Foreign tourist overnight stays in Saxony by countries of origin, 2004 (in 1,000)	
Figure 3.11	56
Questionnees, countries of origin	
Figure 3.12	57
Questionnees, languages they speak	
Figure 3.13	58
Rating of Saxon culture from 1 (very good) to 5 (very bad)	
Figure 3.14	58
Rating of Saxon cuisine from 1 (very good) to 5 (very bad)	
Figure 3.15	59
Rating of Saxons from 1 (very friendly) to 5 (very unfriendly)	
Figure 3.16	59
Rating of the Saxon landscape from 1 (very good) to 5 (very bad)	
Figure 3.17	60
Rating of the weather in Saxony from 1 (very good) to 5 (very bad)	
Figure 3.18	60
Rating of the advertisement for Saxony in ones home country, e.g. per internet, from 1 (very good) to 5 (very bad)	
Figure 3.19	61
Rating of the communication between interviewees and Saxon inhabitants from 1 (interviewee communicates very often with Saxon inhabitants) to 5 (interviewee communicates very seldomly with Saxon inhabitants)	
Figure 3.20	62
Rating of the German railroad system from 1 (very good) to 5 (very bad)	
Figure 3.21	62
Rating of the German traffic system, e.g. the description of the traffic signs in foreign languages, from 1 (very good) to 5 (very bad)	
Figure 3.22	63
Rating of the purchasing possibilities from 1 (very good) to 5 (very bad)	

Figure 3.23	63
Rating of the German bureaucracy from 1 (very good) to 5 (very bad)	
Figure 3.24	64
Rating of the place the interviewees stay at in Saxony, from 1 (very good) to 5 (very bad)	
Figure 3.25	65
Rating: coming into contact with German inhabitants, from 1 (it is very easily to come into contact) to 5 (it is very difficult to come into contact)	
Figure 3.26	66
Rating of communication/ language problems or misunderstandings, from 1 (no communication/ language problems or misunderstandings) to 5 (many problems or misunderstandings)	
Figure 3.27	66
Rating of problems with orientation/ description of ways, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	
Figure 3.28	67
Rating of problems with different eating behaviour, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	
Figure 3.29	68
Rating of problems with different punctuality behaviour, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	
Figure 3.30	68
Rating of problems with different religious background, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	
Figure 3.31	69
Rating of problems with different morality, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	
Figure 3.32	69
Rating of problems with different family structure, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	
Figure 3.33	70
Rating of communication problems in general, from 1 (no problems or misunderstandings in this field) to 5 (many problems or misunderstandings)	

Figure 3.34	72
Rating of image of Germany in home countries of interviewees, from 1 (very positive image) to 5 (very negative image)	
Figure 3.35	73
Number of namings of words that interviewees combined with Saxony	
Figure 3.36	74
Number of namings of tourism destinations in Germany	
Figure 3.37	75
Number of namings of motives for travelling	
Figure 3.38	76
Rating: foreign tourists finding their way around in Saxony, from 1 (foreign tourists may easily find their way around) to 5 (it is very difficult for foreign tourists to find their way around)	
Figure 3.39	77
Number of interviewees recommending Saxony as tourism destination	
Figure 3.40	78
Number of interviewees approving generally more advertisement for Saxony in foreign countries	
Figure 3.41	79
Capacity of hotels, evaluation of questionnaire	
Figure 3.42	80
Rating of future development of the incoming tourism in Germany / Saxony, from 1 (very good) to 5 (very bad)	
Figure 3.43	81
Countries of Origin, evaluation of questionnaire for Saxon hotels	
Figure 3.44	82
Estimated percentage of foreign guests compared to the total, evaluation of questionnaire	
Figure 3.45	82
Number of foreign tourist overnight stays, evaluation questionnaire	
Figure 3.46	83
Rating of travel motives: business, from 1 (very important) to 5 (unimportant)	

Figure 3.47	84
Rating of travel motives: sightseeing/ city travel, from 1 (very important) to 5 (unimportant)	
Figure 3.48	84
Rating of travel motives: touring through Germany / touring through Europe, from 1 (very important) to 5 (unimportant)	
Figure 3.49	86
Rating of travel motives: wellness/ recreation; sports/ activities holidays; landscape / hiking, from 1 (very important) to 5 (unimportant)	
Figure 3.50	86
Rating of travel motives: visiting of friends/ relatives, from 1 (very important) to 5 (unimportant)	
Figure 3.51	87
Rating of travel motives: events/ fairs, from 1 (very important) to 5 (unimportant)	
Figure 3.52	88
Number of hotels being member of any tourism organization, evaluation of questionnaire	
Figure 3.53	89
Bookings received via internet, evaluation of questionnaire	
Figure 3.54	89
Future prognosis: Europe, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	
Figure 3.55	90
Future prognosis: Asia, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	
Figure 3.56	90
Future prognosis: Northern America, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	
Figure 3.57	91
Future prognosis: Middle East, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	

Figure 3.58	91
Future prognosis: Middle- and Southern America, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	
Figure 3.59	92
Future prognosis: Australia and New Zealand, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	
Figure 3.60	92
Future prognosis: Africa, rating from 1 (very important region of origin for foreign tourists coming to Saxony) to 5 (unimportant region of origin)	
Figure 3.61	93
Rating: may foreign tourists find their way around easily and fast?, from 1 (very easily) to 5 (not easily)	
Figure 3.62	94
Rating: communication between foreign tourists and Saxon inhabitants, from 1 (very often) to 5 (very seldom)	
Figure 4.1	104
High- and low-context cultures	
Figure 4.2	104
Differences between high- and low-context cultures
