 PART I THEORETICAL BACKGROUND	
Introduction	3
1 Work systems diffusion: neo-institutional perspectives	10
2 The double embeddedness barrier	55
 PART II SOME EMPIRICAL EVIDENCE	
3 Research methodology	73
4 Appropriation of Japanese work systems in the UK: illustrations from the automotive industry	91
5 Conclusions, implications and limitations	124
<i>Appendices</i>	<i>145</i>
<i>References</i>	<i>157</i>
<i>Index</i>	<i>177</i>

Figures

I.1	Schema for the diffusion of work systems	7
1.1	The implementation and internalization of knowledge-driven work systems	41
1.2	Key local institutional characteristics that are likely to have an impact on the diffusion of work systems	46
1.3	Analytic framework	51
2.1	The impact of national institutional and organizational levels on work systems diffusion	64
4.1	Organizational structure of Rover as perceived by Honda	93
4.2	The impact of macro- and micro-influences on work systems diffusion	116
4.3	Network framework conducive to high internalization of work systems	122
A.1	Sales and profit trends between 1993 and 1999 at Nissera UK	153
A.2	Honda Motor Company's communication network	154
A.3	The benefit scale	155

Tables

I.1	Japanese foreign direct investment in the UK by product category	8
1.1	The institutional characteristics of different business systems	31
1.2	Comparison of four major perspectives	36
1.3	The impact of national institutional characteristics on work systems diffusion	44
2.1	The national institutional features associated with types of business systems in Japan and the UK	58
2.2	Types of work systems in Japan and the UK	60
2.3	Contrasting institutional settings	66
3.1	Firms involved in the study	75
3.2	Data collection at Teniki UK, Nissera UK and the Rover–Honda collaboration	83
4.1	Nature of diffused work systems in case study companies	102
4.2	Key national and local institutional characteristics	109
4.3	Key company and organizational characteristics	114
5.1	Summary of the diffusion outcomes and key institutional and organizational characteristics in play	127
A.1	Key events in the Rover–Honda relationship	145
A.2	List of interviewees at Teniki UK	146
A.3	List of interviewees at Nissera UK	147
A.4	List of interviewees at Rover Group and Honda Motor Co.	148
A.5	Sales and profit trends between 1993 and 1999 at Nissera UK	153
