DOMINIQUE MATHIEU	
At the dawn of the century – Organizational options – Manufacturing subsidiaries – National selling subsidiaries – Subsidiaries acting as commission agents – Joint ventures – Acquisitions – Re-invoicing and netting – Information systems for multinationals – Internal communication	

PART TWO ASSESSMENT AND MANAGEMENT OF CREDIT RISKS

5 The range of risks	43
BURT EDWARDS (WITH CONTRIBUTIONS BY BRIAN W CLARKE)	
The real cost of credit – Customer risk – The need to assess customers' ability	

to pay – Payment behaviour – Why do companies fail? – Warning signs of insolvency – Insolvency/bankruptcy laws – Disputed debts as a risk – Credit risks in international trade – Political credit risks – The transfer risk – Bank risk – Future developments – Summary

- 6 Country risk assessment** 55
 DR HANS P BELCSAK
 The concept of country risk – Risk analysis as a tool – Sources of information – Structuring input – Evaluating data – A systematic approach to risk management – Country risk consultants – Recommended reading
- 7 Customer risk assessment** 70
 JOACHIM C BARTELS AND DR GEOFFREY A HIRT
 The role of information in credit risk assessment – Information availability and the impact on credit risk – The benefits of internal and external information – Sources of information – Expert systems/credit evaluation tools – Credit scoring – Interpretation of financial statements – Ratio analysis – Recommended reading
- 8 Assessing bank risk** 86
 DONALD C JONES
 Use of ratings – Information sources – Rating methodology – Basic approach to bank analysis – The risk matrix – Recommended reading
- 9 Risk management** 100
 BURT EDWARDS (WITH CONTRIBUTIONS BY BRIAN W CLARKE)
 Risk control in sales credit – Receivables statistics – Organization of credit management – Credit risk assessment – Credit limits – Credit risk categories – Day-to-day risk control – Opening a credit account – Doing business with marginal risk accounts – Controls for risky accounts – Risk control on overseas accounts – A checklist for good export risk control – Summary – Recommended reading
- PART THREE LAYING OFF THE RISK**
- 10 Sharing the risk** 113
 BRIAN W CLARKE
 Guarantees and avals – Confirming houses – Factoring – Forfaiting – Credit insurance – Letters of credit – *Del credere*
- 11 Credit insurance** 116
 PAUL DAWSON AND JOHN YELDING
 General principles – Discretionary limit – Credit terms – The Consensus – The Berne Union – The International Credit Insurance Association (ICIA) – The private insurance market – Types of credit insurance – Global credit insurance policies – Self-insurance – Brokers – Summary – Recommended reading

PART FOUR TERMS AND CONDITIONS OF SALE

- 12 Terms and conditions for international trade** 131
 PAUL MARTIN (ORIGINAL CHAPTER BY THE LATE GRAY SINCLAIR)
 The international sales contract – Terms of delivery/trade terms – Incoterms –
 Terms and methods of payment – Interest and discount – Local currency
 exchange risk – Retention of title – Dispute resolution – Goods versus services –
 Pre-shipment inspection and price comparison – The importance of correct
 documentation – The trend towards electronic commerce – Recommended
 reading
- 13 Bonds and guarantees** 148
 MARTIN G SHAW
 Terminology and background – The nature of guarantees – The forms and
 sources of guarantees – Risks to the seller and means of minimizing them –
 Types of guarantee – Terms and conditions of guarantees – Conclusion –
 Recommended reading

