Preface xvi

PART 1 HOW ORGANIZATIONS ARE ORGANIZED 1

1 Organizational Goals and Effectiveness: What We Do 2

Theme Case: The Mission of Provigo, Inc., of Canada 4

Why Do Organizations Form? 8

The Study of Goals 10

Typologies of Goals 10

Feature: Mission Statements: Functions and Examples 11

Feature: The Importance of an Overarching Goal 12

Formal Versus Real Goals 15

Goal Formulation and Changing Goals 17

Feature: Clear Goal Unleashes Employee Energy for Scandinavian Airlines System 19

The Functions and Dysfunctions of Goals 25

Feature: Objectives That Emphasize the Achievable 26

An Alternative View of Organizations 28

Organizational Effectiveness 30

Feature: Goals and Ethics 31

Feature: Think Big, Think Small 33

Models of Organizational Effectiveness 34

The Study of Effectiveness 36

Measuring Effectiveness 37

A Managerial Guide to Assessing Effectiveness 39

Feature: Measuring Productivity: One Way to Assess Effectiveness 42

Summary 44

Managerial Insight 46

Review Questions 47

References 48

2.	Organizational Structure: Who Works Under Whom	52
	<i>Theme Case: Westinghouse Gets Respect at Last</i>	54
	What Is Organizational Structure?	61
	Static Structural Elements	63
	Physical Design	64
	Size	65
	Complexity	66
	Formalization	69
	Centralization	71
	<i>Feature: Centralization as Insurance: The Challenger Disaster</i>	72
	Manifestations of Static Structure	74
	Structure in Other Countries	77
	Dynamic Structural Elements	79
	Organizational Networks	80
	Clusters Within Networks	83
	<i>Feature: The Dough Boy and the Burger King</i>	83
	Communication Roles in Networks	85
	The Manifestation of Network Elements	87
	Determinants of Structure	89
	Six Determinants of Structure	89
	<i>Feature: How Jack Welch Used Goals to Reshape General Electric</i>	91
	<i>Feature: How Explosive Growth Outran Systems and Structure in the Investment Industry</i>	93
	How the Determinants Are Used	97
	Organizational Structures in the Future	98
	Summary	100
	Managerial Insight	102
	Review Questions	103
	References	104
3	Organizational Culture and Socialization: Why Workers Stay	108
	<i>Theme Case: The McDonald's Mystique</i>	110
	What Is Organizational Culture?	114
	The Cultural Context of Organizations	115
	Four Approaches to Organizational Culture	119
	Culture as Shared Norms, Beliefs, and Values	120
	<i>Feature: Forging a Value System at Proctor & Gamble</i>	121
	Culture as Myths, Stories, and Other Manifestations of Language	124
	Culture as Rites and Ceremonials	126
	Culture as Symbolic Interaction	128
	Assessing Organizational Culture	130
	Strength of Culture	130
	Identifying Organizational Culture	131
	<i>Feature: Questions to Identify Organizational Culture</i>	132
	<i>Feature: Analyzing Culture with Scenes and Themes</i>	134

Distinguishing Countercultures and Subcultures	135
<i>Feature: Counterculture at General Motors</i>	136
Organizational Socialization	137
How People Are Socialized	139
Strategies for Socialization	141
Organizational Commitment and Turnover	144
Definition of the Problem	144
Antecedents to Organizational Commitment	146
Consequences of Organizational Commitment	148
Turnover Reconsidered	150
Summary	154
Managerial Insight	156
Review Questions	157
References	158

PART 2 HOW WE GET TASKS DONE 163

4 Groups and Group Conflict: How Workers Work Together	164
<i>Theme Case: The Hardy Boys and the Microkids Create a New Machine</i>	166
What Is a Group?	172
Group Characteristics	173
Group Structure	174
<i>Feature: Temporary Groups</i>	176
Group Formation	177
<i>Feature: The Effective Use of Meetings</i>	179
Group Norms	180
<i>Feature: Dana Corporation: Making Norms Explicit</i>	181
Conformity, Cohesiveness, and Deviance	182
Group Effectiveness	187
Individuals and Groups	188
<i>Feature: Crisis Management by Committee</i>	189
<i>Feature: Team Building</i>	192
The Human Resources View of Group Effectiveness	193
Hackman and Morris's Theory	194
Other Models of Group Effectiveness	197
Intergroup Relationships	198
<i>Feature: How Intergroup Relations at Xerox Contributed to Corporate Stagnation</i>	200
How Intergroup Perceptions Form	201
Contact Effects	202
Intergroup Exchanges	203
Intergroup Conflict	205
<i>Feature: Boardroom to Courtroom: Battling for Getty</i>	206
Types of Conflict	208
Managing Conflict	209

