per capita</i> in constant US\$ (PPP 2000), selected provinces	272
12.10	Malaysia – GDP <i>per capita</i> in Malaysia and Sabah, 1970–2003	275
14.1	Schematic representation of conflict-inducing elements of horizontal inequalities	302

Tables

1.1	Some examples of horizontal inequality in conflict situations	15
3.1	Dimensions of cultural status inequality	50
4.1	Educational inequality in Peru, 2003	65
4.2	Infant/child mortality rates for Gold Coast and Ghana in 1931 and 1993	68

4.3	Socioeconomic inequalities across Ghana's regions in the 1990s	69
4.4	Wealth by income and race (\$)	70
4.5	College attendance and completion by race, persons aged 25 or older, 1960–1995	71
4.6	The evolution of educational differences between whites, blacks and three Asian immigrant groups in the US, 1940–1990	77
4.7	Average wages and earnings of male workers, 2000	79
5.1	Correlation matrix between inequality measures based on years of education in Indonesia, 1990 and 1995	94
5.2	Correlation matrix between inequality measures in <i>per capita</i> income in Indonesia, 1995	96
6.1	Sample composition of language and religious groups	121
6.2	Variable means	122
6.3	Distribution of violent outcomes	122
6.4	Mean differences in horizontal inequalities between ethnic groups, by violent (V)/nonviolent (NV) status (ethnically diverse districts only)	123
6.5	Mean differences in horizontal inequalities between religious groups, by violent (V)/nonviolent (NV) status (religiously diverse districts only)	123
6.6	Estimation results	124
6.7	Additional results	127
6.8	Child mortality ('000) and child mortality horizontal inequality by year and violent (V)/nonviolent (NV) status	129
6A.1	Variable definition	131
6A.2	Correlation matrix	132
7.1	Logit regression of civil war onset and horizontal inequalities, 1986–2003	148
7.2	Logit regression of civil war onset, horizontal inequalities and regime type, 1986–2003	151
7.3	Logit regression of civil war onset, horizontal inequalities and electoral system, 1986–2003	153
7.4	Logit regression of civil war onset, horizontal inequalities and political exclusion, 1986–2003	154
7A.1	Summary statistics of all variables	157
8.1	Ethnic and religious composition of Côte d'Ivoire in 1998	165
8.2	Elite by ethnic group, 1959–1980	167
8.3	Public investment <i>per capita</i> by region, 1971–1977 (CFAF thousands)	169
8.4	Some socioeconomic indicators for different regions and ethnic groups in Côte d'Ivoire in 1985	170
8.5	Ethnic composition of government, 1980–2003	173

8.6	Ethnic and religious composition of Ghana in 2000	176
8.7	Regional distribution of gross value added <i>per capita</i> , 1960	180
8.8	Regional developmental inequalities in 1970–1975	181
8.9	Evolution of macroeconomic indicators in Ghana (in percentages)	182
8.10	Socioeconomic inequalities across Ghana's regions in the 1990s	183
8.11	Ethnic composition of government, 1954–2005	185
10.1	Various socioeconomic indicators across Nigeria's zones in 1995/1996	207
10.2	Ethnoregional composition of various Ghanaian governments, 1993–2005	208
10.3	Zonal composition of various Nigerian cabinets, 1985–2004	209
10.4	Ethnic composition of the Ghanaian survey (percentages)	210
10.5	Ethnic composition of the Nigerian survey (percentages)	210
10.6	Religious composition of the Ghanaian survey (percentages)	211
10.7	Religious composition of the Nigerian survey (percentages)	211
10.8	The proportion of Ghanaian respondents according to survey location who thought that ethnicity affected a person's chances of getting access to public opportunities and services (%)	215
10.9	The proportion of Nigerian respondents according to survey location who thought that ethnicity affected a person's chances of getting access to public opportunities and services (%)	215
10.10	The proportion of Ghanaian respondents according to educational background and survey location who thought that ethnicity affected a person's chances of getting access to public opportunities and services (%)	217
10.11	The proportion of Nigerian respondents according to educational background and survey location who thought that ethnicity affected a person's chances of getting access to public opportunities and services (%)	218
10.12	The proportion of Ghanaian respondents according to survey location who thought that religion affected a person's chances of getting access to public opportunities and services (%)	219
10.13	The proportion of Nigerian respondents according to survey location who thought that religion affected a person's chances of getting access to public opportunities and services (%)	219

10.14	The proportion of Ghanaian respondents according to survey location who considered a specific state institution to be dominated by a particular group (%)	220
10.15	The proportion of Nigerian respondents according to survey location who considered a specific state institution to be dominated by a particular group (%)	221
10.16	Perceptions of government favouritism and discrimination in Ghana according to survey location (%)	223
10.17	Perceptions of government favouritism and discrimination in Nigeria according to survey location (%)	223
11.1	Estimates of indigenous population sizes in Latin America, (1978–1991)	228
11.2	Horizontal inequality: Per cent living in poverty	230
11.3	Country ranking of selected horizontal inequality indicators	231
11.4	Indicators of horizontal inequality across six countries	232
12.1	Thailand – Population of Southern Region by religion and province in percentage, 1960 and 2000	261
12.2	Ethnic and religious distribution of Sabah, 2000 census	262
12.3	Urban occupational distribution by ethnic group, Aceh and North Sumatra, 1990	264
12.4	Urban unemployment rates, Aceh 1990	265
12.5	Philippines, ARMM – Socioeconomic indicators, 2000	268
12.6	Educational and asset inequalities in Southern Thailand, by language and religion	273
12.7	Thailand – Male occupational distribution by religion and language, Southern Region (% of group)	274
12.8	Malaysia – Relative poverty rates in Sabah and Peninsular Malaysia, 1976–2005	275
12.9	Average relative <i>per capita</i> household expenditure by ethnic group, 1982, 1987 and 1989	276
14.1	Examples of approaches to reducing horizontal inequalities	304
