

# Table of Contents

Preface . . . . .	V
List of Tables . . . . .	XII
List of Figures . . . . .	XIII
<b>Chapter One: The Establishment of Narrative Coherence . . . . .</b>	<b>1</b>
1    Points of departure: A consideration of relevant research trends . . . . .	3
1.1    Introduction . . . . .	3
1.2    Narrative structures . . . . .	5
1.3    The development of narrative structures . . . . .	8
1.4    Coherence and cohesive devices . . . . .	13
2    The focus of the present study . . . . .	19
2.1    Background . . . . .	19
2.2    Picture book narration: The delineation of a discourse mode for developmental research . . . . .	20
2.3    Method . . . . .	21
2.3.1    Subjects . . . . .	21
2.3.2    Material . . . . .	22
2.3.3    Procedure . . . . .	23
<b>Chapter Two: Pronominal and Nominal Markers and the Establishment of Coherence . . . . .</b>	<b>27</b>
1    Switching and maintaining reference . . . . .	29
1.1    Pronominal anaphora and discourse segmentation . . . . .	29
1.2    Deixis and anaphora in the picture book narration task . . . . .	31
1.3    Some structural properties of German third person pronouns . . . . .	34
2    Explorations in the acquisition of anaphoric devices . . . . .	39

**X** *Table of Contents*

3	Introduction to the study . . . . .	43
3.1	Guiding questions . . . . .	43
3.2	Coding . . . . .	44
4	Results . . . . .	51
4.1	Analysis and discussion of the adult narratives . . . . .	51
4.1.1	The purpose of investigating the adult narratives. . . . .	51
4.1.2	Analysis of first mentions . . . . .	52
4.1.2.1	Coding and results . . . . .	52
4.1.2.2	Discussion . . . . .	53
4.1.3	Switching and maintaining reference . . . . .	55
4.1.3.1	Analysis . . . . .	55
4.1.3.2	Discussion . . . . .	56
4.1.4	Deviations from the prototypical anaphoric pattern . . . . .	57
4.1.5	Conclusions . . . . .	63
4.2	Analysis and discussion of the children's narratives . . . . .	66
4.2.1	Analysis of first mentions . . . . .	66
4.2.2	Switching and maintaining reference . . . . .	68
4.2.2.1	Analysis . . . . .	68
4.2.2.2	Discussion . . . . .	73
4.3	Analysis and discussion of multiple strategies in the children's individual narratives . . . . .	79
4.4	Conclusions . . . . .	92
<b>Chapter Three: The Contribution of Tense to Coherence . . . . .</b>		103
1	Tense and text . . . . .	105
1.1	Developmental aspects of "tenses" and "texts" . . . . .	114
2	The use of tense in "simple narratives" . . . . .	121
2.1	Introduction . . . . .	121
2.1.1	Guiding questions . . . . .	121
2.1.2	Tense forms in German . . . . .	122
2.1.3	Coding . . . . .	122
2.2	Analysis and discussion of the adult narratives . . . . .	122
2.2.1	Distributional analysis . . . . .	126
2.2.2	Analysis of the PT-anchored narratives . . . . .	126
2.2.2.1	The perfect of "prospective relevance" . . . . .	128
		131

2.2.2.2 The perfect of "retrospective assessment" . . . . .	133
2.2.2.3 Summary and interpretation of the remaining examples . . . . .	136
2.2.2.4 The preteritum in the PT-anchored narratives . . . . .	141
2.2.3 Analysis of non-PT-anchored narratives . . . . .	142
2.2.4 Summary of the adult narratives . . . . .	146
2.3 Analysis and discussion of the children's narratives . . . . .	147
2.3.1 Modifications of coding . . . . .	147
2.3.2 Analysis across all narratives . . . . .	148
2.3.3 Analysis of the PT-anchored narratives . . . . .	149
2.3.3.1 Analysis of the 3½-4 year old children . . . . .	150
2.3.3.2 Analysis of the 5-6 year old children . . . . .	156
2.3.3.3 Analysis of the 9-10 year old children . . . . .	160
2.3.3.4 Analysis of the PERF forms in children's narratives not conforming to patterns established for the age groups . . . . .	167
2.3.3.5 The PRET and PLUPERF in the PT-anchored narratives	172
2.3.4 Analysis of non-PT-anchored narratives . . . . .	174
2.4 Summary: Form and function of tenses in simple narratives . . . . .	179
<b>Chapter Four: Conclusions . . . . .</b>	<b>185</b>
1 Summary . . . . .	187
1.1 Coherence in adult narrations . . . . .	187
1.2 Coherence in children's narrations . . . . .	189
2 Switching and maintaining reference and temporally connecting events: The acquisition of two different systems? .	191
2.1 Organizing the systems . . . . .	193
2.2 Reorganizing the systems . . . . .	195
3 Concluding comments . . . . .	201
Bibliography . . . . .	203
Appendix A The German tense system . . . . .	215
Appendix B Background utterances that are excluded tense coding . . . . .	217
Appendix C Reduced copy of the picture book . . . . .	219
Index . . . . .	236

# List of Tables

Table 1	Four Phases of Eliciting Narrative Productions from Adults and Children . . . . .	24
Table 2	Third Person Pronominal Forms in German . . . . .	34
Table 3	Adults' Introductory Referential Devices . . . . .	52
Table 4	Adults' Referential Devices . . . . .	56
Table 5a	Adults' Switching Reference Devices . . . . .	56
Table 5b	Adults' Maintaining Reference Devices . . . . .	56
Table 6	Children's Introductory Referential Devices . . . . .	66
Table 7	Children's Referential Devices . . . . .	69
Table 8a	Children's Switching Reference Devices . . . . .	72
Table 8b	Children's Maintaining Reference Devices . . . . .	73
Table 9	Form-Function Pairings in the 5-6 Year Olds' Narratives . . . . .	80
Table 10	Form-Function Pairings in the 9-10 Year Olds' Narratives . . . . .	88
Table 11	Form-Functions Pairings in the 3½-4 Year Olds' Narratives . . . . .	90
Table 12	Distribution of Tense Forms across all 16 Narratives (adults) . . . . .	126
Table 13	Distribution of Tense Sequencing across all 16 Narratives (adults) . . . . .	126
Table 14	Distribution of Tense Forms across the PT-Anchored Narratives (adults) . . . . .	128
Table 15	Distribution of Tense Sequencing across the PT-Anchored Narratives (adults) . . . . .	128
Table 16	Use of Tense Forms in the Course of Narration (per picture) (1 adult) . . . . .	143
Table 17	Distribution of Tense Forms across all Children's Narratives . . . . .	148
Table 18	Distribution of Tense Forms in the PT-Anchored Narratives (children) . . . . .	149
Table 19	Distribution of PERF Tense Forms across Discourse Contexts (3½-4 year old children) . . . . .	151

Table 20	Distribution of PERF Tense Forms across Discourse Contexts (5-6 year old children) . . . . .	156
Table 21	Distribution of PERF Tense Forms across Discourse Contexts (9-10 year old children). . . . .	161
Table 22	Distribution of PERF Tense Forms across Discourse Contexts (1 child: Alexis) . . . . .	168
Table 23	PRET and PLUPERF Forms per Age Group (children) . . . . .	172
Table 24	Use of Tense Forms in Children's non-PT-Anchored Narratives . . . . .	175
Table 25	Correlations between Children's Choice of Strategies	192

## **List of Figures**

Figure 1	Summary of Scenes and Frames in Pictures 8-12 . . . . .	123
Figure 2	The Establishment of “Information Units” . . . . .	137
