

Contents

Tables and Figures	ix
Abbreviations	xi
Acknowledgments	xiii
Chapter 1. Introduction	3
Chapter 2. Conceptualizing Inter-Union Relations: Constructing a Theoretical Framework	9
Chapter 3. The U.S. Airline Industry as a Context for Inter- Union Relations	29
Chapter 4. Inter-Union Relations in Historical Perspective	48
Chapter 5. Interdependence and the Presence of Inter-Union Ties: A Quantitative Analysis of Union Pairs	67
Chapter 6. The Structure of the Airline Union Network	89
Chapter 7. Dynamics and Outcomes of Inter-Union Relations: Airline Unions in Coalitions	112
Chapter 8. Mobilizing the Airline Union Network: The Struggle at Eastern Airlines	134
Conclusion	157
Afterword	169
Appendix 1. Survey of Inter-Union Relations	171
Appendix 2. Categories Used in Constructing Interdependence Measures	178
Appendix 3. Explanation of Analyses	180
Notes	183
References	194
Index	203
