PREFACE	xi
--------------------------	----

1-INTRODUCTION	1
---------------------------------	---

Database Definition	2
Database Types	4
The World of Electronic Resources	5
Hard-Disk-Resident Databases	5
Online Databases	6
CD-ROM Databases	6
Other Types of Databases	7
Implementation	7
Training	8

2-HARDWARE REQUIREMENTS	11
--	----

Components of a Workstation	12
Big Blue or the Big Apple?	13
Other Hardware Considerations	19
Furniture	20
Questions to Ask	21
Slots	21

3-GENERAL CRITERIA	25
-------------------------------------	----

Organization and Indexing	26
Browse Mode	26
Word Search Mode	27
Boolean Searching	29
Truncation	31
Documentation	32
Review of General Selection Criteria	33
Format	33
Word Searching	34
Purchase Versus Lease	34
Authoritativeness	35
Readability	35
Searching Capability	35
Normal Versus Expert Mode	36

4-GETTING STARTED	37
Assessing Your Needs	38
Product Evaluation	39
Reading	41
Talking	41
Visiting	41
Conferences	42
Buyer's Remorse	44
5-SELECTION OF A CD ENCYCLOPEDIA	45
CD or Online?	45
Beginning the Search	46
Evaluating Electronic Encyclopedias	46
Learning from Other Libraries	48
Hands-on Testing at Conferences	48
Encyclopedias and Search Modes	49
Uses of Search Modes	51
Checklist for Evaluation	52
Screen	52
Indexing	53
Displaying and Printing	53
Speed	54
A Word About Pictures	55
Conclusion	56
6-SELECTION OF MAGAZINE INDEXES	57
Online Versus CD-ROM	58
Beginning the Search	58
Literature Review	59
Using Electronic Magazine Indexes	60
Searching	61
Display and Printing	62
Questions to Ask	63
Other Points to Consider	64
Set-Up	65
Command Searching	65
Price	65
Conclusion	66
7-OTHER ELECTRONIC RESOURCES	67
What to Buy	68
What Can It Do?	69
Matching the Resource to the Program	70
Is There a Need for the Content of the Resource?	70

Other Questions	71
How Much Will This Actually Be Used?	72
Conclusion	72
8-SELECTION OF ONLINE RESOURCES	75
Supermarket Vendors	76
Using an Online Service	76
Fee Structure	78
Training	79
Criteria for Selection	79
Number and Kinds of Databases	80
Special Search Features	80
Documentation and Training	81
Costs	81
Regional Preference	81
Other Online Services	82
Consumer Online Services	82
A Word About Internet	83
9-INTERNET	85
Understanding the Concept	85
Uses of the Internet	86
E-Mail	86
Telnet	88
File Transfer Protocol	88
Gaining Access to the Internet	89
Impact of the Internet	89
10-WHAT THE FUTURE HOLDS	91
A View of the Future	92
GLOSSARY	93
BIBLIOGRAPHY	97
INDEX	101