PART FIVE SETTLEMENT METHODS

- 14 An outline of settlement methods** 161
 BRIAN W CLARKE
 The main settlement methods – Transmission of funds – Recommended reading
- 15 Bills of exchange** 165
 LAKSHMAN Y WICKREMERATNE
 Legal division of the world – Definitions – Salient formal features – The time for
 payment – Acceptance – Avals – Negotiation – Use of bills in export settlements
 – Payment – Protest – Promissory notes – Marginal substitutes – Applicable law
 – UN Convention on international bills of exchange – Recommended reading
- 16 Collections** 187
 LAKSHMAN Y WICKREMERATNE
 Description of collections – The essence of a collection – Types of collections –
 URC main concepts – Parties involved in the collection process – The ICC
 Uniform Rules for Collections (URC) – Export finance and collection
 documents – Recurring issues – Control and monitoring of unpaid and
 unaccepted items – Adding more security – Protesting – Recommended
 reading
- 17 Documentary letters of credit** 210
 BRIAN W CLARKE
 Definition – Forms and types of credit – Documentary credit failures: the core
 problem – The Uniform Customs and Practice (UCP) – The US Uniform
 Commercial Code (UCC), Article 5 – The operation of the credit – Establishing
 credits – The quality of an irrevocable letter of credit – The quality of a

confirmation – Checking the credit – Amendments to the credit – Presenting the documents – Special types of credit – Standby credits – Fraudulent credits – Future developments – Finale – Recommended reading

PART NINE ORGANIZATION AND SYSTEMS

27 Organization and policy 353

ALBERTO BOTTONI

Defining the credit management process – Performance measurement – Organizational aspects – Centralization versus decentralization – In-house

versus outsourcing – Systems platform – Staffing and employee development
 – Benchmarking the credit process and the organization – Credit policy –
 Conclusion

28 Supporting systems 363

CECILIA A FAULKNER

System acquisition and initial configuration – Customer master files –
 Credit checking on shipments or services – Functionality specific to credit
 management – Reporting – Operation and maintenance considerations –
 System upgrades – Acquisitions and changes in business – Bolt-on systems –
 Resource constraints

APPENDIX

Sources of advice and assistance 371

BRIAN W CLARKE

The International Chamber of Commerce (ICC) – Chambers of commerce –
 Government trade promotion organizations – Trade Partners UK – The Simpler
 Trade Procedures Board (SITPRO), UK – The US Department of Commerce –
 International agencies – Trade associations and groups – FCIB-NACM
 Corporation – National associations/institutes of credit management –
 The Institute of Export (UK) – The British Exporters Association (BExA)

Index 381

List of Figures

4.1	The link between internal and external partners	29
4.2	Added value of a credit manager within a multinational group	30
5.1	The iceberg of credit risk	44
7.1	Information warehouse	72
7.2	Decision segmentation	72
7.3	Credit scoring within the credit approval process	76
7.4	Predictive scoring	77
8.1	The rating process – step by step	90
11.1	The main underwriting families	125
11.2	Fully coordinated approach to global credit insurance	126
11.3	Master policy approach to global credit insurance	126
15.1	Ten features of a bill of exchange	170
15.2	Bill drawn in a set	171
15.3	Acceptance of bill of exchange	173
15.4	Negotiation by endorsement of bill of exchange	176
15.5	An English act of protest	181
15.6	Example of a promissory note	183
16.1	The different forms of collection	189
16.2	Documents against immediate payment	191
16.3	Documents against acceptance	192
18.1	Barter	231
18.2	A classic counterpurchase structure	232
18.3	A classic counterpurchase structure showing the banking arrangements	233
18.4	Compensation or buy-back	235
18.5	Bilateral clearing accounts	237
18.6	Switch trading	238
18.7	Countertrade to redeem overdue debt	246
20.1	Options available to central banks for exchange rate determination	266
21.1	The organization of liquidity management	281

List of Tables

5.1	Effect of overdue debts on profit	45
5.2	Extra sales needed to recover bad debts	45
7.1	Liquidity ratios	80
7.2	Debt utilization ratios	81
7.3	Asset utilization ratios	82
7.4	Profitability ratios	84
8.1	Major rating categories	88
9.1	DSO (days' sales outstanding) using 'count-back' method	101
12.1	The thirteen Incoterms 2000	133
15.1	Bills of exchange: comparison of key points under three systems	166
17.1	Seller vs buyer: their opposing interests	216
20.1	Selected New York closing rates	269
26.1	Insolvency proceedings under the English model	342
26.2	Reorganization and liquidation procedures in selected countries	343
28.1	Meeting the credit organization's deliverables	368
