

CONTENTS

Preface	ix
Abbreviations Used	xi
 Chapter 1. The Syntactic Framework	
1.1. Earlier Syntactic Treatments of PIE	3
1.2. The Bases of an Explanatory Syntax	6
1.3. The Phrase-Structure and Transformational Rules	11
1.4. A Syntactic Framework Based on Typological Study	14
1.5. Marked versus Unmarked Patterns in Language	21
1.6. Consistent and Inconsistent Languages	22
1.7. Aims of a Syntactic Treatment of PIE	24
1.8. Bases of Our Data	26
1.9. Outline of the Book	28
 Chapter 2. The Syntax of Simple Sentences	
2.1. The OV Structure of PIE as Demonstrated by Vedic	30
2.2. Evidence from Hittite for OV Structure of PIE	34
2.3. Evidence from Other Dialects for OV Structure of PIE	35
2.4. The Structure of the Simple Sentence in PIE	39
2.5. Simple Sentences Accompanied by Two or More Substantives	44
2.6. Some Consequences of the Use of Additional Substantives in Simple Sentences	48
2.7. Intonation Patterns of the Sentence	49
2.8. The Role of Modification as a Syntactic Marker	52 -
2.9. Sentence-Delimiting Particles	53 -

Chapter 3. Nominal Modifiers

3.1. Attributive Modifiers	57
3.2. Relative Constructions in the Early Dialects	61
3.3. Attributive-Adjective Constructions	68
3.4. Agreement Rules in Attributive-Adjective Constructions .	69
3.5. Attributive Genitives	73
3.6. On the Derivation of the Genitive	74
3.7. Compounds	75
3.8. Determiners in Nominal Phrases	82
3.9. Apposition	86
3.10. Conclusion	89

Chapter 4. Verbal Modifiers

4.1. On Elements Introduced through the Q Component	91
4.2. The Subjective Quality of the Verb in IE	110
4.3. Modified Forms of the PIE Simple Sentence	113
4.4. Tense, Aspect, and Related Categories	139
4.5. Transportation Processes	152
→ 4.6. Topicalization	156
4.7. Coordination	158
4.8. Complementation	163
4.9. Subordinate Clauses	167

Chapter 5. Syntactic Categories of PIE

5.1. Means of Expression for Syntactic Categories	175
5.2. Syntactic Categories Expressed in Conjunction with Verbs	177
5.3. Syntactic Categories Expressed in Conjunction with Substantives	190
5.4. Surface Classes in Which These Categories Are Marked ...	203
5.5. The Use of Particles and Other Uninflected Words as Syntactic Means of Expression	211
5.6. On the Generation of Sentences	216
5.7. On the Analysis of Sentences	218
5.8. Marked Order in Sentences	219
5.9. Topicalization, with Reference to Emphasis	220

Chapter 6. Lexical Entries

6.1. Comprehensive Treatments of the PIE Lexicon	222
6.2. Lexical Analysis of a Selected PIE Root: <i>γ_{er}</i> - 'move'	223

6.3. Lexical Items Consisting of Verbal Roots and Preverbs . . .	228
6.4. Nominal Lexical Units	229
6.5. Pronominal Lexical Units	230
6.6. Adjectival Lexical Units	231
6.7. Adverbial Lexical Units	232
6.8. Preverbs, Postpositions, and Particles	233
6.9. Extended Forms of Verbal and Nominal Roots; Further Development of the Lexicon	235
Chapter 7. Syntactic Developments from PIE to the Dialects	
7.1. Changes in the Sentence Pattern	238
7.2. Reasons for the Shift to VO Structure, Illustrated by Complements	242
7.3. The Postposing of Relative Clauses	243
7.4. Change in the Position of Attributive Adjectives and Genitives	245
7.5. Change in Verblike Elements and Verbal Modifiers	246
7.6. Change in Selectional Categories	247
7.7. Changes in Modification	248
7.8. Changes in Intonation	249
7.9. The Syntactic Changes, with Reference to the Community of PIE Speakers	250
Bibliography	253
Index	267
