Preface	iii
Soils and Agriculture	
I The Suitability of Soils for Sequential Direct Drilling of Combine-harvested Crops in Britain: a Provisional Classification. <i>R. Q. Cannell, D. B. Davies, D. Mackney and J. D. Pidgeon</i>	1
II Soils of the Western Midlands grouped according to Ease of Cultivation. <i>R. J. A. Jones</i>	24
III Assessment of Soil Droughtiness. <i>A. J. Thomasson</i>	43
IV Soil Suitability for Grassland. <i>T. R. Harrod</i>	51
V Soil Type and Workability. <i>G. Spoor</i>	71
VI Slurry Acceptance. <i>J. W. Lea</i>	83
VII The Effects of Slurry Application to Soils. <i>K. A. Pollock</i>	101
Non-agricultural Applications	
VIII Soils in Civil Engineering and Planning. <i>R. Hartnup and M. G. Jarvis</i>	110
IX Corrosion in Soils. <i>C. J. Argent and R. R. Furness</i>	135
X The Location, Construction and Management of Playing Fields. <i>J. R. Escritt</i>	148
XI Land for Winter Playing Fields, Golf Course Fairways and Parks. <i>R. C. Palmer and M. G. Jarvis</i>	152
XII Land for Camping and Caravan Sites, Picnic Sites and Footpaths. <i>H. George and M. G. Jarvis</i>	166
XIII Soil Surveys and Wildlife Conservation in Agricultural Landscapes. <i>T. R. E. Thompson</i>	184
General Appendix	193
