

TABLE OF CONTENTS

Long-term limnological research and monitoring at Crater Lake, Oregon G.L. Larson, R. Collier, M.W. Buktenica	1–11
Subaqueous geology and a filling model for Crater Lake, Oregon M. Nathenson, C.R. Bacon, D.W. Ramsey	13–27
Evaporation and the hydrologic budget of Crater Lake, Oregon K.T. Redmond	29–46
Long-term observations of deepwater renewal in Crater Lake, Oregon G.B. Crawford, R.W. Collier	47–68
Thermal, chemical, and optical properties of Crater Lake, Oregon G.L. Larson, R.L. Hoffman, D.C. McIntire, M.W. Buktenica, S.F. Girdner	69–84
The extent and significance of petroleum hydrocarbon contamination in Crater Lake, Oregon D.R. Oros, R.W. Collier, B.R.T. Simoneit	85–105
Ultraviolet radiation and bio-optics in Crater Lake, Oregon B.R. Hargreaves, S.F. Girdner, M.W. Buktenica, R.W. Collier, E. Urbach, G.L. Larson	107–140
Predicting Secchi disk depth from average beam attenuation in a deep, ultra-clear lake G.L. Larson, R.L. Hoffman, B.R. Hargreaves, R.W. Collier	141–148
Measurements of spectral optical properties and their relation to biogeochemical variables and processes in Crater Lake, Crater Lake National Park, OR E.S. Boss, R. Collier, G. Larson, K. Fennel, W.S. Pegau	149–159
Bacterioplankton communities of Crater Lake, OR: dynamic changes with euphotic zone food web structure and stable deep water populations E. Urbach, K.L. Vergin, G.L. Larson, S.J. Giovannoni	161–177
Seasonal and interannual variability in the taxonomic composition and production dynamics of phytoplankton assemblages in Crater Lake, Oregon C.D. McIntire, G.L. Larson, R.E. Truitt	179–204
Nutrient limitation in Crater Lake, Oregon A.W. Groeger	205–216
Distribution and abundance of zooplankton populations in Crater Lake, Oregon G.L. Larson, C.D. McIntire, M.W. Buktenica, S.F. Girdner, R.E. Truitt	217–233
Variability of kokanee and rainbow trout food habits, distribution, and population dynamics, in an ultraoligotrophic lake with no manipulative management M.W. Buktenica, S.F. Girdner, G.L. Larson, C.D. McIntire	235–264
Seasonal nutrient and plankton dynamics in a physical-biological model of Crater Lake K. Fennel, R. Collier, G. Larson, G. Crawford, E. Boss	265–280
