Part one: Principle ways

| | |
|--|-----|
| 1 From mad to bad: multi-professional and metasystemic starting point | 3 |
| 1.1 <i>Legal abuse and psychological damage</i> | 3 |
| 1.2 <i>Responsibility, participation, guilt, power and blame</i> | 8 |
| 1.3 <i>Implications for practice</i> | 13 |
| 1.4 <i>Primary and secondary damage</i> | 15 |
| 1.5 <i>Acknowledgement and belief, admission and owning up</i> | 18 |
| 2 The individual process | 22 |
| 2.1 <i>Child sexual abuse as syndrome of secrecy for the child</i> | 22 |
| 2.2 <i>Child sexual abuse as syndrome of addiction</i> | 32 |
| 2.3 <i>The interlocking process between secrecy and addiction</i> | 34 |
| 2.4 <i>The individual process in context</i> | 35 |
| 3 The family process | 45 |
| 3.1 <i>Confusion on different levels of dependency</i> | 45 |
| 3.2 <i>Family pattern</i> | 47 |
| 3.3 <i>Family function of child sexual abuse</i> | 54 |
| 4 The family and the professional network | 59 |
| 4.1 <i>Three basic types of intervention</i> | 60 |
| 4.2 <i>Mutual influence and interlocking professional-family process</i> | 64 |
| 5 The professional network | 80 |
| 5.1 <i>The interprofessional process</i> | 80 |
| 5.2 <i>The interprofessional process in context</i> | 92 |
| 5.3 <i>Changing interprofessional and institutional co-operation</i> | 100 |
| 5.4 <i>Therapy and consultation</i> | 110 |

| | |
|---|-----|
| 6 The primary therapeutic intervention | 114 |
| 6.1 <i>Family therapy and family approach</i> | 114 |
| 6.2 <i>Aims and steps in the primary therapeutic intervention</i> | 117 |
| 6.3 <i>Basic mechanisms in the therapeutic process</i> | 129 |
| 6.4 <i>From secrecy to privacy</i> | 131 |
| 7 Different modes of therapy in the primary therapeutic intervention | 135 |
| 7.1 <i>Concurrent forms of therapy</i> | 135 |
| 7.2 <i>Group work with children</i> | 140 |
| 7.3 <i>Individual counselling and therapy</i> | 152 |
| 7.4 <i>Working with sexual abusers</i> | 159 |
| Part two: Practical problems | |
| 8 Preparation for disclosure | 171 |
| 8.1 <i>Crisis of disclosure – crisis of professionals and family crisis</i> | 171 |
| 8.2 <i>Steps in the crisis intervention of disclosure</i> | 173 |
| 8.3 <i>First-line suspicion, second-line suspicion and partial disclosure</i> | 174 |
| 8.4 <i>ADIC and ODIC: anonymous and open diagnostic interprofessional consultation</i> | 178 |
| 8.5 <i>Explicit therapeutic permission to disclose</i> | 182 |
| 8.6 <i>The use of the 'trusted person'</i> | 188 |
| 8.7 <i>The pre-intervention meeting</i> | 190 |
| 8.8 <i>Allegations of children in children's homes, in reconstructed families and in families of separation and divorce</i> | 191 |
| 8.9 <i>Suspicion of child sexual abuse during individual counselling and therapy</i> | 192 |
| 8.10 <i>Suspicion of sexual abuse during family sessions</i> | 194 |
| 8.11 <i>Suspicion of sexual abuse following access visits to fathers</i> | 197 |
| 8.12 <i>The use of prevention films as diagnostic tools in suspicion and disclosure</i> | 198 |
| 8.13 <i>Preparing fellow professionals for impending disclosure</i> | 199 |
| 9 Disclosure | 202 |
| 9.1 <i>The interlocking process between the explicit therapeutic permission to communicate and legal interviewing</i> | 202 |
| 9.2 <i>Legal interviewing of children</i> | 204 |
| 9.3 <i>Organising the disclosure interview</i> | 205 |
| 9.4 <i>The use of anatomically correct dolls, drawings and other diagnostic materials</i> | 208 |
| 9.5 <i>Forensic proof and medical examination</i> | 213 |
| 9.6 <i>Disclosure by children</i> | 214 |
| 9.7 <i>Disclosure by mothers</i> | 216 |
| 9.8 <i>Disclosure by professionals</i> | 217 |

| | |
|--|-----|
| 9.9 <i>Disclosure at school</i> | 218 |
| 9.10 <i>Suspicion and disclosure in in-patient settings and children's homes</i> | 219 |
| 9.11 <i>The first family meeting as reality-creating responsibility meeting</i> | 224 |
| 9.12 <i>Organising the first family meeting</i> | 227 |
| 9.13 <i>Family and responsibility-session-by-proxy</i> | 229 |
| 9.14 <i>The handover meeting</i> | 230 |
| 10 <i>Following disclosure</i> | 234 |
| 10.1 <i>Abusers leaving home</i> | 234 |
| 10.2 <i>Placement in children's homes</i> | 235 |
| 10.3 <i>Placement with foster parents</i> | 237 |
| 10.4 <i>Placement with relatives</i> | 238 |
| 10.5 <i>Mothers who want instant divorce</i> | 239 |
| 10.6 <i>Dealing with primary denial</i> | 241 |
| 11 <i>Interprofessional problems</i> | 255 |
| 11.1 <i>Finding the appropriate sexual language to communicate about the abuse</i> | 255 |
| 11.2 <i>Sexually abused professionals</i> | 256 |
| 11.3 <i>Interprofessional support</i> | 258 |
| 11.4 <i>The problem of the 'expert'</i> | 260 |
| 11.5 <i>Practical problems in consultations</i> | 262 |
| 11.6 <i>Dealing with professional hierarchies in consultations</i> | 263 |
| 11.7 <i>Preparing court reports</i> | 264 |
| 11.8 <i>Special issues in case conferences</i> | 267 |
| 11.9 <i>The 'goodies' and the 'baddies': splits in the professional network</i> | 271 |
| 11.10 <i>Dealing with statutory hierarchies in professional-family meetings</i> | 272 |
| 11.11 <i>Turning a Primary Punitive Intervention (PPI) and a Primary Child Protective Intervention (PCI) into a Primary Therapeutic Intervention (PTI)</i> | 275 |
| 12 <i>Treatment issues</i> | 278 |
| 12.1 <i>Creating a therapeutic sub-system</i> | 278 |
| 12.2 <i>Picking up bits and pieces in therapy</i> | 279 |
| 12.3 <i>From crisis intervention to long-term therapy</i> | 280 |
| 12.4 <i>The need for child psychiatric assessments</i> | 282 |
| 12.5 <i>Minimal work with parents in a statutory context</i> | 283 |
| 12.6 <i>Setting up groups</i> | 285 |
| 12.7 <i>Linking group treatment and individual sessions with family meetings</i> | 289 |
| 12.8 <i>Special problems in individual counselling and therapy</i> | 290 |

