|------|------------------------------------------------|----|
| 1    | Some topics in semantics . . . . .             | 1  |
| 1.1  | Aims of this study . . . . .                   | 1  |
| 1.2  | Mathematical linguistics . . . . .             | 1  |
| 1.3  | A functional view of meaning . . . . .         | 2  |
| 1.4  | Truth conditions and truth values . . . . .    | 8  |
| 1.5  | Counterfactuals . . . . .                      | 11 |
| 1.6  | Compositionality and syntax . . . . .          | 11 |
| 1.7  | Pragmatics . . . . .                           | 13 |
| 1.8  | Propositional relations . . . . .              | 14 |
| 1.9  | Ambiguity . . . . .                            | 16 |
| 1.10 | Formal logic and natural languages . . . . .   | 17 |
| 1.11 | Universal semantics . . . . .                  | 18 |
| 2    | Background notions from mathematics . . . . .  | 20 |
| 2.1  | Purpose of this chapter . . . . .              | 20 |
| 2.2  | Sets . . . . .                                 | 20 |
| 2.3  | The cardinality of a set . . . . .             | 23 |
| 2.4  | Product sets . . . . .                         | 24 |
| 2.5  | Relations and functions . . . . .              | 25 |
| 2.6  | Equivalence relations . . . . .                | 27 |
| 2.7  | Boolean algebras . . . . .                     | 29 |
| 2.8  | Isomorphisms and homomorphisms . . . . .       | 32 |
| 2.9  | Effective processes . . . . .                  | 33 |
| 3    | Background notions from formal logic . . . . . | 37 |
| 3.1  | Scope of this chapter . . . . .                | 37 |
| 3.2  | The calculus of propositions . . . . .         | 37 |
| 3.3  | The nature of propositions . . . . .           | 41 |
| 3.4  | Monotonicity . . . . .                         | 42 |
| 3.5  | The predicate calculus . . . . .               | 43 |
| 3.6  | Modal logic . . . . .                          | 50 |
| 3.7  | Lambda abstraction . . . . .                   | 58 |

|       |                                                   |     |
|-------|---------------------------------------------------|-----|
| 3.8   | Montague's intensional logic . . . . .            | 61  |
| 4     | Vagueness and ambiguity . . . . .                 | 78  |
| 4.1   | Background . . . . .                              | 78  |
| 4.2   | Ambiguity . . . . .                               | 80  |
| 4.3   | Structural ambiguity . . . . .                    | 85  |
| 4.4   | De dicto vs de re . . . . .                       | 91  |
| 4.5   | Intensions and temporal quantifiers . . . . .     | 98  |
| 4.6   | Modalities . . . . .                              | 100 |
| 4.7   | Regimentation . . . . .                           | 102 |
| 5     | Logical form in binding theory . . . . .          | 104 |
| 5.1   | Levels of representation . . . . .                | 104 |
| 5.2   | Logical form . . . . .                            | 105 |
| 5.3   | Wellformedness in binding theory . . . . .        | 107 |
| 5.3.1 | Some typical problems of coreference . . . . .    | 107 |
| 5.3.2 | Some conditions on coreference . . . . .          | 108 |
| 5.3.3 | Wh-questions and quantifiers . . . . .            | 116 |
| 5.4   | Case . . . . .                                    | 120 |
| 5.5   | Logical form in semantic representation . . . . . | 125 |
| 6     | Pragmatics . . . . .                              | 126 |
| 6.1   | Definition of pragmatics . . . . .                | 126 |
| 6.2   | Indices . . . . .                                 | 127 |
| 6.3   | Contextual properties . . . . .                   | 128 |
| 6.4   | Performatives . . . . .                           | 132 |
| 6.5   | Fuzziness . . . . .                               | 137 |
| 6.6   | Presuppositions . . . . .                         | 137 |
| 6.7   | Types of semantic presupposition . . . . .        | 139 |
| 6.8   | Truth-value gaps . . . . .                        | 147 |
| 6.9   | Primary and secondary presuppositions . . . . .   | 152 |
| 6.10  | Presuppositions and questions . . . . .           | 153 |
| 6.11  | Pragmatic presuppositions . . . . .               | 155 |
| 7     | Categorial grammar . . . . .                      | 162 |
| 7.1   | Categorial grammar . . . . .                      | 162 |
| 7.2   | A severely limited grammar . . . . .              | 163 |
| 7.3   | Some category assignments . . . . .               | 166 |
| 7.3.1 | Nominals and intransitive verbs . . . . .         | 167 |

|        |                                                   |     |
|--------|---------------------------------------------------|-----|
| 7.3.2  | Nominals and transitive verbs . . . . .           | 168 |
| 7.3.3  | Some verb types . . . . .                         | 170 |
| 7.3.4  | Wh-words . . . . .                                | 174 |
| 7.3.5  | Common nouns, quantifiers and <i>of</i> . . . . . | 176 |
| 7.3.6  | Mass and abstract nouns . . . . .                 | 181 |
| 7.3.7  | Adverbs and adjectives . . . . .                  | 182 |
| 7.3.8  | Relatives and appositives . . . . .               | 185 |
| 7.3.9  | Comparison . . . . .                              | 186 |
| 7.3.10 | Intensifiers . . . . .                            | 190 |
| 7.3.11 | Equatives . . . . .                               | 191 |
| 7.3.12 | Degree complements . . . . .                      | 193 |
| 7.4    | Abbreviations . . . . .                           | 194 |
| 7.5    | Spelling-out rules . . . . .                      | 196 |
| 7.6    | The lexicon . . . . .                             | 199 |
| 8      | Semantic rules . . . . .                          | 201 |
| 8.1    | Semantic rules . . . . .                          | 201 |
| 8.2    | Logical and nonlogical connectives . . . . .      | 203 |
| 8.3    | Nominals . . . . .                                | 214 |
| 8.3.1  | Unitary nominals . . . . .                        | 214 |
| 8.3.2  | Common nouns and intransitive verbs . . . . .     | 215 |
| 8.3.3  | Logical quantifiers . . . . .                     | 217 |
| 8.3.4  | Proportional quantifiers . . . . .                | 222 |
| 8.3.5  | Partitives and genitives . . . . .                | 226 |
| 8.4    | Some verb types . . . . .                         | 227 |
| 8.5    | Wh-words . . . . .                                | 234 |
| 8.6    | Adjectives . . . . .                              | 235 |
| 8.7    | Adverbs . . . . .                                 | 238 |
|        | Bibliography . . . . .                            | 243 |
|        | Index . . . . .                                   | 251 |
