

Contents

1. Different Worlds: Drug Use and Ethnicity in Early Adolescence	1
Early Adolescent Experience and Social Context	1
Adolescence, Ethnicity, and Development	4
Adolescent Development, Deviance, and Cultural Variation	6
Ethnic Group Conflicts, Socialization, and Adolescent Deviance	10
2. Context and Design of the Study	13
<i>George J. Warheit</i>	
Introduction	13
The Two Faces of Miami	14
Dade County at the Time of the Research	16
Conflicts between Immigrants and the Native Population	16
Demographic Changes Underlying Immigrant-Host Conflicts	17
Conflicts over Language and Citizenship	18
Political Changes and Conflicts	19
Historical Perspectives on Change and Conflict in Dade County	21
Racial Tensions and Violence	22
Crime	23
Hurricane Andrew	24
The Dade County Public School System	25
School and Staff Characteristics	25
Socioeconomic Status of the Students	26
Racial and Ethnic Composition of the Students	27
Student Achievement	27
Design of the Study	29
Introduction	29
Overview of the Study Design	30
Student Sample	30
Representativeness/Attrition of the Student Sample	33

Collateral Data	34
Questionnaire Construction and Administration	35
Human Subjects, Confidentiality, and Tracking of Students	35
3. Substance Use and Other Social Deviance	37
<i>George J. Warheit and Andres G. Gil</i>	
Introduction	37
Social Deviance	37
Definitions of Deviance	38
Deviance and U.S. Belief Systems	39
Substance Use as Deviance in the United States	39
Approaches to the Study of Deviance and Substance Use among Adolescents	41
Social Control	41
Social Learning	42
Structural Strain Theory	43
Social Psychological Theories	44
Research Based on Psychological and Psychiatric Postulates	44
Psychological Studies	45
Psychological/Psychiatric Problems and Disorders	45
Problem Behavior Syndrome	46
Approaches That Explore the Relationships between Substance Use and Other Forms of Social Deviance	46
Risk Factor Approaches	47
Summary	48
Design of the Study	49
Findings	50
Lifetime Prevalence of Substance Use	50
Regular/Past Month Substance Use	54
Substance Use Scale/Index Scores	57
Substance Use and Other Deviance	59
Summary of Findings and Conclusions	65
Findings on Substance Use	65
Substance Use, Disposition to Deviance, and Minor and Major Deviance	68
4. Pathways to Drug Use	71
<i>William A. Vega and Andres G. Gil with Bodhan Kolody</i>	
Introduction	71
Risk as a Concept and Method	73

Methodological Divergence in Risk Assessment	75
Life History Risk Assessment	76
Risk Factors as Multiproblem Factorial Domains	77
Risk Domains, Ethnicity, and Marijuana Use	77
Protective Factors	82
Empirical Assessment of Protective Factors	83
Family Protective Factors and Psychosocial Risks	84
Family Protective Factors and Delinquency Risk	85
Stages of Drug Use	88
A Longitudinal Scalogram Analysis	89
Conclusions	91

5. Are Girls Different? A Developmental Perspective on Gender Differences in Risk Factors for Substance Use among Adolescents

95

Elizabeth L. Khoury

Adolescent Development	97
Pubertal Changes	97
Gender Role Characteristics	98
Stressful Life Events	98
Self-Esteem	98
Coping Styles	99
Gender Differences in Risk Factors for Substance Use	100
Risk Factor Analysis	101
Sampling	101
Demographic Variables	102
Selection of Factors	103
Outcome Variables	107
Statistical Procedures	107
Results	108
Discussion	121

6. Cultural Adjustment and Hispanic Adolescent Drug Use

125

William A. Vega and Andres G. Gil with Eric Wagner

The Acculturation Process and Drug Use	126
Acculturative Stress and Drug Use	130
Empirical Tests of Acculturation and Drug Use	134
Acculturative Stress, Self-Derogation, and Adolescent Drug Use	141
Conclusion	145

7. Developmental Patterns of African American Adolescent Drug Use	149
<i>Frank Biafora and Rick S. Zimmerman</i>	
Introduction	149
The Problems of Drug Use in African American Communities	149
African American Youth and Drugs	151
Miami's African American Community	153
Epidemiology of Early African American Adolescent Drug Use Based on Findings from the Study Presented in This Book	155
Ethnic Differences in Drug Use: Fact or Artifact	159
African American Drug Use over the Life Course: Catch-up and Crossover Patterns	161
Explaining Early Patterns of African American Adolescent Drug Use ..	166
8. Prevention Implications and Conclusions	177
Introduction	177
Overview of Approaches to Substance Abuse Prevention	179
Educational Approaches	180
Social Influence Approaches	181
Social Skills Training Approaches	183
Community-Based Approaches	184
Mass Media Approaches	185
Harm Reduction Approaches	186
Toward an Integrative Contextual Prevention Approach	188
An Ecological Approach to Prevention	191
Appendix: Items and Alphas for Scales	197
References	199
Index	223
