Foreword	ix
Preface	xi
Chapter 1 Introduction	1
1.1 What Is Ergonomics?	1
1.2 What Is an Ergonomist?	2
1.3 The Social Value of Ergonomics	2
1.4 The Economic Value of Ergonomics	3
1.5 General and Individual Ergonomics	3
Chapter 2 Posture and Movement	5
2.1 Biomechanical, Physiological and Anthropometric Background	5
2.1.1 Biomechanical Background	5
2.1.2 Physiological Background	8
2.1.3 Anthropometric Background	9
2.2 Posture	15
2.2.1 Sitting	15
2.2.2 Standing	21
2.2.3 Change of Posture	23
2.2.4 Hand and Arm Postures	24
2.3 Movement	29
2.3.1 Lifting	29
2.3.2 Carrying	35
2.3.3 Pulling and Pushing	37
Summary Checklist	39
Chapter 3 Information and Operation	43
3.1 The User	43
3.2 Information	44
3.2.1 Visual Information	44
3.2.2 Hearing	48
3.2.3 Other Senses	49
3.3 Controls for Operation	50
3.3.1 Fixed Controls	51
3.3.2 Wireless, Remote and Hands-Free Controls	56
3.4 Dialogues	57
3.4.1 User Friendliness	57
3.4.2 Different Forms of Dialogue	60

- 3.4.3 Help.....62
- 3.5 Website Design.....63
- 3.6 Mobile Interaction.....64
- 3.7 Virtual Reality.....65
- Summary Checklist66

Chapter 4 Environmental Factors69

- 4.1 Noise.....69
 - 4.1.1 Guidelines on Noise.....69
 - 4.1.2 Noise Reduction at Source.....71
 - 4.1.3 Noise Reduction through Workplace Design and Work Organization72
 - 4.1.4 Hearing Conservation73
- 4.2 Vibration74
 - 4.2.1 Guidelines on Vibration.....74
 - 4.2.2 Preventing Vibration75
- 4.3 Illumination.....76
 - 4.3.1 Guidelines on Light Intensity76
 - 4.3.2 Guidelines on Brightness Differences.....77
 - 4.3.3 Guidelines for the Color of the Light78
 - 4.3.4 Guidelines for Improving Lighting78
- 4.4 Climate.....80
 - 4.4.1 Guidelines on Thermal Comfort80
 - 4.4.2 Guidelines on Heat and Cold.....81
 - 4.4.3 Climate Control82
- 4.5 Chemical Substances83
 - 4.5.1 Guidelines on Chemical Substances.....83
 - 4.5.2 Measures at Source.....84
 - 4.5.3 Ventilation86
 - 4.5.4 Measures at the Individual Level87
- Summary Checklist88

Chapter 5 Work Organization Jobs and Tasks93

- 5.1 Tasks.....93
- 5.2 Jobs.....94
- 5.3 Work Organization.....96
 - 5.3.1 Flexible Forms of Organizations96
 - 5.3.2 Autonomous Groups97
 - 5.3.3 Coaching Management Styles98
- Summary Checklist99

Chapter 6	The Ergonomic Approach	101
6.1	Project Management	101
6.1.1	Initiative Phase	103
6.1.2	Problem Identification Phase	105
6.1.3	Selection of Solutions Phase	106
6.1.4	Implementation Phase	108
6.1.5	Evaluation Phase	110
6.2	Checklist	111
	Ergonomics Checklist	111
Chapter 7	Sources of Additional Information	121
7.1	International Books on Ergonomics	121
7.1.1	General Ergonomics Books	121
7.1.2	Books on Posture and Movement	122
7.1.3	Books on Information and Operation	122
7.1.4	Books on Environmental Factors	122
7.1.5	Books on Work Organization, Jobs and Tasks	123
7.1.6	Books on the Ergonomic Approach	123
7.2	Scientific Journals on Ergonomics	123
7.3	Useful Websites	124
7.4	International ISO Standards on Ergonomics	125
7.4.1	General Ergonomics Standards	126
7.4.2	Standards on Posture and Movement	126
7.4.3	Standards on Information and Operation	126
7.4.4	Standards on Environmental Factors	127
7.4.5	Standards on Work Organization, Jobs and Tasks	127
7.4.6	Standards on the Ergonomics Approach	127
7.4.7	List of Standards	128
Index		137