Summary	210
Managerial Insight	212
Review Questions	213
References	214
5 Communication: How Workers Talk Together	218
<i>Theme Case: Bishop Rock Dead Ahead: The Grounding of the U.S.S. Enterprise</i>	220
What Is Communication?	224
The Sender	226
Forming Impressions	227
<i>Feature: Information Cues</i>	227
Sources of Bias	231
<i>Feature: The General Knowledge Quiz Game</i>	232
When Do People Think?	233
The Implications for Messages	236
Transmitting Information: Channels	237
Verbal Communication	237
Nonverbal Communication	241
<i>Feature: Nonverbal Communication in the Texaco-Pennzoil Trial</i>	242
The Medium and the Situation	248
The Medium and the Message	249
<i>Feature: Facsimile Machines</i>	249
<i>Feature: Car Phones Change the Way We Do Business</i>	253
Context	255
<i>Feature: Chrysler's Ill-Timed Announcements</i>	257
Message Content	258
Good and Bad Feelings	258
Feedback	259
Trust and Credibility	260
Making Messages Understandable	261
The Receiver	262
Personality and Message Acceptance	262
Methods of Presentation and the Recipient	263
Obtaining Commitment	264
Listening	265
Summary	266
Managerial Insight	267
Review Questions	269
References	270
6 Power and Politics in Organizations: Who Influences Whom	276
<i>Theme Case: Power Shift at Bank of America</i>	278
What Are Power and Politics?	282
Sources of Power	283

Structural Aspects of Power	284
Interpersonal Bases of Power	285
Intraorganizational Power	288
The External Coalition	289
The Internal Coalition	291
Theories of Intraorganizational Power	292
Interorganizational Power	296
Organizational Attempts to Influence Other Organizations	296
Controlling Legislative Processes	298
<i>Feature: How One Organization Successfully Lobbied to Protect Its Interests</i>	298
The Use of Power: Power Tactics	301
Interpersonal Power Tactics	302
Interorganizational Power Tactics	305
<i>Feature: Airlines Mergers: A Co-optive Shootout</i>	307
What Managers Think of Organizational Politics	310
Summary	311
Managerial Insight	312
Review Questions	314
References	315
7 Decision Making in Organizations: How We Make Choices	318
<i>Theme Case: The Corvair Decision, or How Moral Men Make Immoral Decisions</i>	320
What Is Decision Making?	324
Individual Decision Making	326
Models of Individual Decision Making	326
Incrementalism	330
Influences of Personality, Attitudes, and Values on Decision Making	332
Group Decision Making	333
Group Versus Individual Decision Making	334
Participation	334
Risk and Groupthink	341
<i>Feature: How Coca-Cola Executives Made the New Coke—Old Coke Decisions</i>	342
Organizational Decision Making	347
The Influence of Values, Norms, and Ideologies on Organizational Decision Making	348
<i>Feature: A Look at How Seven CEOs Made Critical Decisions</i>	349
Three Approaches to Organizational Decision Making	352
<i>Feature: Budgeting as an Incremental Model</i>	353
Aids to Decision Making	357
<i>Feature: Software Planning and Decision-Making Aids</i>	357
Aids to Dealing with Uncertainty	359

