Preface

1. The Salience of Alcohol Problems in the Work Setting:
Introduction and Overview
PAUL M. ROMAN

Part I The Social and Organizational Contexts of Alcohol Problems in the Workplace

2. The Impact of Macrosocial Forces on the Distribution of
Alcohol Problems in the Workplace
DAVID J. PITTMAN
3. Employed Adults at Risk for Diminished Self-Control over
Alcohol Use: The Alienated, the Burned Out, and the
Unchallenged
DOUGLAS A. PARKER and GAIL C. FARMER
4. Jobs, Occupations, and Patterns of Alcohol Consumption: A
Review of Literature
JACK K. MARTIN

5. Microsocial Processes Impacting on Alcohol Problems over Work Careers 67
JUDITH A. RICHMAN
6. Occupational Drinking Subcultures: An Exploratory Epidemiological Study 77
KAYE MIDDLETON FILLMORE
7. Drinking, Social Networks, and the Workplace: Results of an Environmentally Focused Study 95
GENEVIEVE AMES and CRAIG JANES
8. Business and Professional Women: Primary Prevention for New Role Incumbents 113
ELSIE R. SHORE
9. The Extent and Patterning of Job-Related Drinking Problems 125
HAROLD A. MULFORD

Part II Employee Assistance Programs and Related Strategies: Structure, Dynamics, and Problems

10. Employee Assistance Programs: Utilization and Referral Data, Performance Management, and Prevention Concepts 143
TERRY C. BLUM and NATHAN BENNETT
11. Health Promotion Programs and the Prevention of Alcohol Abuse: Forging a Link 163
MARTIN SHAIN
12. Expanding the Role of EAPs into Primary Prevention: The EAP as Organizational Consultant 181
WALTER REICHMAN and FRANK GUGLIELMO
13. EAPs and Early Intervention: Maximizing the Opportunities 191
BRADLEY GOOGINS

14. The Bystander-Equity Model of Supervisory Helping Behavior:
Past and Future Research on the Prevention of Employee
Problems 203
LAWRENCE H. GERSTEIN
15. EAPs and Early Intervention for Alcohol Problems at the
Workplace 227
ANDREA FOOTE
16. Help-Seeking and Helping Processes within the Workplace:
Assisting Alcoholic and Other Troubled Employees 237
WILLIAM J. SONNENSTUHL
17. Workplace Influences on Attitudes about Alcoholism 261
JANET S. MOORE
