Figures and Tables	xi
Foreword, by Ronald M. Andersen	xiii
Preface	xv
Acknowledgments	xxi
The Author	xxiii
1 Who Are the Vulnerable?	1
2 How Many Are Vulnerable?	16
3 Who Is <i>Most</i> Vulnerable?	54
4 Why Are They Vulnerable?	91
5 What Programs Address Their Needs?	117
6 Who Pays for Their Care?	159
7 How Good Is Their Access to Care?	179
8 How Much Does Their Care Cost?	200
9 What's the Quality of Their Care?	219
10 What Do We Still Need to Know?	239
11 What Programs and Policies Are Needed?	264

Resource A: National Data Sources on Vulnerable Populations 279

Resource B: Source Notes on the Data Tables 289

Subject Index 364

FIGURES AND TABLES

Figures

- 1.1 Framework for Studying Vulnerable Populations 3
- 1.2 Predictors of Populations at Risk 7
- 1.3 Topics in Studying Vulnerable Populations 14
- 5.1 Continuum of Care for Vulnerable Populations 118

Tables

- 1.1 Comparisons of Relative Risk 9
- 1.2 Principal Health Needs of Vulnerable Populations 10
- 1.3 Cross-Cutting Health Needs of Vulnerable Populations 12
- 2.1 Indicators of High-Risk Mothers and Infants 20
- 2.2 Indicators of Chronically Ill and Disabled 22
- 2.3 Indicators of Persons Living with HIV/AIDS 28
- 2.4 Indicators of Mentally Ill and Disabled: Community Prevalence Rates 32
- 2.5 Indicators of Mentally Ill and Disabled: Treated Rates, Mental Health Facilities 35
- 2.6 Indicators of Mentally Ill and Disabled: Treated Rates, Nursing Homes 35
- 2.7 Indicators of Alcohol or Substance Abusers 38
- 2.8 Indicators of Suicide or Homicide Prone 44
- 2.9 Indicators of Abusing Families 46

2.10	Indicators of Homeless Persons	50
2.11	Indicators of Immigrants and Refugees	52
3.1	Indicators of High-Risk Mothers and Infants, by Demographic Subgroups	58
3.2	Indicators of Chronically Ill and Disabled, by Demographic Subgroups	62
3.3	Indicators of Persons Living with HIV/AIDS, by Demographic Subgroups	66
3.4	Indicators of Mentally Ill and Disabled, by Demographic Subgroups: Community Prevalence Rates	71
3.5	Indicators of Mentally Ill and Disabled, by Demographic Subgroups: Treated Rates, Mental Health Facilities	72
3.6	Indicators of Mentally Ill and Disabled, by Demographic Subgroups: Treated Rates, Nursing Homes	74
3.7	Indicators of Alcohol or Substance Abusers, by Demographic Subgroups	76
3.8	Indicators of Suicide or Homicide Prone, by Demographic Subgroups	82
3.9	Indicators of Abusing Families, by Demographic Subgroups	84
3.10	Indicators of Homeless Persons, by Demographic Subgroups	88
3.11	Indicators of Immigrants and Refugees, by Demographic Subgroups	90
4.1	Principal Community Correlates of Vulnerability	98
5.1	Principal Programs and Services for High-Risk Mothers and Infants	122
5.2	Principal Programs and Services for Chronically Ill and Disabled	126
5.3	Principal Programs and Services for Persons Living with HIV/AIDS	130
5.4	Principal Programs and Services for Mentally Ill and Disabled	134
5.5	Principal Programs and Services for Alcohol or Substance Abusers	138
5.6	Principal Programs and Services for Suicide or Homicide Prone	144
5.7	Principal Programs and Services for Abusing Families	147
5.8	Principal Programs and Services for Homeless Persons	151
5.9	Principal Programs and Services for Immigrants and Refugees	156
6.1	Principal Payers for Vulnerable Populations	162
7.1	Principal Access Barriers for Vulnerable Populations	182
8.1	Principal Costs of Care for Vulnerable Populations	204
9.1	Principal Quality Issues for Vulnerable Populations	222