| | | |
|-------|--|-----|
| 12.9 | <i>The problem of re-introducing modesty</i> | 294 |
| 12.10 | <i>The use of different family therapy techniques</i> | 295 |
| 12.11 | <i>Helping protective mothers</i> | 302 |
| 12.12 | <i>Mothers who do not believe</i> | 303 |
| 12.13 | <i>Relapse into secrecy and secondary denial</i> | 305 |
| 12.14 | <i>Tertiary denial by fathers</i> | 309 |
| 12.15 | <i>Does the gender of the therapist matter?</i> | 311 |
| 12.16 | <i>Court-ordered therapy</i> | 313 |
| 12.17 | <i>Working with foster parents</i> | 315 |
| 13 | <i>Extrafamilial child sexual abuse</i> | 321 |
| 13.1 | <i>How to distinguish between intrafamilial and extrafamilial abuse in cases of denial</i> | 321 |
| 13.2 | <i>Traumatic debriefing in extrafamilial child sexual abuse</i> | 322 |
| 13.3 | <i>Dealing with the family process in long-term extrafamilial child sexual abuse</i> | 324 |
| 13.4 | <i>Dealing with children of sex-rings</i> | 327 |
| 14 | <i>Special situations</i> | 331 |
| 14.1 | <i>Siblings in families of child sexual abuse</i> | 331 |
| 14.2 | <i>The Hansel-and-Gretel syndrome and sexual abuse by older brothers</i> | 333 |
| 14.3 | <i>Child and adolescent sex offenders who are sexually abused themselves</i> | 337 |
| 14.4 | <i>Children of incest</i> | 338 |
| 14.5 | <i>The problem of the single father</i> | 340 |
| 14.6 | <i>Munchausen-syndrome-by-proxy in sexually abused mothers</i> | 342 |
| 14.7 | <i>Sexually abused mothers of sexually abused children</i> | 344 |
| 14.8 | <i>Family-of-origin work for sexually abused adults</i> | 347 |
| | <i>References</i> | 349 |
| | <i>Index</i> | 352 |

Figures

| | |
|---|-----|
| 1.1 Linear and circular aspects of guilt | 11 |
| 1.2 Acknowledgement and belief, admission and owning up after disclosure | 21 |
| 2.1 The abusive interaction in child sexual abuse as syndrome of secrecy | 27 |
| 2.2 The nature of trauma in child sexual abuse | 31 |
| 2.3 The function of the child in sexual abuse | 33 |
| 2.4 The addictive cycle in child sexual abuse | 35 |
| 2.5 The unconscious and secrecy | 43 |
| 3.1 Confusion of different hierarchies between father, mother and child | 46 |
| 3.2 The interlocking family process in the M family | 52 |
| 3.3 Basic family patterns | 55 |
| 3.4 Family reactions to disclosure and treatment | 58 |
| 4.1 Primary Punitive Intervention | 61 |
| 4.2 Primary Child Protective Intervention | 62 |
| 4.3 Primary Therapeutic Intervention | 63 |
| 4.4 Action and reaction between the P family and the professional network | 78 |
| 5.1 Professional identification and conflicts-by-proxy | 83 |
| 5.2 Therapy and consultation | 111 |
| 6.1 Aims and steps in the primary therapeutic interventions | 123 |
| 6.2 Basic mechanisms in the therapeutic process in families of child sexual abuse | 132 |
| 7.1 Rituals of differentiation in concurrent forms of therapy | 139 |
| 7.2 Anxiety in unconscious and secrecy | 156 |
| 8.1 Child Sexual Abuse Crisis Intervention Kit | 172 |
| 8.2 First-line suspicion and second-line suspicion | 175 |
| 8.3 Giving permission to disclose | 188 |
| 9.1 Confronting the alleged abuser | 209 |
| 9.2 The handover meeting | 232 |

| | |
|--|-----|
| 10.1 (a) + (b) Abuse-promoting child protection and crime-promoting crime prevention in cases of denial | 242 |
| 10.2 Denial: feared consequences of disclosure | 243 |
| 11.1 Hierarchy of linear professional responsibility and influence | 245 |
| 11.2 Professional-family hierarchy in therapeutic statutory work, courtwork and consultation | 265 |
| 12.1 Court-ordered therapy and rehabilitation | 274 |
| 13.1 Parental concern and diagnostic differentiation between intrafamilial and extrafamilial child sexual abuse | 316 |
| 14.1 Adult abusers and the Hansel-and-Gretel-syndrome | 323 |
| | 335 |
