Preface vii

List of Figures and Tables xv

PART I

States, Agriculture, and Space

Introduction 3

 The Problem 4

 What This Book Is About 6

CHAPTER 1

The Rise of the Modern State: From Street Gangs to Mafias 10

 States and Markets in the 1500s 10

 From Mafias to States: Mercantilism's Internal Project 24

 Mafias Abroad: The External Side of State-Building 30

CHAPTER 2

States, Markets, and the Origins of International Inequality 43

 The Rise of Spatial Inequality 43

 A Von Thünen Perspective on the Division of Labor 49

 International Trade: Two Responsive Strategies 60

CHAPTER 3

Economic and Hegemonic Cycles 65

Economic Cycles	67
Hegemonic Cycles	74

CHAPTER 4

The Industrial Revolution and Late Development 83

International Origins of the Industrial Revolution	85
Late Development as a Response to the Threat of Displacement	87
European Models of Late Industrialization	92
Japanese and Other Asian Models of Late Industrialization	100
International Consequences of Late Development	105

CHAPTER 5

Agricultural Exporters and the Search for Labor 110

The Opportunity for Ricardian Development and the Problem of Labor Supplies	110
The Rise of Global Von Thünen Zones	112
Zonal Shifts in Irish Agriculture	114
Slavery as a Last-Resort Labor Supply	117

CHAPTER 6

Agriculture-Led Growth and Crisis in the Periphery: Ricardian Success, Ricardian Failure 130

Temperate Agriculture and Ricardian Development	132
Tropical Agriculture and Ricardian Development	144
Ricardian Strategies and British Hegemony	145

CHAPTER 7

Foreign Debt, Hegemony, and the Gold Standard 148

Three Debt Crises	149
Investment and the Gold Standard	165

CHAPTER 8

The Collapse of the Nineteenth-Century Economy: The Erosion of Hegemony? 172

British Decline?	172
The Erosion of British Hegemony from Below: Production	173
The Erosion of British Hegemony from Above: International Trade	180
World War I and the Collapse of British Hegemony	186
A Stylized Model of the Interwar Period	188
The Structure of International Debt in the 1920s	189
Consequences of British Decline	193

PART II

Back to the Future: The Reemergence of a Global Economy

Introduction 199

Cars: or, The Disruptiveness of a New Leading Sector	200
Specific Problems Created by U.S. Industrialization	200
States and the Regulation of the International Economy	203

CHAPTER 9

The Depression, U.S. Domestic Politics, and the Foundation of the Post-World War II System 205

From British to U.S. Hegemony	205
The Political Problem: Coalition-Building in the United States	207
The Economic Problem	212
The International Consequences	214

CHAPTER 10

International Money and Domestic Politics 220

Three Phases to Monetary Disorder	222
The Present Structure: Back to the Future	237

CHAPTER 11**Transnational Firms: The United States versus Europe, Japan versus the United States 240**

The Old Transnationals	241
The New Transnationals	243
America versus Europe	250
Japan versus America (and Europe?)	254

CHAPTER 12**Industrialization in the Old Agricultural Periphery: The Rise of the Newly Industrialized Countries 259**

Decomposing the Third World	260
Late Development in the Agricultural Periphery	261
The Latin American Path	262
Eastern Europe	268
East Asia	272
LDC Industrialization in Perspective	276

CHAPTER 13**Trade, Protection, and Renewed Von Thünenization 280**

States and the Postwar Trade Regime	281
Outcomes	295
Back to the Future in Trade	298

CHAPTER 14**U.S. Hegemony: Declining from Below? 302**

Defects in the U.S.-Style Assembly Line	303
Remedies in the Japanese Assembly Line	306
What Now? High-Tech Industries	314
From the Bottom Up, From the Top Down	317

CHAPTER 15**U.S. Hegemony: Declining from the Top Down? 321**

Debt Structures Today	322
Introduction to the Missing Part III	329

List of Figures and Tables

FIGURES

2.1	Relationship between Transportation Costs and Rent	55
6.1	Britain's Wheat Imports by Source, 1830s-1913	134
7.1	Distribution of Foreign Investment by Area, 1913	151
7.2	Distribution of Foreign Investment by Area, 1938	152
7.3	LDC External Debt, 1982	154
7.4	Revenue Borrowing	157
7.5	Development Borrowing	158
8.1	Share of World Pig Iron Production by Britain, Germany, and the United States, 1870-1914	180
8.2	Share of World Steel Production by Britain, Germany, and the United States, 1870-1914	181
11.1	Product Cycle Model	246
11.2	Share of World Auto Production by Location of Production, 1946-1990, Selected Years	255
13.1	Regionalization of DFI Holdings in LDCs, 1988	297
14.1	U.S. Car and Light Truck Market Share by Producer, 1992	313

TABLES

1.1	Warfare Costs for Britain, 1689-1784	21
1.2	Specie Outflow from Western Europe, 1600-1750, Selected Years	31
2.1	Average Harvest-to-Seed Yield Ratios in Europe, 1500-1820	50

2.2	Agricultural Productivity Index, 1800–1910, Selected Years	51
4.1	British Industrial Dominance, 1800, 1860, and 1913	89
4.2	Relative Industrial Backwardness in Nineteenth-Century Europe, Selected Years	97
4.3	Composition of Asian Trade with Europe, c. 1912	102
4.4	Distribution of Asian Trade, c. 1913	103
4.5	Share of Raw Materials and Textiles in Asian Imports, Selected Years	105
5.1	Expansion of Von Thünen Rings around Britain, 1831–1909, Selected Years	114
8.1	Share of World Trade and Manufacturing by Britain, Germany, and the United States, 1880, 1900, and 1913	184
II.1	Imports' Share of GNP for Industrial Countries, 1880–1987	204
10.1	Inflation Rates and Industrial Productivity Growth in the United States, EC Countries, and Japan, 1950–1976, Selected Years	227
10.2	Percent Change and Level of Relative Unit Labor Costs in the United States, Japan, and Germany, 1970–1987, Selected Years	236
11.1	Relative Size of TNCs to Countries	248
13.1	Economic Significance of Textiles and Garments Production in Industrialized and Developing Countries, 1963 and 1980	290
13.2	Sources of Industrial Country Garment Imports, 1963, 1973, and 1982	290
13.3	Fiber Content of Textile Production, World and East Asia, 1959–1983, Selected Years	291
13.4	Transnationalization in the Triad Economies, 1988	296
14.1	Comparison of Labor Productivity and Defect Rates among Car Manufacturers, 1989	312
14.2	Relative Share of World Car Market by Ownership of Company, 1970–1990, Selected Years	312
15.1	Direct Foreign Investment in and by the Three Dominant Economies, Late 1980s	330
