Foreword	xi
Preface.....	xv
Acknowledgments.....	xxi
About the Editors.....	xxiii
Contributors	xxv

Chapter 1

Valuing and Conserving Vernal Pools as Small-Scale Ecosystems	1
<i>Malcolm L. Hunter, Jr.</i>	

SECTION I Physical Setting: Classification, Hydrology, and Identification

Chapter 2

Classification of Vernal Pools: Geomorphic Setting and Distribution	11
<i>Richard D. Rheinhardt and Garrett G. Hollands</i>	

Chapter 3

Hydrology and Landscape Connectivity of Vernal Pools.....	31
<i>Scott G. Leibowitz and Robert T. Brooks</i>	

Chapter 4

Remote and Field Identification of Vernal Pools.....	55
<i>Matthew R. Burne and Richard G. Lathrop, Jr.</i>	

SECTION II Biological Setting: Principal Flora and Fauna

Chapter 5

Flora of Northeastern Vernal Pools.....	71
<i>Andrew Cutko and Thomas J. Rawinski</i>	

Chapter 6

- Diversity and Ecology of Vernal Pool Invertebrates..... 105
Elizabeth A. Colburn, Stephen C. Weeks, and Sadie K. Reed

Chapter 7

- Ecology and Conservation of Pool-Breeding Amphibians 127
Raymond D. Semlitsch and David K. Skelly

Chapter 8

- Population and Genetic Linkages of Vernal Pool-Associated Amphibians 149
James P. Gibbs and J. Michael Reed

Chapter 9

- The Importance of Vernal Pools to Reptiles, Birds, and Mammals..... 169
Joseph C. Mitchell, Peter W.C. Paton, and Christopher J. Raithe

SECTION III Conserving Vernal Pools in Human-Modified Landscapes

Chapter 10

- Vernal Pool Conservation Policy: The Federal, State, and Local Context 193
Wende S. Mahaney and Michael W. Klemens

Chapter 11

- Chemical Contamination of Vernal Pools 213
Michelle D. Boone and Bruce D. Pauli

Chapter 12

- Conserving Vernal Pool Wildlife in Urbanizing Landscapes 233
Bryan Windmiller and Aram J.K. Calhoun

Chapter 13

- Conserving Vernal Pool Amphibians in Managed Forests 253
Phillip G. deMaynadier and Jeffrey E. Houlahan

Chapter 14

- Spatial Tools for Conserving Pool-Breeding Amphibians:
 An Application of the Landscape Species Approach 281
Robert F. Baldwin, Kathleen P. Bell, and Eric W. Sanderson

Chapter 15

Vernal Pools as Outdoor Laboratories for Educators and Students 299

*Hank J. Gruner and Richard D. Haley***Chapter 16**

Conserving Vernal Pool Habitat through Community Based Conservation 319

*Aram J.K. Calhoun and Patti Reilly****SECTION IV Index*****Index**..... 345
