| Student support                                  | 15        |
| Course organization                              | 16        |
| Syllabus                                         | 17        |
| Announcements                                    | 18        |
| Further reading                                  | 19        |
| <b>2 Reconfiguring the lecture</b>               | <b>21</b> |
| Books                                            | 21        |
| Posting lecture notes                            | 22        |
| Podcasting                                       | 23        |
| Videos                                           | 23        |
| PowerPoint presentations                         | 25        |
| Synchronous communication                        | 26        |
| Announcements                                    | 27        |
| Quiz feedback                                    | 29        |

|                                     |    |
|-------------------------------------|----|
| Other ways to replicate the lecture | 29 |
| Further reading                     | 29 |

### **3 The discussion board 31**

|                                       |    |
|---------------------------------------|----|
| Design of the discussion board        | 32 |
| Discussion board questions            | 33 |
| Small group discussions               | 38 |
| Role of the teacher                   | 38 |
| Post-course evaluation                | 39 |
| Informal non-graded discussion forums | 39 |
| Further reading                       | 42 |

### **4 Assessment 43**

|                                             |    |
|---------------------------------------------|----|
| Assessment in the online classroom          | 44 |
| Quizzes                                     | 44 |
| Essays                                      | 45 |
| Blogs and journals                          | 46 |
| WebQuests                                   | 46 |
| Website reviews                             | 48 |
| E-portfolios                                | 48 |
| Video, podcast and PowerPoint presentations | 49 |
| Social bookmarking                          | 49 |
| Getting away from the computer              | 49 |
| Small group work                            | 50 |
| Rubrics                                     | 52 |
| Evaluation and feedback                     | 52 |
| Peer assessment                             | 53 |
| Classroom assessment techniques             | 54 |
| Student evaluations                         | 54 |
| Further reading                             | 56 |

### **5 Classroom management 58**

|                         |    |
|-------------------------|----|
| Cheating and plagiarism | 58 |
| Emails                  | 60 |
| Netiquette              | 61 |
| Technical problems      | 61 |
| Absenteeism             | 64 |
| The online student      | 64 |
| Further reading         | 65 |

|          |                                                            |            |
