Chapter I	
Introduction	1
Chapter II	
Review of Literature	25
Chapter III	
Sources of Data and Methodology	47
Chapter IV	
Prevalence of Coronary Heart Disease and Major Coronary Risk Factor	73
Chapter V	
Social - Economic Characteristics and Coronary Heart Disease	87
Chapter VI	
Smoking, Alcohol and Coronary Heart Disease	99
Chapter VII	
Summary and Conclusions	113
<i>Bibliography</i>	121
<i>Index</i>	131

LIST OF TABLES

Tables	Page
Table 1.1 Basic Demographic Indicators for Rajasthan and India, 1981-1992.	3
Table 2.1 Prevalence of Coronary Heart Disease in India-Recent Survey	28
Table 2.2 Common Risk Factor Profile in three Contemporary Indian Studies	29
Table 2.3 Previous Coronary Heart Disease Prevalence Studies in India	34
Table 2.4 Studies of Hypertension Prevalence in Indian Population	36
Table 4.1 Age Distribution of the CHD Patient	76
Table 4.2 Standard Risk Factors	76
Table 4.3 Lifestyle Variables and other Risk Factors	77
Table 4.4 Prevalence of Hyperlipidaemia	79
Table 4.5 Univariate Associations of Standard Risk Factors and Coronary Heart Disease	80
Table 4.6 Associations of Unconventional Risk Factors and Coronary Heart Disease	80
Table 4.7 Multivariate Logistic Regression Analysis of CHD With Major Coronary Risk Factors	82
Table 5.1 Distribution of Level of Education Among Different Age-Group	88
Table 5.2 Occupational-Status and Housing-Type in Persons of Different Educational Level	89

Table 5.3	Level of Education and Prevalence of Coronary Heart Disease	90
Table 5.4	Prevalence of Coronary Risk Factors	90
Table 5.5	Prevalence of Major Coronary Risk Factors and Level of Education	91
Table 5.6	Mean Values of Physical Biochemical Characteristics and Their Correlation With Years of Education (Spearman's Rank Correlation)	92
Table 5.7	Systolic and Diastolic Blood Pressure and Lipoprotein Lipids at Various Levels of Education	93
Table 5.8	Relative Risk for Coronary Heart Disease and Risk Factor Prevalence Explained by Education (Logistic Regression Analysis)	94
Table 6.1	Prevalence of Smoking and Alcohol Consumption in Various Age-Groups	100
Table 6.2	Classification of Smokers	100
Table 6.3	Lifestyle and Clinical Characteristics of Male Smokers, Alcohol Drinkers	101
Table 6.4	Prevalence of CHD and Hypertension Among Male Smokers	102
Table 6.5	Percent Prevalence of Alcohol-Intake in Males	103
Table 6.6	Lifestyle and Clinical Characteristics of Male Alcohol Drinkers	104
Table 6.7	Prevalence of CHD and Hypertension Among Male Alcohol-Consumers	105
Table 6.8	Comparison of Male Smokers and Non-Smokers With and Without Alcohol Intake	107