Aids to Dealing with Complexity 361

Feature: Tough Decisions 364

Summary 366

Managerial Insight 367

Review Questions 368

References 369

PART 3 HOW WE WORK THROUGH OTHERS 375

8 Leadership: Showing the Way to Others 376

Theme Case: Government Leadership: An Assistant Secretary of Commerce 378

Why Study Leadership? 384

What Is Leadership? 385

Are Managers Leaders? 386

The Roles of Managers 387

The Emergence of Leadership 389

The Study of Leadership 391

Feature: Metaphors of Leadership 392

Leadership Does Not Matter 394

Feature: Leadership Missing in Action: Coca-Cola's Management in the 1970s 395

Feature: Lee Iacocca on Leadership 396

Substitutes for Leadership 398

The Significance of Followers 398

Theoretical Approaches to Leadership 399

Trait Approaches 399

Feature: Steve Jobs at Apple Computer 401

Behavioral Approaches to Leadership 404

Feature: A Classic Leadership Study 404

Contingency Approaches to Leadership 408

A Cognitive Approach to Leadership 412

Environmental and Organizational Influences on Leadership 413

Leadership Training 415

Summary 417

Managerial Insight 419

Review Questions 420

References 421

9 Motivation: Convincing Others to Follow 428

Theme Case: The Abraham Rosner Case 430

What Is Motivation? 435

Early Theories of Motivation 437

Content Theories 441

Instinct Theory 442

Feature: Turning Down \$2 Billion: Instinct or Cool Analysis? 442

	Murray's Manifest Needs Theory	444
	Competence	445
	Hierarchical Needs	445
	Alderfer's ERG Theory	447
	Motivation-Hygiene Theory	447
	Three Needs Emphasized	449
	Content Theories in Review	451
	Process Theories	452
	Operant Conditioning	452
	<i>Feature: Lincoln Electric: Successful Employee Motivation Program</i>	453
	Expectancy Theory	457
	Goal Setting	459
	Equity Theory	462
	A Social Information Processing Perspective	464
	Political Theories	466
	Process Theories in Review	466
	Stir Gently and Apply	468
	Summary	470
	Managerial Insight	472
	Review Questions	473
	References	474
10	Individual Differences: Learning About Others	478
	<i>Theme Case: Ellen Randall: The Ceiling and the Wall</i>	480
	Why Study Personality?	483
	Personality	484
	Personality Traits	486
	<i>Feature: The Pygmalion Effect</i>	487
	An Information Processing View of Personality	491
	<i>Feature: Management Women</i>	493
	Personality Assessment in Organizations: Testing	496
	Attribution Theory and the Assessment of Personality	497
	<i>Feature: A Bad Day at the Office</i>	498
	Social Perception	501
	Information Processing	502
	Information and Schemas	503
	Values and Attitudes	504
	Values	505
	Attitudes	505
	<i>Feature: The LaPiere Study</i>	507
	Training	509
	Needs Assessment	511
	Training and Development	512
	<i>Feature: "Sesame Street" as a Training Tool</i>	514
	Transfer of Training	516
	Performance Evaluation	516

	Appraisal Methods	519
	The Appraiser's Role	522
	Performance Evaluation and the Law	523
	Rewards, Discipline, and Responses to Discipline	524
	Rewards and Punishments	524
	Basic Elements in a Discipline System	525
	Summary	527
	Managerial Insight	528
	Review Questions	530
	References	531
11	Managing Change: Organizational Success in the 1990s	538
	<i>Theme Case: Milliken & Co.: Thriving on Chaos</i>	540
	Why Undertake Change?	543
	<i>Feature: The Case of the MSWD</i>	545
	A Model of the Process of Managing Change	547
	Problem Awareness and Diagnosis	548
	Selecting and Implementing Change Solutions	552
	<i>Feature: Overcoming Resistance to Change</i>	553
	Monitoring and Evaluating Change	555
	The Role of the Change Agent	556
	Changes to the Structure of Work	558
	Job Restructuring	559
	Technostructural Techniques for Managing Change	561
	Human-Process Techniques for Managing Change	566
	Changes in Organizational Culture	569
	<i>Feature: The Breakup of the Bell System: The Biggest</i>	
	Organizational Change	570
	Managing Cultural Change	572
	<i>Feature: Honoring the Past</i>	574
	Popular Books on Managing Change	575
	The Shape of Things to Come: Environmental Impacts on the Organization	
	in the 1990s	577
	Changes in the International Environment	578
	Implications for Business	579
