

# **Contents**

Preface

vii

Acknowledgments

xiii

## **ONE**

The Rapidly Changing World of Biotechnology

1

## **TWO**

Humanity and the Technological Narrative

15

## **THREE**

Biotechnology and Competing Worldviews

32

## **FOUR**

Biotechnology and Human Dignity

58

## **FIVE**

Biotechnology and the Quest for Control

87

**SIX**

**Biotechnology, Human Enhancement, and the Ends of  
Medicine**

**110**

**SEVEN**

**Conclusion: Toward a Foundation for Biotechnology**

**137**

**Notes**

**159**

**Authors and Collaborators**

**193**

**Index**

**197**
